Dragon Touch 15.6 inch Digital Calendar - Model TM15 Black User Manual

Your guide to setting up and using your Dragon Touch Digital Calendar.

INTRODUCTION

This manual provides detailed instructions for the setup, operation, and maintenance of your Dragon Touch 15.6 inch Digital Calendar, Model TM15 Black. This device functions as an electronic family planner, smart desktop calendar, and a digital photo frame with WiFi connectivity and 32GB of internal memory.

1. SETUP AND INITIAL CONFIGURATION

Follow these steps to set up your Dragon Touch Digital Calendar:

1. **Power On:** Connect the device to a power source using the provided adapter. The device will automatically power on.
2. **Wi-Fi Connection:** On the device's touchscreen, navigate to the settings menu and connect to your local Wi-Fi network.
3. **App Installation:** Download the dedicated mobile application for your Dragon Touch Digital Calendar on your smartphone or tablet.
4. **Account Linking:** Open the mobile application and follow the on-screen instructions to link your device to your account.
5. **Calendar Synchronization:** Once linked, the application will guide you through synchronizing your personal calendars (e.g., iOS, Google Calendar) with the device. This integrates multiple calendars into a unified interface.

Quick Guide to Sync iOS Calendar:

1. Open your iOS Calendar App. Click the "Calendars" button below.
2. Click the  icon next to the specific calendar you wish to sync.
3. Enable "Public Calendar". Select "Share Link..." and copy the link.

4. Open your Email application and paste the Share Link into a new email.
5. Copy the Calendar address from the email. Paste this address into the Dragon Touch app for synchronization. Wait for approximately 5 minutes for the calendar to sync.

4. MAINTENANCE

To ensure the longevity and optimal performance of your Dragon Touch Digital Calendar, follow these maintenance guidelines:

- **Cleaning:** Use a soft, dry, lint-free cloth to clean the screen and exterior. Do not use liquid cleaners or aerosol sprays directly on the device.
- **Placement:** Place the device on a stable surface or mount it securely on a wall. Avoid direct sunlight,

extreme temperatures, and high humidity.

- **Software Updates:** Regularly check for and install software updates through the device settings or mobile application to ensure you have the latest features and security patches.
- **Power Management:** Disconnect the power adapter during electrical storms or when the device will be unused for extended periods.

5. TROUBLESHOOTING

If you encounter issues with your Dragon Touch Digital Calendar, refer to the following common solutions:

5.1 Device Not Powering On

- Ensure the power adapter is securely connected to both the device and a working power outlet.
- Verify that the power outlet is functional by plugging in another device.

5.2 Wi-Fi Connection Issues

- Check if your Wi-Fi router is powered on and functioning correctly.
- Ensure the device is within range of your Wi-Fi network.
- Re-enter your Wi-Fi password to confirm it is correct.
- Restart both the digital calendar and your Wi-Fi router.

5.3 Calendar Synchronization Problems

- Verify that the device is connected to the internet.
- Ensure your mobile application is linked to the device and has the necessary permissions to access your external calendars.
- For iOS calendars, double-check the sharing link and ensure the calendar is set to "Public" as described in the setup section. Allow a few minutes for synchronization to complete.
- If using other calendar services, confirm their sharing settings are correctly configured.
- Restart the mobile application and the digital calendar.

5.4 Touchscreen Unresponsive

- Gently clean the screen with a soft, dry cloth to remove any dust or smudges.
- Restart the device.
- Ensure your fingers are clean and dry when interacting with the touchscreen.

5.5 Photo Slideshow Not Working

- Ensure photos have been successfully uploaded to the device or linked cloud storage.
- Check the settings for the digital photo frame function to ensure slideshow mode is enabled and configured correctly.

If these steps do not resolve the issue, please contact customer support for further assistance.
