WLIVE ASNG132 Black Tall 6-Drawer Fabric Dresser Instruction Manual

Model: ASNG132

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your WLIVE ASNG132 Black Tall 6-Drawer Fabric Dresser. Please read this manual thoroughly before assembly and use to ensure safe and correct operation.

SAFETY INFORMATION

To prevent injury and damage, please observe the following safety precautions:

- Always assemble the dresser on a soft, clean surface to prevent scratches.
- Ensure all screws and fasteners are securely tightened before use.
- Do not overload drawers. Distribute weight evenly.
- **Important:** Always install the anti-tilt device to secure the dresser to the wall. This prevents accidental tipping, especially in households with children or pets.

Image: Illustration demonstrating the anti-tilt design, showing the dresser securely anchored to a wall compared to an unanchored dresser that has tipped over. This highlights the importance of using the anti-tilt kit.

PACKAGE CONTENTS

Before beginning assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Metal Frame Components (various bars and connectors)
- Wood Top Panel
- Fabric Drawers (6 units)
- Adjustable Feet (4 units)
- Drawer Handles (6 units)
- Anti-tilt Kit (wall anchor, screw)
- Assembly Hardware (screws, Allen wrench)

6 LARGE DRAWERS

KEEP YOUR ITEMS ORGANIZED

Image: A visual representation of the six fabric drawers, highlighting their capacity and how they fit into the dresser frame for organized storage.

SETUP AND ASSEMBLY INSTRUCTIONS

Follow these steps carefully for proper assembly. It is recommended to have two people for assembly.

1. **Assemble the Metal Frame:** Connect the vertical metal posts with the horizontal support bars using the provided screws and Allen wrench. Ensure all connections are secure. The frame includes cross support rods for enhanced stability.
2. **Attach Adjustable Feet:** Screw the four adjustable feet into the bottom of the assembled metal frame. Adjust them to ensure the dresser is level on your floor and to protect the floor from scratches.

FLOOR PROTECTOR

KEEP BALANCE & PROTECT YOUR FLOOR FROM SCRATCHES

Image: Close-up view of the adjustable feet, designed to keep the dresser balanced and protect flooring. The feet can be rotated 360 degrees for precise leveling.

3. **Install the Wood Top:** Place the wood top panel onto the top of the metal frame. Secure it using the designated screws.
4. **Prepare and Insert Fabric Drawers:** Unfold each fabric drawer and insert the bottom panel to create its rigid structure. Attach the handles to the front of each drawer. Slide the assembled drawers into their respective slots in the metal frame.

Image: Diagram illustrating the three-layer construction of the fabric drawers (non-woven fabric, MDF board, inner layer) and the ergonomic curved handle for easy pulling.

5. **Install Anti-Tilt Device:** Position the dresser in its desired location. Using the provided anti-tilt kit, secure the dresser to the wall according to the instructions included with the kit. This is a critical safety step.

OPERATING INSTRUCTIONS

The WLIVE ASNG132 dresser is designed for convenient storage in various rooms.

- **Drawer Use:** Gently pull the curved handles to open drawers. Push firmly to close. The smooth slide track ensures easy operation.
- **Top Surface:** The wood top provides a stable surface for displaying decorative items, lamps, or other small objects. Avoid placing excessively heavy items on the top.
- **Storage Capacity:** The six fabric drawers offer ample space for organizing clothing, accessories, and other household items. Refer to the specifications for individual drawer capacity.

MAINTENANCE

Proper care will extend the life of your dresser.

- **Cleaning the Frame and Wood Top:** Wipe with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Cleaning Fabric Drawers:** Spot clean with a mild detergent and a damp cloth. Allow to air dry completely. Do not machine wash or tumble dry.
- **Regular Checks:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary.

TROUBLESHOOTING

If you encounter any issues, refer to the following common solutions:

- **Dresser is Wobbly:**
 - Ensure all frame screws are tightened.

- Adjust the leveling feet at the bottom of the dresser to stabilize it on uneven floors.
- **Drawers are Difficult to Open/Close:**
 - Check if drawers are properly assembled and the bottom panel is fully inserted.
 - Ensure drawers are not overloaded.
 - Verify that the metal frame is not bent or obstructed.
- **Missing Parts:** If you find any parts missing upon unboxing, please contact WLIVE customer support immediately.

SPECIFICATIONS

Feature	Detail
