RedLemon ELD75LS-DWT

RedLemon L-Shaped Electric Standing Desk User Manual

Model: ELD75LS-DWT

INTRODUCTION

This manual provides essential instructions for the assembly, operation, maintenance, and troubleshooting of your RedLemon L-Shaped Electric Standing Desk. Please read this manual thoroughly before assembly and use to ensure safe and optimal performance.

Important Safety Information:

- Ensure proper anchoring to a wall to prevent tipping.
- Do not exceed the weight limit of 300 pounds.
- Use caution when adjusting the height to avoid injury.

SETUP AND ASSEMBLY

The RedLemon L-Shaped Electric Standing Desk is designed for straightforward assembly. It is recommended to have two people for assembly due to the size and weight of components. Follow the included assembly instructions precisely.

Unpacking and Component Check

Carefully unpack all components. Verify that all parts listed in the assembly guide are present and undamaged. The product is shipped in sturdy boxes with protective foam and wooden panels.

Assembly Process

1. Refer to the detailed step-by-step guide provided with your desk for specific assembly instructions.
2. Use the provided Allen wrench or a ratchet screwdriver with appropriate bits for easier assembly.
3. Ensure all screws are securely fastened, but do not overtighten.
4. Install the electric lifting mechanism according to the instructions, ensuring all cables are properly connected and routed.
5. Attach the keyboard tray and drawers as specified in the manual.
6. Anchor the desk to a wall if required for stability, especially in households with children or pets.

OPERATING INSTRUCTIONS

Height Adjustment

The desk features an electric lifting mechanism for height adjustment. The height can be adjusted from 28 inches to 46 inches.

- Use the up/down buttons on the control panel to manually adjust the desk height.
- The desk has 4 memory presets. To save a height, adjust the desk to the desired position, then press and hold one of the memory buttons (e.g., M1, M2, M3, M4) until the display confirms the setting is saved.
- To recall a saved height, simply press the corresponding memory button.

LED Lighting System

The desk includes an RGB LED lighting system with 12 scene modes.

- Use the wireless remote controller to switch between colors and scene modes.
- Adjust brightness and dynamic effects as desired.

Integrated Features

- **Power Outlets:** Utilize the built-in power outlets for convenient charging of electronic devices.
- **Multifunctional Hooks:** Use the hooks on both sides of the desk to hang headphones, bags, or other items.
- **360-Degree Rotatable Cup Holder:** Securely hold beverages to prevent spills.
- **Keyboard Tray:** Provides a dedicated space for a keyboard and mouse, promoting ergonomic typing.
- **Drawers:** Two integrated drawers offer storage for small office supplies and personal items.
- **Monitor Shelf:** Position monitors at an ergonomic height, reducing neck strain.

More Features For A Better Experience

• Built-In power strip •

• Multifunctional hook •

• 360° rotatable cup holder •

• Leveling Glides •

Figure 5: Detailed view of additional features including the built-in power strip, multifunctional hook, rotatable cup holder, and leveling glides for stability.

MAINTENANCE

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Motor Care:** The electric motor is designed for durability. Avoid overloading the desk beyond its specified weight capacity (300 lbs).
- **Cable Management:** Regularly check and organize cables to prevent tangles and damage. Use the included cord organizers.
- **Fasteners:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Desk does not adjust height.	Power cable disconnected; motor overload; control panel error.	Check power connection. Reduce weight on desk. Refer to the main assembly manual for control panel reset procedures.
LED lights not working.	Power connection issue; remote control battery low.	Ensure LED strip is properly connected. Replace remote control battery.
Desk wobbles.	Loose fasteners; uneven floor.	Tighten all assembly screws. Adjust leveling glides on the desk feet to stabilize.
Drawers are stiff or misaligned.	Incorrect installation; obstruction.	Recheck drawer slide installation. Ensure no items are obstructing the drawer mechanism.

If you encounter issues not listed here or require further assistance, please contact RedLemon customer support.
