4. SETUP AND ASSEMBLY

The ODK Computer Desk is designed for straightforward assembly. Follow the included step-by-step instructions carefully. It is recommended to have two people for certain assembly steps to ensure stability and ease.

4.1 General Assembly Steps

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Identify each part using the labels provided in the instruction manual.
3. Assemble the metal frame structure first, ensuring all screws are tightened securely.
4. Attach the tabletop to the assembled frame.
5. Assemble the fabric drawers by unfolding them and inserting the base.
6. Insert the assembled drawers into their designated slots.
7. Attach the headphone hook to the desired side of the desk.

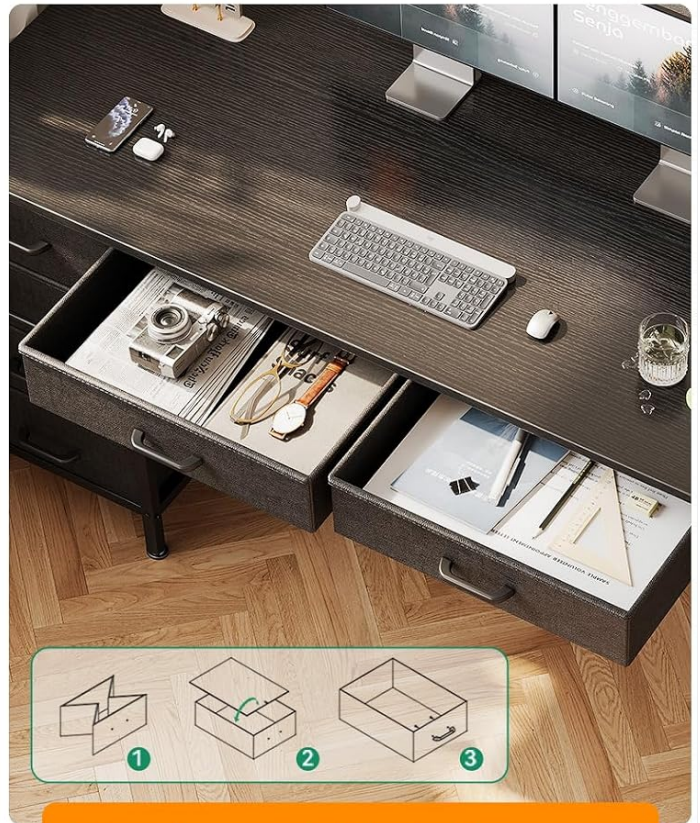

4.2 Reversible Design

The side shelf with four drawers can be installed on either the left or right side of the desk, depending on your preference and room layout. Refer to the manual for specific instructions on reversing the drawer unit during assembly.
