Horavie Reusable K-Pod Holder

Horavie Reusable K-Pod Holder Instruction Manual

For Horavie K1100, KC201, and KC221 Coffee Makers

INTRODUCTION

This manual provides instructions for the proper use and maintenance of your Horavie Reusable K-Pod Holder. Please read this manual thoroughly before first use to ensure optimal performance and longevity of the product. This accessory is designed to be used with compatible Horavie coffee makers.

PRODUCT OVERVIEW

The Horavie Reusable K-Pod Holder is an accessory designed to allow you to use your own ground coffee in compatible Horavie single-serve coffee makers. It is constructed from durable, 100% BPA-free plastic, ensuring safety and reliability for your daily coffee brewing.

Figure 1: The Horavie Reusable K-Pod Holder. This image displays the cylindrical, black plastic holder designed for ground coffee.

Key Features:

- **Material:** High-quality, durable plastic.
- **Safety:** 100% BPA-free for safe coffee brewing.
- **Compatibility:** Specifically designed for Horavie K1100, KC201, and KC221 coffee machines.

COMPATIBILITY

This reusable K-Pod holder is exclusively compatible with the following Horavie coffee machine models:

- Horavie K1100
- Horavie KC201
- Horavie KC221

Please ensure your coffee maker model matches one of the listed models for proper fit and function.

SETUP

Follow these steps to prepare your reusable K-Pod holder for brewing:

1. **Open the Holder:** Gently twist or lift the lid of the reusable K-Pod holder to open it.
2. **Fill with Coffee Grounds:** Fill the holder with your desired amount of ground coffee. Do not overfill; leave a small gap from the top to prevent clogging. A medium grind is generally recommended for optimal extraction.
3. **Close the Holder:** Securely close the lid of the holder. Ensure it is properly sealed to prevent grounds from escaping during brewing.

Figure 2: The reusable K-Pod holder shown alongside standard disposable K-cups, illustrating its purpose as an alternative for ground coffee.

OPERATING INSTRUCTIONS

Once the reusable K-Pod holder is filled, follow these steps to brew coffee:

1. **Insert into Coffee Maker:** Open the brew chamber of your compatible Horavie coffee maker. Place the filled reusable K-Pod holder into the brew chamber, ensuring it sits correctly.
2. **Close Brew Chamber:** Close the brew chamber lid firmly. The coffee maker may require a slight push to puncture the holder's lid.
3. **Select Brew Size:** Place your coffee mug on the drip tray and select your desired brew size on your coffee maker.
4. **Start Brewing:** Press the brew button to begin the coffee brewing process.
5. **Remove After Brewing:** Once brewing is complete, carefully open the brew chamber and remove

the hot reusable K-Pod holder. Dispose of the used coffee grounds.

Figure 3: A Horavie coffee maker brewing coffee into a red mug, with the reusable K-Pod holder and ground coffee visible, demonstrating the product in use.

CLEANING AND MAINTENANCE

Regular cleaning ensures the best coffee taste and extends the life of your reusable K-Pod holder.

- **After Each Use:** After each brewing cycle, remove the used coffee grounds. Rinse the holder thoroughly under warm running water.
- **Deep Cleaning:** Periodically, wash the holder with mild dish soap and warm water. Use a small brush to clean the mesh filter and any crevices to remove coffee residue.
- **Drying:** Allow the holder to air dry completely before storing or reusing.
- **Storage:** Store the clean and dry holder in a cool, dry place.

Do not use abrasive cleaners or scouring pads, as these can damage the holder.

TROUBLESHOOTING

| Problem | Possible Cause | Solution |
|--------------------------------------|---|---|
| Coffee tastes weak or watery. | Insufficient coffee grounds, coarse grind, or too much water. | Increase coffee grounds, use a finer grind, or select a smaller brew size. |
| Coffee grounds in cup. | Holder not closed properly, overfilled, or fine grind. | Ensure lid is sealed, do not overfill, or try a slightly coarser grind. |
| Holder does not fit in coffee maker. | Incompatible coffee maker model. | Verify your coffee maker is one of the compatible Horavie models (K1100, KC201, KC221). |
