NUUK PT0015-1

NUUK Outdoor Grill Cart (Model PT0015-1) Instruction Manual

Brand: NUUK | Model: PT0015-1

1. INTRODUCTION

Thank you for choosing the NUUK Outdoor Grill Cart. This versatile cart is designed to enhance your outdoor cooking and food preparation experience. With its durable stainless steel tabletop and convenient mobility, it serves as an ideal workstation for various outdoor and indoor activities. Please read this manual thoroughly before assembly and use to ensure safe and optimal performance of your grill cart.

2. SAFETY INFORMATION

WARNING: Failure to follow these safety instructions may result in injury or property damage.

- Do not exceed the weight capacity of **100 pounds** on the tabletop and **50 pounds** on the second layer shelf.
- Use caution when moving the cart on uneven surfaces to prevent tipping.
- Ensure all parts are properly secured before use.
- Do not allow children to play on, with, or around the cart.
- Always place the cart on a stable, level surface during use.
- Keep hands and clothing clear of moving parts, especially during assembly and when moving the cart.

3. PRODUCT FEATURES

The NUUK Outdoor Grill Cart is engineered with user convenience and durability in mind. Key features include:

- **Spacious Tabletop Design:** A sturdy stainless steel table top measuring 32 inches in length and 32 inches in width, providing a 1024 square inch workspace.
- **Impressive Storage:** Double-level shelves offer ample storage. Hooks on both sides of the tabletop allow for convenient hanging of brushes, spatulas, and other grilling tools. A side handle bar can be used for hanging towels.
- **Sturdy Structure:** Constructed with a heavy-duty steel tube frame, ensuring durability and stability. The tabletop supports up to 100 pounds, and the lower shelf supports up to 50 pounds.

- **Convenient Mobility:** Equipped with four 2-inch heavy-duty silent caster wheels and side handles for easy movement between locations.
- **Multi-functional Use:** Suitable for indoor use as a kitchen island or outdoor use as a BBQ grilling table, grill cart, griddle stand, pizza oven stand, food prep station, or potting bench.

4. ASSEMBLY INSTRUCTIONS

Assembly of your NUUK Outdoor Grill Cart is straightforward. Please follow these steps carefully. It is recommended to have a second person assist with assembly.

- 1. Unpack Components:** Carefully remove all parts from the packaging. Verify that all components listed in the package contents (frame parts, shelves, wheels, hardware) are present and undamaged.
- 2. Attach Caster Wheels:** Secure the four 2-inch heavy-duty silicone caster wheels to the bottom of the cart legs. Ensure that the nuts are securely tightened. Two of the wheels typically have locking mechanisms; position these on the same side for easier access.
- 3. Assemble Frame:** Connect the vertical frame supports to the base and top frame sections. Ensure the NUUK logo is correctly oriented on the front of the cart. Do not fully tighten screws until all major components are in place.
- 4. Install Shelves:** Slide the lower shelf into its designated position and secure it with the provided hardware. Then, place the stainless steel tabletop onto the top frame and secure it.

5. **Attach Handles and Hooks:** Secure the side handle bars to the frame. Attach the accessory hooks to the designated points on the side bars.
6. **Final Tightening:** Once all components are in place and aligned, systematically tighten all screws and bolts using the provided tools. Ensure the cart is stable and rigid.

5. OPERATING INSTRUCTIONS

Using your NUUK Outdoor Grill Cart is simple and convenient:

- **Placement:** Position the cart on a flat, stable surface. If using outdoors, consider a sheltered area to protect it from extreme weather conditions when not in use.
- **Loading:** Place your grill, pizza oven, or food preparation items on the stainless steel tabletop. Utilize the lower shelf for additional storage of cooking tools, ingredients, or serving dishes. Remember the weight limits: 100 lbs for the top shelf, 50 lbs for the bottom shelf.
- **Mobility:** To move the cart, unlock the caster wheels (if applicable) and use the side handles to guide it. The 360-degree swivel wheels allow for easy maneuverability. Lock the wheels once the cart is in its desired position to prevent accidental movement.
- **Accessory Hooks:** Hang grilling utensils, towels, or other accessories on the integrated hooks for easy access during cooking.

6. MAINTENANCE

Proper maintenance will extend the life and appearance of your NUUK Outdoor Grill Cart:

- **Cleaning the Stainless Steel Tabletop:** Wipe the stainless steel surface with a soft cloth and a mild detergent or stainless steel cleaner. Avoid abrasive cleaners or scouring pads that can scratch the finish. Dry thoroughly to prevent water spots.
- **Cleaning the Frame and Shelves:** Clean the steel tube frame and lower shelf with a damp cloth and mild soap. Rinse and dry completely.
- **Wheel Maintenance:** Periodically check the caster wheels for debris or hair that may impede movement. Clean as necessary. Ensure the wheel locks (if present) function correctly.
- **Hardware Check:** Regularly inspect all screws and bolts to ensure they remain tight. Tighten any loose hardware to maintain structural integrity.
- **Storage:** When not in use for extended periods, especially during harsh weather, store the cart in a dry, protected area to prevent rust and prolong its lifespan.

7. TROUBLESHOOTING

If you encounter any issues with your NUUK Outdoor Grill Cart, refer to the following common solutions:

- **Cart is Unstable/Wobbly:**
Solution: Check all assembly screws and bolts. Ensure they are fully tightened. Verify that the cart is placed on a level surface.
- **Wheels Not Rolling Smoothly:**
Solution: Inspect wheels for any debris (dirt, hair, etc.) and remove it. Ensure wheel locks are disengaged. Lubricate wheel axles if necessary.
- **Difficulty Assembling Parts:**
Solution: Refer back to the assembly instructions. Ensure you are using the correct hardware for each step. Do not overtighten screws until all components are loosely fitted. If parts do not align, disassemble and re-attempt, ensuring correct orientation of all pieces.
- **Rust Spots on Stainless Steel:**
Solution: While stainless steel is rust-resistant, it is not rust-proof. Clean rust spots immediately with a non-abrasive stainless steel cleaner and a soft cloth. Avoid prolonged exposure to moisture and harsh chemicals.

If problems persist, please contact NUUK customer support for assistance.

8. SPECIFICATIONS

Brand	NUUK
Model Number	PT0015-1
Product Dimensions	32"D x 32"W x 35.4"H
Tabletop Material	Stainless Steel
Frame Material	Metal (Heavy-duty steel tube)
Number of Shelves	2
Tabletop Weight Capacity	100 Pounds
Lower Shelf Weight Capacity	50 Pounds
Item Weight	48 Pounds
UPC	850040657906
