INFANS BC10265

INFANS Over Bed Bassinet Instruction Manual

Model: BC10265

INTRODUCTION

The INFANS Over Bed Bassinet is designed to provide a safe and comfortable sleeping environment for your baby, functioning as a standalone crib, bedside sleeper, and over-bed sleeper. Its adjustable features and thoughtful design aim to enhance convenience for parents while ensuring the baby's safety and comfort. This manual provides essential information for proper assembly, operation, and maintenance of your bassinet.

Key features include a lowering wall for easy access, adjustable heights and lengths to fit various adult beds, a comfortable mattress, and breathable mesh sides for visibility and air circulation. The bassinet also includes convenient storage pockets for baby essentials.

SETUP AND ASSEMBLY

Follow these steps carefully to assemble your INFANS Over Bed Bassinet. Ensure all parts are present before beginning assembly.

Parts List

5 Adjustable Heights

Suitable for most adult bed and sofa heights

Step-by-Step Assembly Instructions

- 1. Assemble the Base Legs:** Connect the leg extensions (F) to the curved base pieces (D and E) by pressing the spring buttons and sliding them into place until they click securely. Repeat for both sides.
- 2. Attach Vertical Supports:** Insert the vertical support poles (G and H) into the assembled base legs. Ensure the height adjustment buttons are facing outwards.
- 3. Connect Crossbars and Storage Bag:** Slide the storage bag (K) onto the lower crossbars (I and J). Then, connect these crossbars between the two vertical support structures. Secure the storage bag using its fasteners.

4. **Install the Bassinet Frame:** Carefully place the main bassinet frame (A) onto the top of the vertical support poles. Ensure the frame slots securely onto the pins at the top of the poles.
5. **Adjust Height:** Press the height adjustment buttons on the vertical poles to set the desired height. There are multiple height settings to match your bed or sofa.
6. **Insert Mattress:** Place the provided mattress (C) into the bassinet frame.
7. **Secure to Adult Bed (Optional):** If using as a bedside sleeper, use the provided fixed strap (B) to secure the bassinet to your adult bed. Pass the strap under your mattress and connect it to the bassinet frame, ensuring a snug fit.

L-Shape Support Structure

Figure 2: The L-shape design allows the bassinet to be positioned closer to the adult bed, enhancing co-sleeping safety and convenience. The retractable legs can be adjusted to fit various bed frames.

Securing to Adult Bed

Baby Bassinet

Can be installed next to the big bed for better baby cares

OPERATING INSTRUCTIONS

Adjustable Height Settings

The bassinet features 5 adjustable height settings to align with most adult beds and sofas. To adjust the height, press the buttons on the vertical support poles and slide the bassinet frame up or down to the desired position until it clicks into place. Ensure both sides are adjusted to the same height for stability.

Figure 4: Visual representation of the five adjustable height levels, allowing customization to match various bed heights.

Lowering Wall for Easy Access

The bassinet includes a lowering wall feature, allowing quick and easy access to your baby without excessive bending. This is particularly beneficial for breastfeeding mothers or those recovering from a C-section. To lower the wall, locate the release mechanism on the side and follow the instructions to safely disengage and lower it. Always ensure the wall is securely raised and locked when not actively accessing the baby.

Lowering Wall for Quick Access without Bending Over

Figure 5: The lowered side wall provides convenient access to the baby, reducing strain for parents.

Breathable Mesh Sides

The bassinet features full mesh sides, promoting optimal air circulation and allowing parents to easily observe their baby. This design enhances safety and comfort for the infant.

Product Dimension

Suitable Age: 0-6 Months

Weight Capacity: 66 Lbs

Figure 6: The transparent mesh sides ensure constant visibility of the baby and promote healthy airflow.

Convenient Storage Pockets

Mesh storage pockets are integrated underneath the bassinet, providing a practical space to keep baby essentials such as diapers, wipes, or small toys within easy reach.

Supportive & Comfortable Mattress

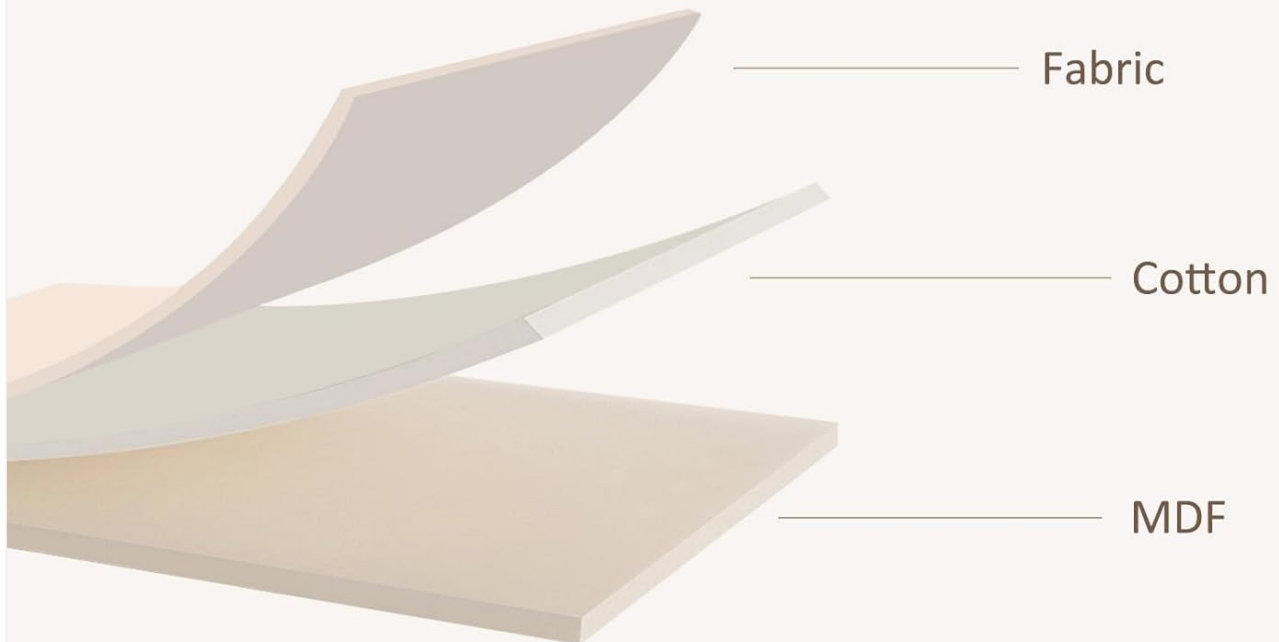

Figure 7: Mesh pockets offer accessible storage for frequently used baby items.

Supportive Mattress

The bassinet includes a soft and supportive mattress designed for infant comfort. Its unique thickened design provides better protection for the baby's spine.

MAINTENANCE AND CARE

Proper maintenance ensures the longevity and safety of your bassinet.

- **Cleaning:** The product care instructions specify **Hand Wash Only** for fabric components. Use mild soap and cold water. Do not use harsh detergents or bleach.
- **Frame Cleaning:** Wipe the metal frame with a damp cloth and mild soap. Dry thoroughly.
- **Regular Inspection:** Periodically check all screws, fasteners, and connections to ensure they are tight and secure. Inspect the mesh fabric for any tears or damage.
- **Storage:** If storing the bassinet for an extended period, ensure it is clean and dry. Store in a cool, dry place away from direct sunlight.

TROUBLESHOOTING

If you encounter any issues with your INFANS Over Bed Bassinet, please review the following common concerns:

- **Bassinet feels unstable:** Ensure all assembly steps have been followed correctly and all connections are securely fastened. Verify that the height adjustment pins are fully engaged on both sides. If used as a bedside sleeper, ensure the fixed strap is tightly secured to the adult bed.
- **Difficulty adjusting height or lowering wall:** Check for any obstructions or debris in the adjustment mechanisms. Ensure buttons are fully pressed when attempting to adjust. Do not force components.
- **Mattress seems thin:** The provided mattress is designed to be firm and supportive for infant safety. If you have concerns about comfort, ensure it is correctly placed and consider consulting with a pediatrician regarding appropriate infant sleep surfaces.

For issues not covered here, please contact INFANS customer support.

PRODUCT SPECIFICATIONS

Feature	Detail
Brand	INFANS
Model Number	BC10265
Color	White
Material	Metal, Fabric, Mesh
Overall Dimension	37"L x 28"/31.5"W x 37"-42"H (Adjustable)
Mattress Dimension	31"L x 18"W
