LinkTech M405

Linktech M405 Premium Extra Bass Bluetooth Speaker with Microphone User Manual

Model: M405 | Brand: LinkTech

INTRODUCTION

Thank you for purchasing the Linktech M405 Premium Extra Bass Bluetooth Speaker with Microphone. This manual provides essential information for the safe and efficient use of your device. Please read this manual thoroughly before operating the speaker and retain it for future reference.

PACKAGE CONTENTS

- Linktech M405 Bluetooth Speaker
- Microphone
- Remote Control
- Power Adapter/Charging Cable
- User Manual (This document)

PRODUCT OVERVIEW

Familiarize yourself with the components of your Linktech M405 speaker system.

Figure 1: Linktech M405 Bluetooth Speaker mounted on its stand, showcasing its full setup for optimal sound projection. The speaker features a distinctive circular LED light pattern on its front grille.

Figure 2: The Linktech M405 Bluetooth Speaker accompanied by its wireless microphone and remote control, highlighting the complete accessory package for versatile use.

Figure 3: A close-up front view of the Linktech M405 Bluetooth Speaker, emphasizing the speaker grille and the central Linktech logo with its vibrant, multi-colored LED ring illumination.

SETUP GUIDE

1. Unpacking and Placement

1. Carefully remove all components from the packaging.

2. Place the speaker on a stable, flat surface or securely mount it on the provided stand. Ensure adequate ventilation around the speaker.

2. Power Connection

- Connect the power adapter to the speaker's power input port.
- Plug the power adapter into a suitable wall outlet.
- Press the power button to turn on the speaker. An indicator light will illuminate.

3. Initial Charge

For optimal battery life, fully charge the speaker before its first use. The charging indicator will change once fully charged.

OPERATING INSTRUCTIONS

Bluetooth Pairing

1. Ensure the speaker is powered on.
2. Activate Bluetooth on your mobile device (smartphone, tablet, etc.).
3. Search for available Bluetooth devices. The speaker will appear as "Linktech M405".
4. Select "Linktech M405" to pair. A confirmation sound will indicate successful pairing.
5. Once paired, you can play audio from your device through the speaker.

Using the Microphone

- Turn on the microphone (if it has a separate power switch).
- Ensure the microphone is connected to the speaker (either wirelessly or via cable, depending on the microphone type).
- Adjust the microphone volume using the dedicated controls on the speaker or remote control.

Remote Control Functions

The remote control allows for convenient operation from a distance. Common functions include:

- Power On/Off
- Volume Up/Down
- Play/Pause
- Next/Previous Track
- Mode Selection (Bluetooth, AUX, USB, etc. - if applicable)
- Microphone Volume Control

LED Light Modes

The Linktech M405 features dynamic LED lighting. Use the dedicated button on the speaker or remote control to cycle through different light modes or turn them off.

MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to clean the speaker's exterior. Do not use abrasive cleaners, waxes, or solvents.
- **Storage:** When not in use for extended periods, store the speaker in a cool, dry place, away from direct sunlight and extreme temperatures.
- **Battery Care:** To prolong battery life, avoid fully discharging the battery frequently. Recharge the speaker regularly, even if not in use.
- **Water Exposure:** This speaker is not waterproof. Avoid exposure to water or excessive moisture.

TROUBLESHOOTING

Problem	Possible Solution
Speaker does not turn on.	<ul style="list-style-type: none"> • Ensure the power adapter is securely connected and plugged into a working outlet. • Check if the battery is charged. Connect to power and try again.
Cannot pair via Bluetooth.	<ul style="list-style-type: none"> • Ensure the speaker is in Bluetooth pairing mode. • Make sure Bluetooth is enabled on your device. • Move your device closer to the speaker. • Forget "Linktech M405" from your device's Bluetooth list and try pairing again. • Restart both the speaker and your Bluetooth device.
No sound or low volume.	<ul style="list-style-type: none"> • Increase the volume on both the speaker and your connected device. • Ensure the correct input mode (e.g., Bluetooth, AUX) is selected. • Check if the audio cable (if using AUX) is properly connected.
Microphone not working.	<ul style="list-style-type: none"> • Ensure the microphone is powered on and properly connected to the speaker. • Adjust the microphone volume on the speaker or remote. • Check the microphone's battery (if wireless).
