

SIXWIN A7139A3196

SIXWIN Android Car Stereo User Manual

MODEL: A7139A3196

1. Introduction

This user manual provides comprehensive instructions for the installation, operation, and maintenance of your SIXWIN Android Car Stereo, specifically designed for Honda Accord 10th generation vehicles (2018-2022). Please read this manual thoroughly before using the product to ensure proper functionality and safety.

Key Features:

- Android 13 System with 2GB RAM + 64GB ROM
- 10.1-inch Touchscreen Display
- Wireless CarPlay & Android Auto Support
- Mirror Link Functionality (iOS & Android)
- Built-in GPS Navigation (Online & Offline)
- WiFi Connectivity
- Bluetooth Hands-free Calling & Music Streaming
- FM Radio with 18 Preset Stations
- Support for Backup Camera Input
- Steering Wheel Control Compatibility

2. Setup and Installation

The SIXWIN Android Car Stereo is designed for plug-and-play installation in compatible Honda Accord 10th generation models (2018-2022). This unit is intended for vehicles with the navigation (navi) version. If your car is a basic version, please contact customer support with a picture of your car's center console to confirm compatibility.

2.1. What's in the Box

Verify that all components are present in the package:

- SIXWIN Android Car Stereo Unit
- Power Cable
- Installation Tool
- Original USB Cable
- Radio Antenna Switching Cable
- Radio Antenna
- Accessories (Mounting Brackets)
- Canbus Decoder
- Microphone
- Rear Camera
- User Manual
- GPS Antenna
- USB Cable (additional)
- RCA Cable
- Rear Camera Input Cable

3. Operating Instructions

3.1. Wireless CarPlay & Android Auto

Connect your smartphone wirelessly or via USB to access CarPlay or Android Auto features directly on the stereo's display. This allows for seamless integration of navigation, music, calls, and messages.

- **Wireless Apple CarPlay:** Establish a Bluetooth connection between the car stereo and your iPhone. Open the 'Zlink5' app on the car stereo to initiate CarPlay.
- **Wireless Android Auto:** Download the Android Auto app on your phone. Establish a Bluetooth connection between the car stereo and your Android phone. Open the 'Zlink5' app on the car stereo to initiate Android Auto.

3.3. GPS Navigation & WiFi

The stereo features built-in GPS navigation, supporting both online and offline maps. The pre-installed 'Here We Go' app allows you to download offline maps for navigation without an internet connection. Connect to WiFi to download additional apps from the Play Store, such as YouTube, TikTok, and Spotify.

Map Type	Worldwide
Vehicle Service Type	Car (Honda Accord 10th Gen 2018-2022)

5. Maintenance

To ensure the longevity and optimal performance of your SIXWIN Android Car Stereo, follow these maintenance guidelines:

- **Screen Cleaning:** Use a soft, lint-free cloth to gently wipe the touchscreen. For stubborn smudges, slightly dampen the cloth with water or a screen-safe cleaner. Avoid abrasive materials or harsh chemicals.
- **Software Updates:** Periodically check for software updates through the system settings or the manufacturer's website to ensure you have the latest features and bug fixes.
- **Environmental Conditions:** Avoid exposing the unit to extreme temperatures, direct sunlight for prolonged periods, or excessive moisture.
- **Cable Connections:** Ensure all cables are securely connected and not pinched or damaged.

6. Troubleshooting

If you encounter issues with your car stereo, refer to the following common troubleshooting steps:

- **No Power:** Check all power connections and fuses. Ensure the car's ignition is on.
- **No Sound:** Verify volume levels, check speaker connections, and ensure the audio source is correctly selected.
- **Touchscreen Unresponsive:** Try restarting the unit. If the issue persists, a factory reset might be necessary (refer to system settings).
- **GPS Signal Lost:** Ensure the GPS antenna is properly installed and has a clear view of the sky. Check GPS settings in the system.
- **Bluetooth Connectivity Issues:** Ensure Bluetooth is enabled on both the stereo and your phone. Delete previous pairings and try reconnecting.
- **CarPlay/Android Auto Not Connecting:** Verify USB cable integrity (if wired), ensure Bluetooth is on, and check the 'Zlink5' app status. For Android Auto, ensure the app is installed on your phone.
- **Backup Camera Not Displaying:** Check the camera's power and video input connections. Ensure the car is in reverse gear.

For persistent issues not resolved by these steps, please contact customer support.

7. Warranty and Support

7.1. Warranty Information

The SIXWIN Android Car Stereo comes with a **1-year warranty** from the date of purchase. This warranty covers manufacturing defects and malfunctions under normal use. Please retain your proof of purchase for warranty claims.

7.2. Customer Support

For online assistance, technical support, or to request a digital copy of the user manual, please contact us directly:

Email: sixwin_vip@163.com

Our support team is available to provide online help and guidance for any questions or issues you may have regarding your SIXWIN product.
