- Press the assembled chair down onto the Gas Lift (E) until it is fully secured.

Your DUMOS Armless Office Desk Chair is now ready for use!

OPERATING INSTRUCTIONS

Height Adjustment

To adjust the seat height, locate the lever under the right side of the seat. While seated, pull the lever up to lower the seat. To raise the seat, stand up and pull the lever up. Release the lever at the desired height to lock it in place.

Swivel Function

The chair features a 360° swivel function, allowing for easy rotation without moving the base. Simply rotate the seat to your desired direction.

Rolling Casters

The five smooth-rolling casters allow for easy movement across various floor surfaces. Ensure the path is clear of obstructions before moving the chair.

MAINTENANCE

Cleaning

The chair is upholstered with high-quality PU leather. To clean, simply wipe with a damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these may damage the material.

Regular Checks

Periodically inspect all bolts and connections to ensure they are secure. Tighten any loose fasteners to maintain stability and safety.

TROUBLESHOOTING

- **Chair is wobbly:** Check all assembly bolts (K, I, J, L) and tighten them securely. Ensure the casters (H) are fully inserted into the legs (G).
- **Height adjustment not working:** Ensure the gas lift (E) is properly seated in the base (F) and the mechanism (D). Check that the height adjustment lever is functioning correctly and not obstructed.
- **Casters not rolling smoothly:** Check for any debris (hair, dust) caught in the casters and clean them.

Ensure the casters are properly installed.
