# IRONCK Shoe Cabinet Set of 2 Instruction Manual

Model: EXE250227000027 | Brand: IRONCK

## 1. INTRODUCTION

---

This manual provides detailed instructions for the assembly, operation, and maintenance of your IRONCK Shoe Cabinet Set of 2. Designed for efficient space utilization, this cabinet features a slim profile, making it ideal for entryways, hallways, living rooms, or porches. Its bohemian style, crafted from premium hand-woven rattan and MDF wood panels, adds a warm and stylish touch to your home.

The cabinet is constructed from high-quality MDF wood and supported by sturdy metal legs, ensuring durability and stability. It includes an anti-tipping device for enhanced safety.

## 2. SETUP AND ASSEMBLY

Your IRONCK Shoe Cabinet is designed for easy assembly. All necessary hardware and an instruction manual are included, with parts clearly numbered for straightforward installation.

### 2.1 Assembly Instructions

Please follow the step-by-step instructions provided in the included assembly manual. Ensure all components are present before beginning assembly.

### 2.2 Anti-Tipping Device Installation

**Important Safety Note: Always secure the cabinet to the wall using the provided anti-tipping device to prevent accidental tipping and ensure safety, especially in households with children or pets.**

Locate the anti-tipping device in the hardware package. Follow the specific instructions in the assembly

manual for securely attaching the cabinet to a wall stud or using appropriate wall anchors.

Image: Detailed dimensions of the shoe cabinet and a visual guide for installing the anti-tip bracket to the wall.

### 3. OPERATING INSTRUCTIONS

The IRONCK Shoe Cabinet is designed for versatile and spacious shoe storage.

#### 3.1 Using the Flip-Top Drawers

Each cabinet features two flip-top drawers. Gently pull the handle to open each drawer, revealing two tiers for shoe storage. The design allows for easy access and discreet storage.

# 3-Position Adjustable Shelf

*Image: The shoe cabinet with its drawers open, demonstrating how shoes are stored and highlighting the adjustable shelf feature.*

## 3.2 Adjusting and Removing Shelves

Each tier within the flip-top drawers includes a center divider. This divider can be adjusted to different heights or completely removed to accommodate various shoe sizes and types, such as high heels, boots, sneakers, or slippers. This flexibility allows the cabinet to store up to 22 pairs of shoes efficiently.

# Removal Middle Board

*Image: A visual comparison illustrating the effect of removing the middle board within a drawer to create space for taller footwear like boots.*

## 3.3 Additional Storage

The top surface of the cabinet provides space for decorative items, picture frames, or frequently used small objects. A small integrated drawer offers additional storage for keys, glasses, or other personal items. The bottom compartment is suitable for storing slippers or boots.

## 4. MAINTENANCE

To ensure the longevity and appearance of your IRONCK Shoe Cabinet, follow these simple maintenance guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the melamine finish and rattan.
- **Rattan Care:** The natural rattan is durable and wear-resistant. If it becomes dusty, gently clean with a soft brush or vacuum with a brush attachment.
- **Spills:** Promptly wipe up any spills to prevent staining or damage to the wood and rattan.

- **Placement:** Avoid placing the cabinet in direct sunlight or near heat sources, as this can cause fading or warping over time.

## 5. TROUBLESHOOTING

---

If you encounter any issues during assembly or use, please refer to the detailed assembly manual for specific troubleshooting steps. For common concerns:

- **Loose Parts:** Ensure all screws and fasteners are tightened according to the assembly instructions. Do not overtighten.
- **Drawer Malfunction:** Check for any obstructions within the drawer mechanism or if shoes are preventing proper closure. Ensure the internal divider is correctly seated.
- **Stability Issues:** Confirm the anti-tipping device is securely installed and the cabinet is placed on a level surface.

If problems persist, please contact customer support for assistance.

## 6. PRODUCT SPECIFICATIONS

---

Feature	Detail
Brand	IRONCK
Model Name	Shoe Cabinet Set of 2
Item Model Number	EXE250227000027
Color	Black
Product Dimensions	9.25"D x 23.6"W x 39.6"H
