8. Maintenance

To ensure the longevity and optimal performance of your Samsung QLED TV, follow these maintenance guidelines:

- **Cleaning the Screen:** Gently wipe the screen with a soft, dry microfiber cloth. For stubborn smudges, lightly dampen the cloth with water or a screen-specific cleaning solution (never spray directly onto the screen).
- **Cleaning the Frame:** Use a soft, dry cloth to clean the TV frame and stand. Avoid abrasive cleaners.
- **Ventilation:** Ensure the TV's ventilation openings are not blocked to prevent overheating. Maintain adequate space around the TV for airflow.
- **Software Updates:** Regularly check for and install software updates to ensure your TV has the latest features and security enhancements. This can usually be done through the TV's settings menu.
- **Power Management:** Unplug the TV from the power outlet during lightning storms or when it will be left unattended for long periods.

9. Troubleshooting

If you encounter issues with your TV, refer to the following common troubleshooting tips:

- **No Power:** Check if the power cable is securely connected to both the TV and the wall outlet. Test the

outlet with another device.

- **No Picture/Sound:** Verify that the correct input source is selected. Check all cable connections (HDMI, optical, etc.) for looseness or damage.
- **Poor Picture Quality:** Adjust picture settings (brightness, contrast, sharpness, color) in the TV menu. Ensure the content source is high-quality (e.g., 4K content for 4K display).
- **Remote Control Not Working:** Check the remote's battery level (if applicable, for solar-powered remotes, ensure it's charged). Point the remote directly at the TV's sensor.
- **Internet Connectivity Issues:** Restart your router and modem. Reconnect the TV to your Wi-Fi network or check the Ethernet cable connection.
- **Smart Features Not Responding:** Restart the TV by unplugging it for a few minutes and then plugging it back in. Ensure the TV's software is up to date.

For more detailed troubleshooting or persistent issues, consult the full digital manual available via the TV's Smart Hub or contact Samsung customer support.

10. Warranty and Support

Your Samsung 75-Inch Class QLED Q8F 4K UHD Smart TV (2025 Model) is covered by a manufacturer's warranty. Please refer to the warranty card included with your product for specific terms and conditions.

For technical support, service, or warranty claims, please contact Samsung Customer Service through their official website or the contact information provided in your warranty documentation. Online resources, including FAQs and digital manuals, are also available on the Samsung support website.
