4. Assembly Instructions

The Umadiya Architect Series 3-in-1 Building Blocks Set (Model 3108) includes a detailed manual with step-by-step instructions for constructing the three primary models. Please refer to the physical manual provided in your package for specific build sequences.

4.1 General Assembly Tips:

- **Organize Pieces:** Before starting, sort the bricks by color and shape to easily locate them during assembly.
- **Follow Steps:** Adhere strictly to the numbered steps in the instruction manual. Each step builds upon the previous one.
- **Secure Connections:** Ensure each brick is firmly pressed into place to create a stable structure.
- **Patience:** Building can take time. Encourage a calm and focused approach.

4.2 Model 1: Race Car

Construct the sleek race car model for high-speed adventures. Refer to the dedicated section in your included manual for detailed steps.

6. Maintenance

- **Cleaning:** To clean the blocks, wipe them with a damp cloth and mild soap. Rinse thoroughly and air dry. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the blocks in their original packaging or a dedicated container to prevent loss and damage. Keep them away from direct sunlight and extreme temperatures.
- **Inspection:** Periodically inspect all pieces for any signs of wear or damage. Discard any broken or cracked pieces to ensure safety.

7. Troubleshooting

- **Missing Pieces:** If you find any pieces missing upon opening the package, please contact Umadiya customer support with your purchase details.
- **Difficulty Assembling:** If you encounter difficulty following the instructions, double-check that you are using the correct pieces for each step. Ensure pieces are fully connected.
- **Additional Models:** This set's included manual provides instructions for the three main models. If you are seeking instructions for additional models that may be advertised elsewhere, please note that these may not be included with this specific Model 3108 set. Contact customer support for clarification if needed.
