HOFSTEIN H3811108

HOFSTEIN LED Floor Lamp Byrum User Manual

Model: H3811108

1. Introduction

Thank you for purchasing the HOFSTEIN LED Floor Lamp Byrum. This modern and versatile floor lamp is designed to provide adjustable lighting for various indoor spaces such as living rooms, bedrooms, and dining rooms. Featuring a touch dimmer and CCT (Correlated Color Temperature) functionality, it allows you to customize the light to your preference. Please read this manual thoroughly before installation and operation to ensure safe and optimal use of your new lamp.

2. Safety Instructions

Always follow basic safety precautions when using electrical appliances to reduce the risk of fire, electric shock, and personal injury.

- Ensure the power supply voltage matches the lamp's requirements (230 Volt).
- Do not operate the lamp with a damaged cord or plug.
- Do not expose the lamp to water or excessive moisture. This product is rated IP20 for indoor use only.
- Do not attempt to disassemble or modify the lamp. The LED light source is not replaceable by the user.
- Keep the lamp away from flammable materials.
- Unplug the lamp from the power outlet before cleaning or performing any maintenance.
- This lamp is designed for indoor use only.

3. Package Contents

Carefully unpack the box and ensure all items are present and undamaged. If any parts are missing or damaged, contact HOFSTEIN customer support.

- HOFSTEIN LED Floor Lamp Byrum (Main body with integrated LED)
- Power Cable (197 cm total length)
- User Manual (this document)

4. Setup and Assembly

The HOFSTEIN LED Floor Lamp Byrum requires minimal assembly. Follow these steps to set up your lamp:

1. Carefully remove all packaging materials.
2. Place the lamp base on a flat, stable surface in your desired location.
3. Ensure the lamp pole is securely attached to the base.
4. Uncoil the power cable and plug it into a standard 230V wall outlet.

Figure 4.1: Lamp Dimensions and Control Panel Detail. The lamp has a height range of 175cm to 186.5cm, a base diameter of 24cm, and a cable length of 197cm. The control panel on the pole includes touch controls for on/off, dimming, Kelvin (color temperature) change, and color change.

Figure 4.2: HOFSTEIN LED Floor Lamp Byrum in a typical room setting, illustrating its sleek design and placement flexibility.

5. Operating Instructions

The HOFSTEIN LED Floor Lamp Byrum features intuitive touch controls for various lighting adjustments.

5.1 Power On/Off and Dimming

The lamp is equipped with a touch dimmer located on the lamp pole.

- **To turn on/off:** Briefly touch the power symbol on the control panel.
- **To dim:** Touch and hold the power symbol to smoothly adjust the brightness (lumen output) from 1700 lumens down to the lowest setting. Release when the desired brightness is reached.

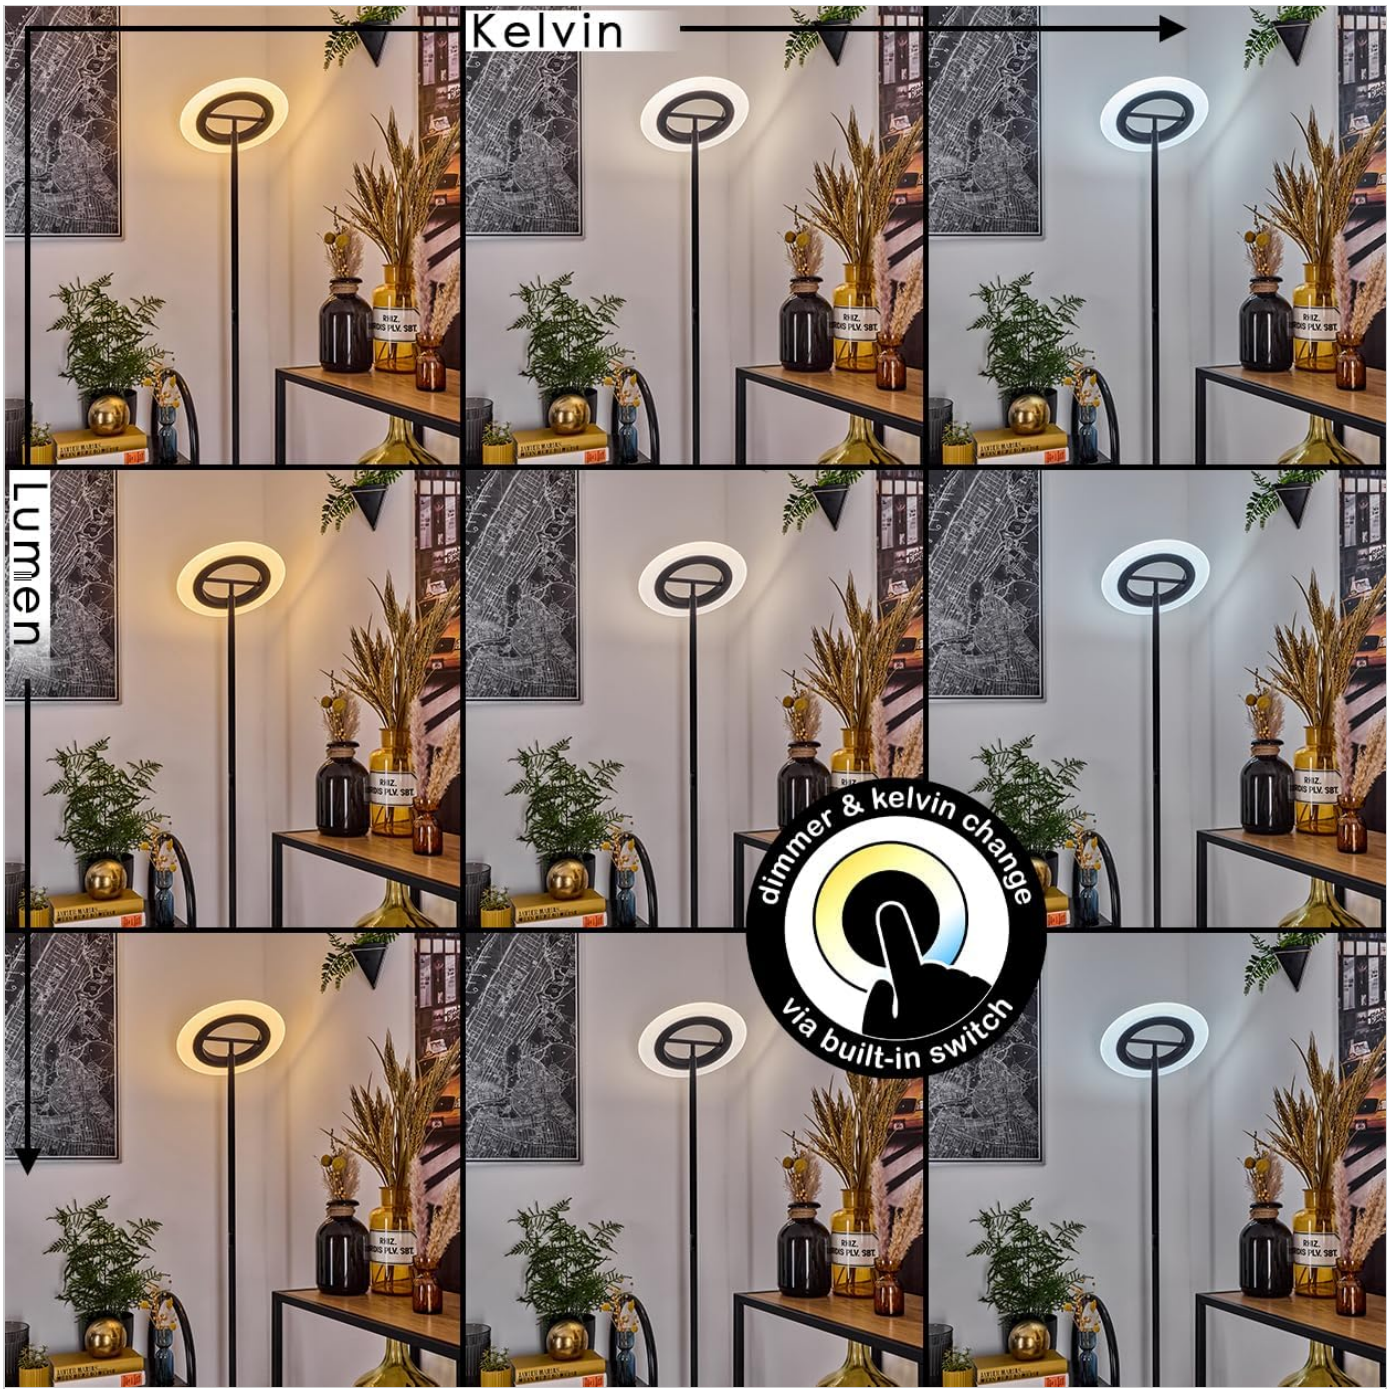

Figure 5.1: Demonstration of Kelvin (color temperature) and Lumen (brightness) adjustments. The top row shows changes in color temperature from warm to cool white, while the left column shows changes in brightness.

5.2 Color Temperature (CCT) Adjustment

The lamp allows you to change the color temperature from warm white to cool white (2700-6500 Kelvin).

- **To adjust CCT:** Locate the Kelvin adjustment touch control on the lamp pole. Briefly touch it to cycle through different color temperatures.

Figure 5.2: Overview of the lamp's touch controls and visual examples of dimming, Kelvin, and color changes. The image highlights the intuitive touch interface for light customization.

5.3 Color Change (RGB)

In addition to white light, the lamp features a color changer function, allowing you to select various RGB colors.

- **To change colors:** Locate the color change touch control on the lamp pole. Briefly touch it to cycle through different static colors or activate a color-changing mode.

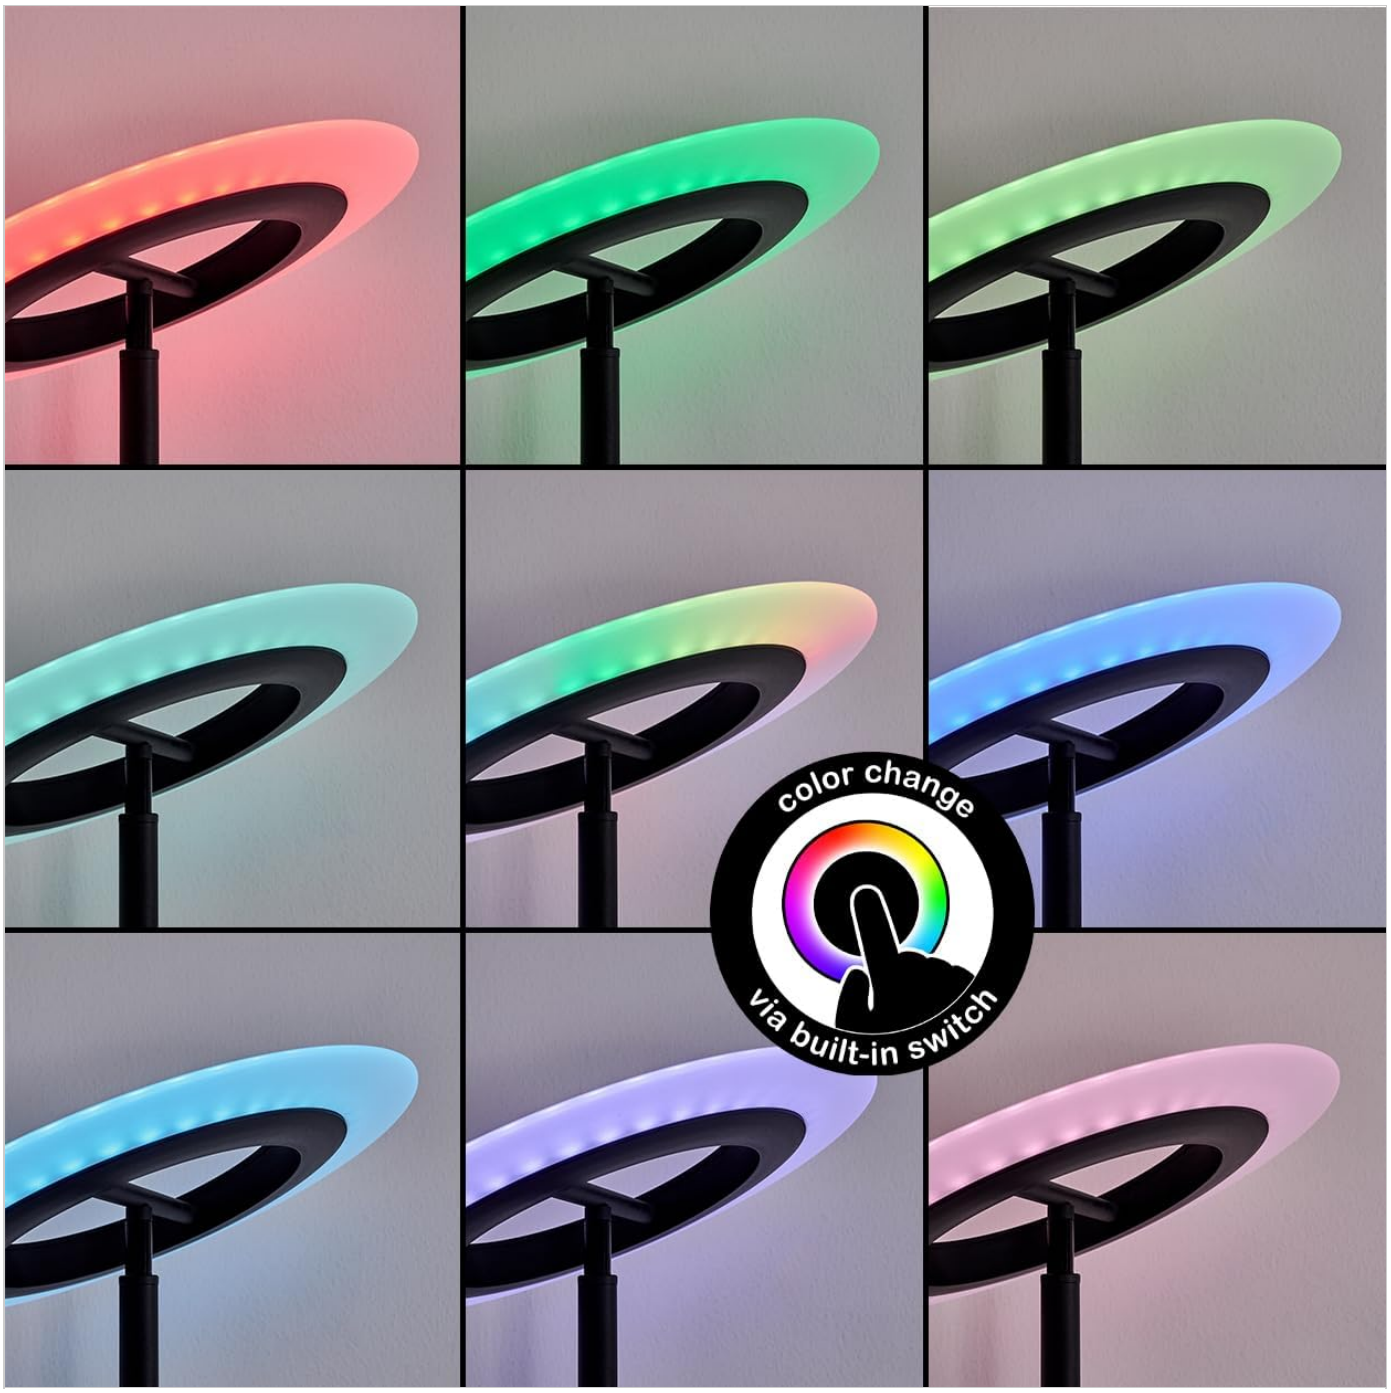

Figure 5.3: Close-up view of the lamp head displaying a range of colors, illustrating the lamp's color-changing capabilities.

Figure 5.4: The HOFSTEIN LED Floor Lamp Byrum illuminating a room with a vibrant color, showcasing its decorative potential.

5.4 Adjustable Lamp Head

The lamp head is designed to be rotatable and swiveling, allowing you to direct the light as needed.

- Gently adjust the lamp head to your desired angle. Do not force the movement beyond its natural range.

Figure 5.5: Detailed view of the lamp's light head, highlighting its modern design and the integrated LED light source.

Figure 5.6: Close-up of the lamp head emitting white light, demonstrating the quality of illumination.

6. Maintenance and Care

To ensure the longevity and optimal performance of your HOFSTEIN LED Floor Lamp Byrum, follow these maintenance guidelines:

- **Cleaning:** Always unplug the lamp before cleaning. Use a soft, dry cloth to wipe down the metal and glass surfaces. Do not use abrasive cleaners, solvents, or harsh chemicals, as these can damage the finish.
- **LED Light Source:** The integrated LED light source is not user-replaceable. Do not attempt to open the lamp head.
- **Storage:** If storing the lamp for an extended period, unplug it and store it in a dry, cool place, preferably in its original packaging to protect it from dust and damage.

7. Troubleshooting

If you encounter any issues with your HOFSTEIN LED Floor Lamp Byrum, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Lamp does not turn on.	No power supply; loose connection; faulty outlet.	Check if the power cable is securely plugged into a working outlet. Test the outlet with another device.
Dimming or color change not working.	Incorrect touch operation; temporary electronic glitch.	Ensure you are using the correct touch gesture (brief touch vs. touch and hold). Unplug the lamp for 30 seconds and plug it back in to reset.
Light flickers or is inconsistent.	Unstable power supply; internal component issue.	Try plugging the lamp into a different outlet. If the problem persists, contact customer support.

If the problem persists after trying these solutions, please contact HOFSTEIN customer support for assistance.

8. Specifications

Feature	Detail
Product Type	LED Floor Lamp
Model Number	H3811108
Brand	HOFSTEIN
Dimensions (Height)	186.5 cm (Adjustable)
