HOOBRO BF94XJ01

HOOBRO 4-Tier Shoe Rack

MODEL: BF94XJ01

Introduction

Thank you for choosing the HOOBRO 4-Tier Shoe Rack. This manual provides essential information for the proper assembly, operation, and maintenance of your new shoe storage organizer. Please read these instructions carefully before beginning assembly and retain them for future reference.

Tidy Entrance

Keep your entrance clutter-free and organized.

Product Features

- **Retro Style, Solid Build:** This shoe rack features a particleboard top with a rustic brown finish and black PU leather shelves, supported by a sturdy metal frame. The top shelf supports up to 66 lb, and each PU shelf supports up to 22 lb.
- **Super Storage Capacity:** With a 4-tier design, including the top surface, this rack can hold 9-12 pairs of shoes (3 pairs of men's shoes or 4 pairs of women's shoes per tier).
- **Easy to Clean:** The PU leather layers are waterproof and comfortable to touch, allowing for simple daily cleaning with a damp cloth.
- **Secure and Stable:** Includes anti-tip devices for wall attachment to enhance stability. Adjustable feet are provided to ensure stable placement on uneven surfaces.
- **Multi-Purpose Design:** Suitable for various locations such as entryways, bedrooms, walk-in closets, and garages, offering flexible storage solutions.

Assembly Instructions

Please ensure all components are present and undamaged before beginning assembly. A detailed assembly diagram is provided below to guide you through the process.

1. Unpack all parts and lay them out on a clean, soft surface to prevent scratches.
2. Identify all components against the parts list provided in your package.
3. Follow the step-by-step instructions and diagrams included with your product to connect the metal frame pieces.
4. Attach the PU leather shelves to the designated tiers of the frame.
5. Secure the rustic brown particleboard top to the assembled frame.
6. Install the adjustable feet at the bottom of the frame. Adjust them as needed to ensure the rack is level and stable on your floor.
7. For enhanced safety, attach the anti-tip kit to secure the shoe rack to a wall, especially if children or pets are present in the household.

This visual aid simplifies the setup process.

Operating Instructions

The HOOBRO Shoe Rack is designed for straightforward use to organize your footwear and other small items.

- Place shoes directly onto the PU leather shelves. Each tier is designed to hold approximately 3 pairs of men's shoes or 4 pairs of women's shoes.
- Utilize the top particleboard surface for decorative items, keys, small bags, or other entryway essentials.
- Ensure weight is distributed evenly across the shelves to maintain stability. Do not exceed the maximum weight capacity for each shelf or the top surface.

Maintenance

Regular cleaning will help maintain the appearance and longevity of your shoe rack.

- **PU Leather Shelves:** The PU leather surfaces are waterproof and easy to clean. Wipe them with a soft, damp cloth to remove dust or spills. Avoid using harsh chemicals or abrasive cleaners, which can damage the material.
- **Metal Frame:** Clean the metal frame with a soft, dry cloth. For stubborn marks, a slightly damp cloth can be used, followed by immediate drying.
- **Particleboard Top:** Wipe the wooden top with a dry or slightly damp cloth. Avoid prolonged exposure to moisture.
- Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.

Safety Information

To ensure safe use of your HOOBRO Shoe Rack, please observe the following:

- Secure the product against the wall with the included anti-tip kit for more stable use.
- Do not allow children to climb or stand on the product.
- Do not overload the shelves. Adhere to the specified weight limits for each component.
- Place the shoe rack on a level surface to prevent tipping. Use the adjustable feet to compensate for uneven floors.
- Keep small parts and packaging materials away from children during assembly.

Specifications

Feature	Detail
