## SETUP

1. **Initial Charge:** Before first use, fully charge both grinders. Place them onto the charging base. Connect the USB Type-C cable to the charging base and a suitable USB power adapter (not included). The indicator light on the grinder will show its charging status. Charging typically takes less than 2 hours.
2. **Fill Grinders:**
  - Remove the top cap of the grinder by twisting and pulling it off.
  - Pour your desired spices (e.g., whole peppercorns, coarse sea salt) into the transparent container. Do not overfill; the capacity is 3.7 oz (110ml).
  - Replace the top cap, ensuring it is securely twisted back into place.

*Image: The top-fill design allows for easy refilling of spices into the grinder.*

3. **Adjust Coarseness:** Turn the adjustment knob located at the bottom of each grinder to select your preferred grind size, from fine to coarse.

*Image: The adjustable knob at the base of the grinder allows users to select their desired grind size.*

## OPERATING INSTRUCTIONS

1. **One-Handed Operation:** Simply tilt the grinder downwards over your food. The automatic mechanism will activate, and the LED light will illuminate, dispensing freshly ground spices.
2. **Stop Grinding:** Return the grinder to an upright position to stop the grinding process.

## MAINTENANCE & CLEANING

- **Exterior Cleaning:** Wipe the stainless steel exterior with a soft, damp cloth. Do not use abrasive cleaners or immerse the grinders in water.
- **Grinding Mechanism Cleaning:** Use the provided cleaning brush to remove any residual spice particles from the grinding mechanism.
- **Not Dishwasher Safe:** The grinders and charging base are NOT dishwasher safe.

## TROUBLESHOOTING

---

Problem	Possible Cause	Solution
Grinder not operating.	Low battery or no charge.	Place the grinder on the charging base and ensure it is connected to power. Allow it to charge fully.
Spices not grinding or dispensing.	Grinder is empty or mechanism is clogged.	Refill the grinder with spices. Use the cleaning brush to clear any blockages in the grinding mechanism.
Inconsistent grind size.	Coarseness setting needs adjustment.	Adjust the knob at the bottom of the grinder to your desired coarseness.
