GTPLAYER 2025-LR002

GTPLAYER Gaming Chair Model 2025-LR002 User Manual

Your guide to assembly, operation, and maintenance.

INTRODUCTION

Thank you for choosing the GTPLAYER Gaming Chair Model 2025-LR002. This manual provides essential information for the safe assembly, proper operation, and effective maintenance of your new chair. Please read these instructions thoroughly before use to ensure optimal performance and longevity of your product.

SAFETY INFORMATION

Please observe the following safety guidelines to prevent injury or damage to the chair:

- Always use the chair as intended for sitting. Do not stand on the chair or use it as a step stool.
- Do not attempt to sit on the chair while it is in a fully reclined position without proper balance.
- Inspect the chair regularly for any signs of wear, loose screws, or damage. Discontinue use if damage is found and contact support.
- Keep children and pets away from the chair during assembly to avoid accidents.
- Ensure all screws and bolts are securely tightened before using the chair.
- Do not exceed the maximum weight capacity of 300 lbs (136 kg).

PACKAGE CONTENTS

Before beginning assembly, please verify that all components are present and undamaged. If any parts are missing or damaged, please contact GTPLAYER customer support.

A detailed list of components is typically included in the packaging. Please refer to the assembly diagram for identification of all parts.

SETUP AND ASSEMBLY

Assembly typically requires two people. Follow the step-by-step instructions provided in the packaging. A general overview of the assembly process includes:

1. Attach the casters to the five-star base.
2. Insert the gas lift cylinder into the center of the five-star base.
3. Secure the mechanism plate to the bottom of the seat cushion.
4. Attach the backrest to the seat cushion using the provided bolts.
5. Mount the assembled seat and backrest onto the gas lift cylinder.
6. Install the armrests and any additional accessories like the lumbar support and headrest pillow.

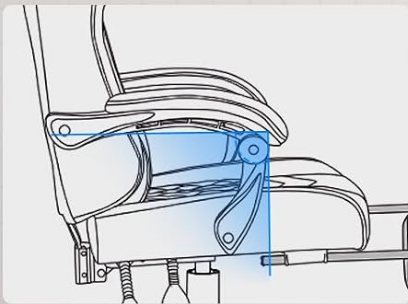

Ensure all connections are firm and stable before use.

OPERATING INSTRUCTIONS

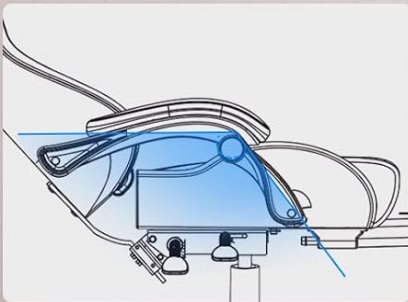

Your GTPLAYER Gaming Chair offers several adjustable features for personalized comfort:

- **Height Adjustment:** Use the lever located under the seat on the right side to raise or lower the chair. Pull the lever up while seated to lower, or pull up while standing to raise.
- **Recline Function:** The chair features a step-free recline mechanism. Pull the recline lever (typically on the left side) to adjust the backrest angle. Release the lever to lock the backrest in your desired position (from 90° to 165°).
- **Linkage Armrests:** The armrests are designed to automatically adjust with the recline angle of the backrest, providing continuous support for your arms and elbows.
- **Retractable Footrest:** Pull out the footrest from under the seat and flip it up for leg support. Push it back in when not in use.
- **Lumbar Support and Headrest:** Adjust the position of the lumbar pillow and headrest pillow for optimal ergonomic support.

GTPALYER CUSTOMIZED SIGNATURE LINKAGE ARMREST

working time

resting time

More convenience and peace of mind

Working time ,Linkage Armrest can provide enough support
resting time ,Linkage Armrest can rest comfortably on Linkage
Armrest

BECAUSE IT IS TECHNOLOGY CLOTH

Soft and comfortable touch. The fine fabric better reflects the chair's premium feeling. Increase the ventilation through well ventilated material. Sitting for a long time is not stuffy, and the room is perfectly integrated.

MAINTENANCE AND CARE

Proper care will extend the life and appearance of your GTPLAYER Gaming Chair:

- **Cleaning:** Wipe clean with a damp cloth. For tougher stains, use a mild soap solution and a soft cloth, then wipe dry immediately. Avoid harsh chemicals or abrasive cleaners.
- **Fabric Care:** The chair features a self-developed, soft, and breathable fabric. Avoid direct sunlight exposure for prolonged periods to prevent fading.
- **Inspection:** Periodically check all bolts and screws to ensure they are tight. Re-tighten if necessary.
- **Moving the Chair:** When moving the chair, lift it rather than dragging it to prevent damage to the base or floor.

TROUBLESHOOTING

If you encounter any issues with your GTPLAYER Gaming Chair, consider the following common solutions:

- **Chair Squeaks:** Check all bolts and screws for tightness. A small amount of silicone lubricant can be applied to moving parts if the squeaking persists.
- **Gas Lift Not Functioning:** Ensure the height adjustment lever is fully engaged. If the gas lift still doesn't work, it may need replacement. Contact customer support.
- **Chair Wobbles:** Verify that the five-star base is correctly assembled and all casters are securely inserted. Ensure the gas lift is properly seated in the base.

For persistent issues or problems not listed here, please contact GTPLAYER customer support.

SPECIFICATIONS

Feature	Specification
Brand	GTPLAYER
Model Name	2025-LR002
Color	Pinkwhite
Product Dimensions (D x W x H)	21.5" x 20" x 51" (54.6 cm x 50.8 cm x 129.5 cm)
