2. SAFETY INFORMATION

To ensure safe use and prevent damage, please observe the following safety precautions:

- Always unplug the vanity desk from the power outlet before performing any assembly, cleaning, or maintenance.
- Exercise caution during assembly to avoid sharp edges and potential pinch points.
- Do not place excessively heavy objects on the glass tabletop to prevent breakage or damage.
- Keep the vanity desk away from direct heat sources, open flames, or flammable materials to prevent fire hazards.
- Supervise children when they are near the vanity desk to prevent accidents.
- Ensure all electrical connections are secure and comply with local electrical codes.

4. ASSEMBLY INSTRUCTIONS

Assembly of the FUSOU 13-Drawer Vanity Desk requires careful attention to the provided step-by-step guide.

It is recommended to have two people for assembly, and to set aside several hours for completion.

4.1 Before You Begin

- Clear a spacious, clean, and well-lit area for assembly.
- Unpack all components and verify against the package contents list.
- Gather necessary tools (e.g., screwdriver, hammer). An electric drill can expedite the process but use a low torque setting to avoid stripping screws or damaging wood.
- Keep children and pets away from the assembly area.

4.2 General Assembly Steps

1. Follow the detailed installation instructions provided in your package. Each step is illustrated with diagrams.
2. Assemble the main desk frame first, ensuring all connections are secure.
3. Install the drawer slides onto the desk frame.
4. Assemble each of the 13 drawers, attaching the crystal knobs.
5. Carefully place the glass tabletop into its designated slot.
6. Mount the mirror unit onto the desk, ensuring it is stable and securely fastened.
7. Install the power outlet unit and hair dryer stand on the side of the desk.
8. Assemble the vanity stool.

For specific, detailed steps, refer to the instruction manual included in your product packaging.

5. OPERATING INSTRUCTIONS

5.1 LED Mirror Lighting

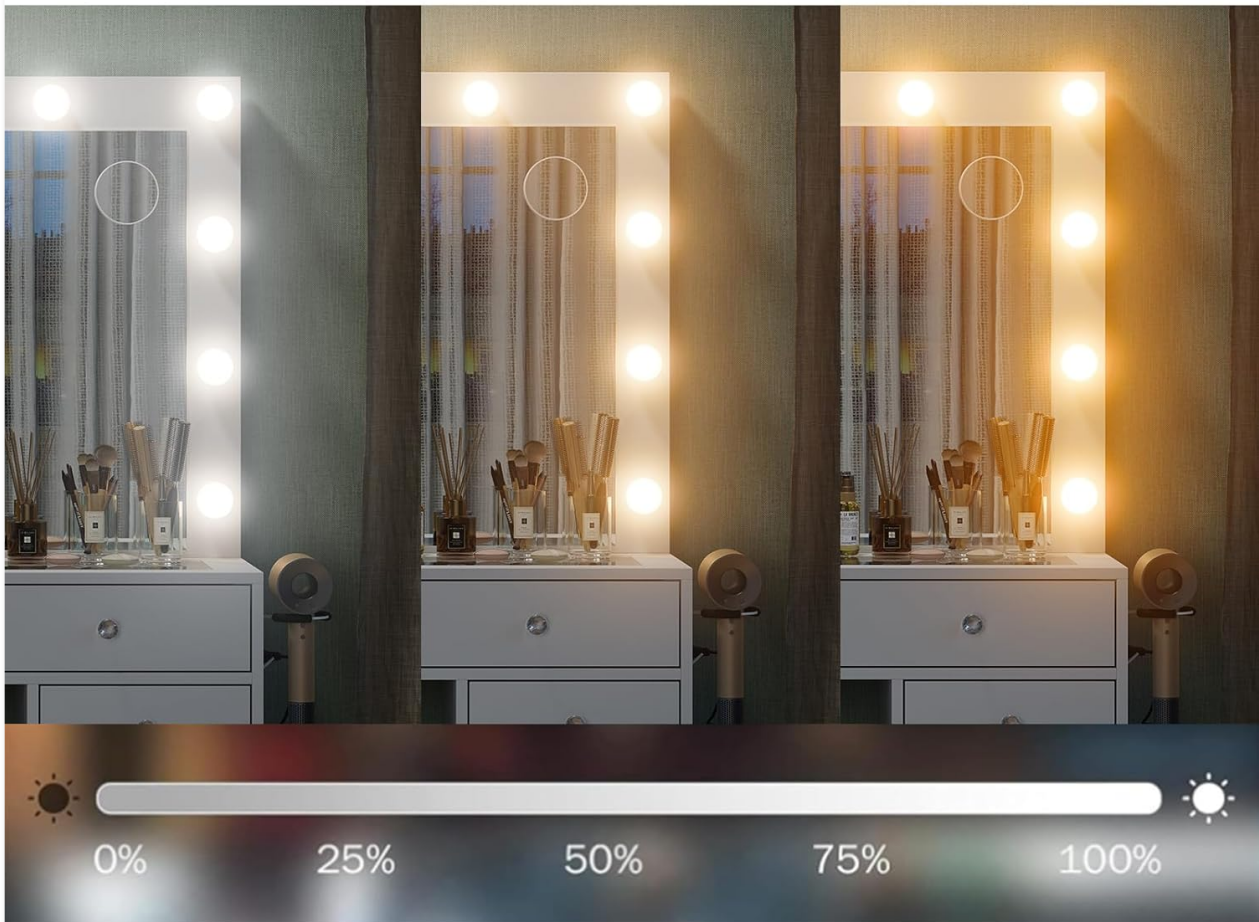

The vanity mirror features 12 Hollywood-style LED bulbs with three adjustable lighting modes:

- **Cold Light:** Bright, white light suitable for detailed makeup application.
- **Natural Light:** Mimics natural daylight, ideal for everyday makeup.
- **Warm Light:** Soft, yellow-toned light for evening looks or a relaxed ambiance.

To operate the lighting:

1. **Turn On/Off:** Press the touch switch on the mirror surface once to turn the lights on or off.
2. **Change Color Mode:** With the lights on, short press the touch switch repeatedly to cycle through Cold, Natural, and Warm light modes.
3. **Adjust Brightness:** With the lights on, long press the touch switch to continuously adjust the brightness level for the selected color mode. Release when the desired brightness is achieved.

6. MAINTENANCE

Regular maintenance will help preserve the appearance and functionality of your vanity desk.

- **Cleaning the Surface:** Wipe the desk surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Cleaning the Glass:** Use a glass cleaner and a microfiber cloth for the mirror and glass tabletop to prevent streaks.
- **LED Bulbs:** The LED bulbs are designed for long life. If a bulb needs replacement, consult the manufacturer for compatible replacements.
- **Drawer Slides:** Periodically check drawer slides for smooth operation. If they become stiff, a small amount of silicone lubricant can be applied.
- **Electrical Components:** Ensure the power cord and outlet unit are free from damage. Do not attempt to repair electrical components yourself.

7. TROUBLESHOOTING

If you encounter issues with your vanity desk, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
LED lights not turning on.	Power cord unplugged; faulty connection; bulb issue.	Ensure the vanity is plugged into a working outlet. Check all electrical connections. If individual bulbs are replaceable, check them.
Power outlets/USB ports not working.	Vanity not powered; circuit overload.	Verify the vanity is plugged in. Ensure the total power draw of connected devices does not exceed the unit's capacity.
Drawers are stiff or not closing smoothly.	Misaligned slides; debris in slides; overtightened screws.	Check drawer slide alignment. Clean any debris. Loosen screws slightly if overtightened.
Glass tabletop appears loose.	Improper installation; securing clips not engaged.	Refer to assembly instructions to ensure the glass is correctly seated and secured.

If you experience a problem not listed here or require further assistance, please contact FUSOU customer support.
