Generic Adjustable Car Drink Holder Expander User Manual

INTRODUCTION

Thank you for choosing the Generic Adjustable Car Drink Holder Expander. This product is designed to provide a secure and versatile solution for holding various beverages and items in your vehicle's cup holder. Its adjustable features accommodate different sizes of cups, bottles, and even food containers, enhancing convenience and preventing spills during travel. Please read this manual carefully before installation and use to ensure proper operation and longevity of the product.

PRODUCT FEATURES

- **Adjustable Base:** The base can be rotated to securely fit into various car cup holder sizes.
- **Expandable Top Holder:** The upper cup holder expands to accommodate larger cups, bottles, or food containers.
- **Non-Slip Design:** Features anti-slip side silicone pads to keep items stable.
- **Multi-functional:** Suitable for water cups, coffee cups, cell phones, and even instant noodle containers.
- **Durable Material:** Constructed from Acrylonitrile Butadiene Styrene (ABS) for long-lasting use.

Car cup holder

Large diameter opening, can hold large cups with handles
Can hold cups/instant noodles/family buckets

INSTALLATION GUIDE

Follow these steps to properly install your Adjustable Car Drink Holder Expander:

Easy to install

Turn the wheel

Install the car cup holder holder and fix it

Rotate the cup holder on the top

Turn the wheel to open the cup holder

Enjoy it

Image: Visual guide showing five steps for installing the car cup holder expander.

1. Step 1: Adjust the Base

Locate the rotating wheel at the base of the cup holder expander. Turn this wheel to adjust the diameter of the base until it fits snugly into your vehicle's existing round cup holder.

2. Step 2: Secure in Place

Once the base is adjusted, firmly insert the cup holder expander into your car's cup holder. Ensure it is stable and does not wobble.

3. Step 3: Rotate the Top Holder

The upper cup holder section can be rotated independently. Adjust its orientation as needed for optimal access and positioning.

4. Step 4: Expand the Top Holder

To accommodate larger items, turn the wheel on the top section of the cup holder. This will expand the gripping arms, allowing you to place wider cups, bottles, or food containers.

5. Step 5: Enjoy

Your Adjustable Car Drink Holder Expander is now ready for use. Place your beverages and items securely.

The Adjustable Car Drink Holder Expander is designed for ease of use. Its primary function is to provide stable storage for various items in your vehicle.

- **Securing Items:** Place your cup, bottle, or container into the upper holder. If the item is large, rotate the top wheel to expand the gripping arms for a secure fit. The anti-slip pads will help prevent movement.
- **Access and Rotation:** The upper section can be rotated 360 degrees, allowing you to position your items for easy access without obstructing other controls or passengers.
- **Base Stability:** The adjustable base ensures the entire unit remains stable in your car's original cup holder, minimizing spills.

MAINTENANCE

To ensure your Adjustable Car Drink Holder Expander remains in good condition, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the surface with a damp cloth and mild soap if necessary. Avoid using harsh chemicals or abrasive cleaners, as these can damage the ABS material and silicone pads.
- **Drying:** Ensure the product is completely dry before re-installing it in your vehicle.
- **Inspection:** Periodically check the adjustable mechanisms and anti-slip pads for any signs of wear or damage.

TROUBLESHOOTING

If you encounter any issues with your car drink holder expander, refer to the following common problems and solutions:

- Problem: The cup holder is not stable in my car's cup holder.**
Solution: Ensure the rotating wheel at the base is fully tightened to expand the base to the maximum possible diameter that fits your car's cup holder. The base should fit snugly without excessive force.
- Problem: My cup/bottle is not held securely in the top holder.**
Solution: Rotate the wheel on the top section to expand the gripping arms until they firmly hold your item. Make sure the item is centered.
- Problem: The rotating mechanism feels stiff.**
Solution: Clean any debris or spills that might be obstructing the mechanism. A small amount of silicone spray (avoiding contact with anti-slip pads) can be used if necessary, but generally, cleaning should suffice.

SPECIFICATIONS

Attribute	Value
Model Number	USBEHGZLWG6NH4L5
Material	Acrylonitrile Butadiene Styrene (ABS)
Product Dimensions (L x W x H)	26.8L x 12W x 1H centimetres (approx. 10.55 x 4.72 x 0.39 inches)
Weight	Approximately 600g (1.32 lbs)
