SunnyFurn PHO_3449P98V-zsws29

SunnyFurn Full Bed Frame with Storage Headboard, Charging Station & LED Lights

Model: PHO_3449P98V-zsws29

Brand: SunnyFurn

1. Introduction

Thank you for choosing the SunnyFurn Full Bed Frame. This bed frame is designed to provide a comfortable and functional sleeping solution, featuring a 2-tier upholstered storage headboard, integrated charging station, and customizable RGB LED lighting. The sturdy construction with wood support slats ensures a noise-free experience and eliminates the need for a box spring. This manual provides detailed instructions for assembly, operation, maintenance, and troubleshooting to ensure safe and optimal use of your new bed frame.

2. Safety Information

- Read all instructions carefully before assembly and use. Keep this manual for future reference.
- Ensure all parts are present and undamaged before beginning assembly. Do not use if any parts are missing or broken.
- Assemble the bed frame on a soft, clean surface to prevent scratches.
- Do not overtighten screws during assembly, as this may damage the material.
- Keep small parts and packaging materials away from children to prevent choking hazards.
- Ensure all electrical connections for the LED lights and charging station are securely plugged in and routed safely to avoid tripping hazards.
- Do not exceed the maximum weight capacity of 800 lbs for the full-size bed frame.
- Unplug the power adapter for the LED lights and charging station before cleaning or performing any maintenance.
- This product is intended for indoor use only.

3. Package Contents

Please verify that all components listed below are included in your package. If any parts are missing or damaged, please contact customer support.

- Headboard (Upholstered with 2-tier storage and integrated charging station)
- Side Rails (Left and Right)

- Footboard
- Center Support Beam
- Wood Slats
- Support Legs
- Hardware Pack (Screws, bolts, washers, Allen wrench)
- RGB LED Light Strip
- LED Remote Control
- Power Adapter for LED lights and Charging Station
- Instruction Manual

4. Setup and Assembly Instructions

Assembly of this bed frame is designed to be straightforward. All components are clearly labeled and packaged. Follow the steps below for a hassle-free setup.

1. **Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out on a clean, soft surface and compare them against the package contents list to ensure everything is present.
2. **Assemble the Side Rails:** Attach the side rails to the headboard and footboard using the provided hardware. Ensure all connections are finger-tight before fully tightening.
3. **Install Center Support:** Secure the center support beam and its legs to the frame. This provides crucial stability.
4. **Attach Wood Slats:** Place the wood slats evenly across the frame. Many slats are designed to snap into place or be secured with screws. Ensure they are firmly seated to provide proper mattress support and prevent noise. The design includes a memory mute sponge bar on the middle beam to prevent friction and squeaking.
5. **Connect Electrical Components:** Locate the pre-installed RGB LED light strip and charging station wiring. Connect the power adapter to the designated port, then plug the adapter into a wall outlet.
6. **Final Tightening:** Once all parts are assembled, go back and securely tighten all screws and bolts. Do not overtighten.

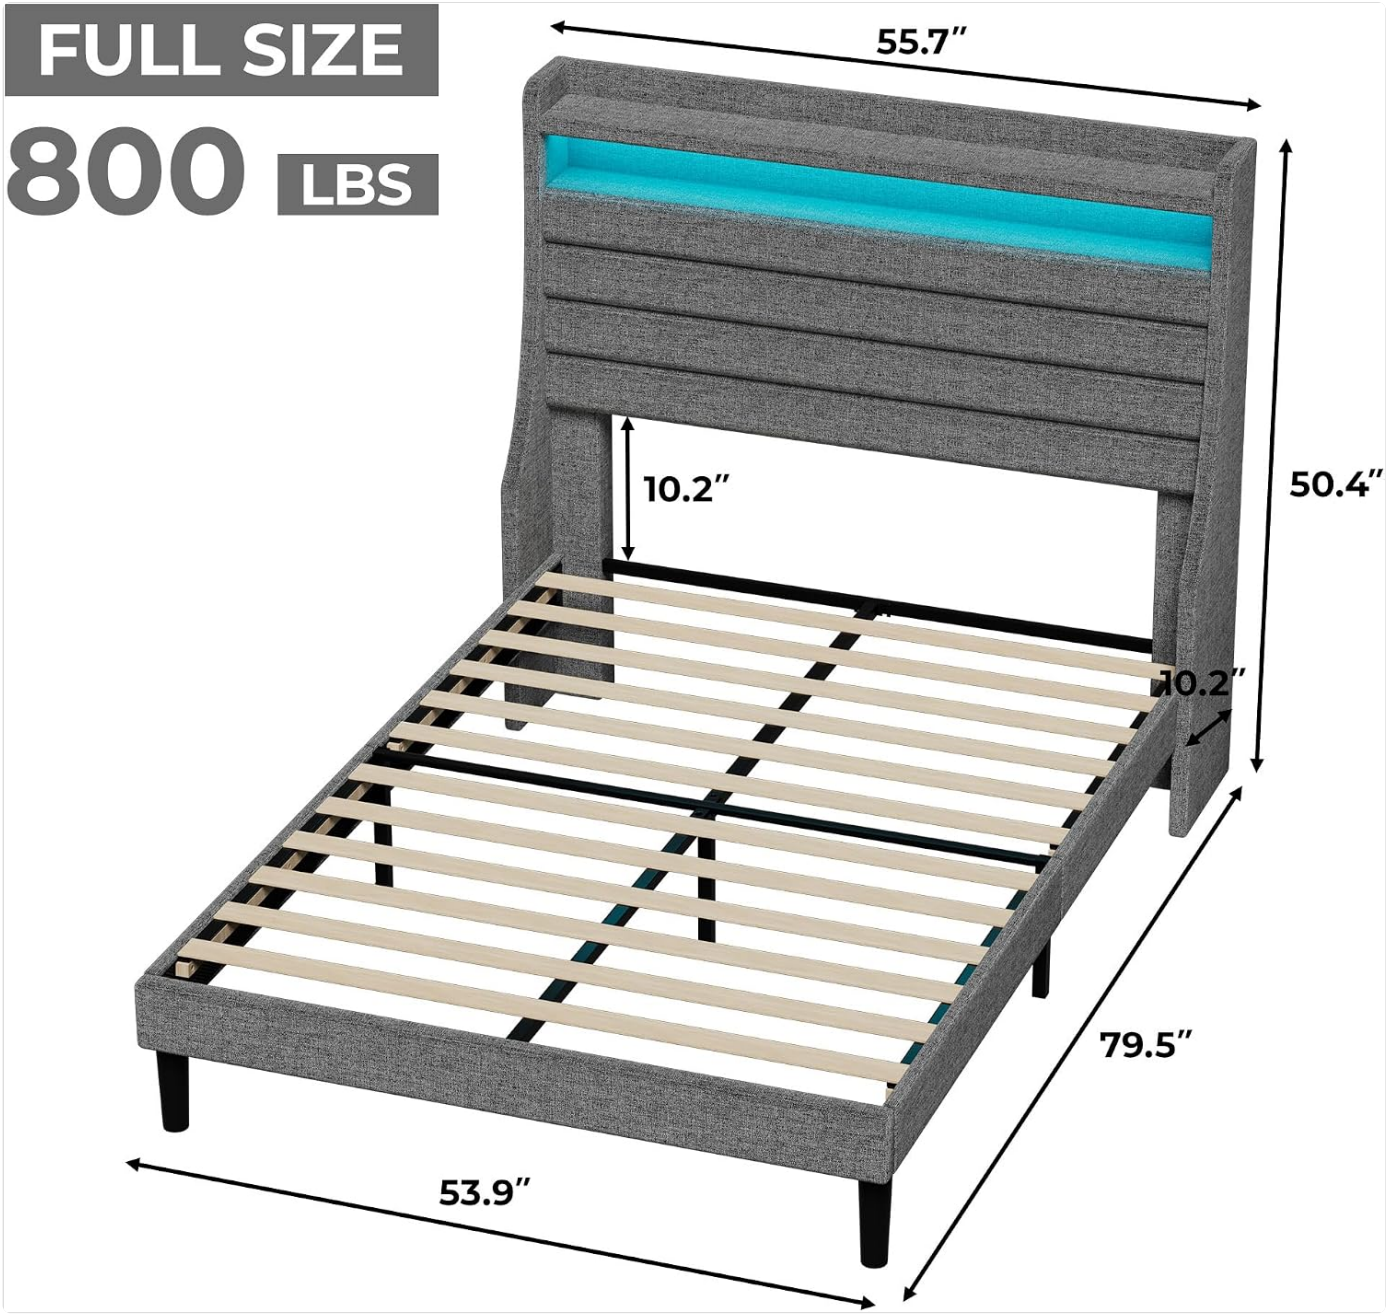

Figure 4.1: Overall dimensions of the SunnyFurn Full Bed Frame. The frame measures 79.5 inches in length, 55.7 inches in width, and 50.4 inches in height. The headboard storage depth is 10.2 inches.

Figure 4.2: Key structural features of the bed frame, illustrating the non-slip design of the legs, the sturdy wood slat structural support, and the ease of assembly.

5. Operating Instructions

5.1 RGB LED Lights

The integrated RGB LED light strip offers a wide range of customization options to enhance your room's ambiance.

- **Remote Control:** Use the provided remote control to power the lights on/off, change colors (over 60,000 options), adjust brightness, select various lighting modes (e.g., flash, fade, strobe), and set timing functions.
- **Mobile App Control:** Download the designated mobile application (refer to the QR code or instructions on the power adapter/packaging for app details) to control the LED lights via your smartphone. The app typically offers more advanced features, including custom color mixing, music synchronization, and scheduling.

Figure 5.1: The bed frame's LED lighting system, highlighting control options such as speed adjustment, RGB color mode selection, mobile app control, and brightness settings.

5.2 Built-in Charging Station

The headboard features a convenient charging station to power your electronic devices.

- **USB Type-C Port:** For fast charging compatible devices.
- **Standard USB Port (5V/2A):** For charging various USB-powered devices.
- **AC Outlets (125V/12A):** Two standard AC outlets for plugging in lamps, alarm clocks, or other small appliances.

To use, simply plug your device's charging cable into the appropriate port or plug your appliance into an AC outlet. Ensure the bed frame's power adapter is connected to a live wall outlet.

Figure 5.2: Detailed view of the practical built-in charging station located on the headboard, featuring a USB Type-C port, a 5V/2A USB port, and two 125V/12A AC outlets for convenient device charging.

6. Maintenance

6.1 Cleaning

- **Upholstered Parts:** For general cleaning, use a soft brush or vacuum cleaner with an upholstery attachment to remove dust and debris. For spills, blot immediately with a clean, dry cloth. For stubborn stains, use a mild fabric cleaner following the product's instructions, testing on an inconspicuous area first.
- **Frame:** Wipe metal and wood surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Electrical Components:** Ensure the power adapter is unplugged before cleaning the charging station or LED lights. Wipe with a dry, soft cloth. Do not use liquid cleaners directly on electrical parts.

6.2 General Care

- Periodically check all screws and bolts to ensure they remain tight. Retighten as necessary to maintain stability and prevent noise.
- Avoid dragging the bed frame when moving it; lift it to prevent damage to the legs and frame structure.
- Do not place excessively heavy items on the headboard shelves.

7. Troubleshooting

Problem	Possible Cause	Solution
Bed frame is noisy/squeaks.	Loose connections; friction between components.	Check and tighten all screws and bolts. Ensure wood slats are properly seated. The integrated memory mute sponge bar should minimize friction.
LED lights are not working.	Power adapter unplugged; remote control battery dead; loose connection to LED strip.	Ensure power adapter is securely plugged into the wall and the bed frame. Replace remote control battery. Check the connection of the LED strip to its power source.
Charging station is not working.	Power adapter unplugged; device not compatible; faulty cable.	Verify the bed frame's power adapter is plugged in. Test with a different device or charging cable. Ensure your device is compatible with the USB port specifications.
Bed frame feels unstable.	Loose connections; uneven floor.	Retighten all assembly hardware. If the floor is uneven, consider placing shims under the bed legs for stability.

8. Specifications

Feature	Detail
Model Number	PHO_3449P98V-zsws29
Brand	SunnyFurn
Size	Full
Product Dimensions (L x W x H)	79.5" x 55.7" x 50.4"
Item Weight	90.87 Pounds
Material	Metal Frame, Particle Board Headboard, Upholstered with Linen Fabric
Headboard Features	2-Tier Storage, Upholstered Backrest
Charging Station	1x USB Type-C, 1x USB (5V/2A), 2x AC Outlets (125V/12A)
LED Lights	RGB, Remote & App Control, Adjustable Brightness, Multiple Modes, Timing Function
Support System	Sturdy Wood Slats, Noise-Free Design (Memory Mute Sponge Bar)
Box Spring Required	No
Under-Bed Storage	Yes
Assembly Required	Yes

9. Warranty and Support

SunnyFurn is committed to providing high-quality products. For information regarding the warranty period and terms for your bed frame, please refer to your purchase documentation or contact the retailer where the product was purchased.
If you encounter any issues not covered in the troubleshooting section or require further assistance, please contact SunnyFurn customer support. Have your model number (PHO_3449P98V-zsws29) and purchase details ready when contacting support.
