Body Glove Wave Kid's Sunglasses Keyhole

Body Glove Wave Kid's Sunglasses Keyhole 50 mm - Instruction Manual

Model: Wave Kid's Sunglasses Keyhole

1. INTRODUCTION AND OVERVIEW

Thank you for choosing Body Glove Wave Kid's Sunglasses. These sunglasses are designed to provide eye protection and comfort for children during outdoor activities. This manual provides essential information on the features, proper use, and care of your sunglasses.

Image 1.1: Angled view of the Body Glove Wave Kid's Sunglasses, featuring a clear frame and rainbow mirrored lenses.

2. PRODUCT FEATURES

The Body Glove Wave Kid's Sunglasses are equipped with several features designed for durability and eye protection:

- **100% UVA/UVB Protection:** Lenses are designed to block 100% of harmful UVA and UVB rays.
- **Scratch Resistant Lenses:** The lens surface is treated to resist minor scratches from daily use.
- **Impact Resistant Lenses:** Lenses are constructed to withstand impacts, enhancing safety.

- **Colored Mirror Lenses:** Provides a stylish appearance and reduces glare.

Hydrophobic Coating

Our lenses are made with hydrophobic coating that repels water for easier cleaning.

Scratch and Impact Resistant

Perfect for casual sports, beach outings, and all your outdoor adventures.

Image 2.2: Illustration of scratch and impact resistant features, showing a pair of clear-framed sunglasses with orange lenses.

3. SETUP

Your Body Glove Wave Kid's Sunglasses come ready for immediate use.

1. **Unpacking:** Carefully remove the sunglasses from their packaging.
2. **Inspection:** Before first use, inspect the sunglasses for any visible damage. If any damage is found, do not use and contact customer support.

4. OPERATING INSTRUCTIONS

To use your Body Glove Wave Kid's Sunglasses:

- Gently unfold the temples (arms) of the sunglasses.
- Place the sunglasses on your face, ensuring the nose pads rest comfortably on the bridge of your nose and the temples extend over your ears.
- Adjust for a secure and comfortable fit. The sunglasses should not feel too tight or too loose.
- When not in use, fold the temples inward and store the sunglasses in a protective case to prevent damage.

5. MAINTENANCE AND CARE

Proper care will extend the life and maintain the performance of your sunglasses.

- **Cleaning:**

- Rinse lenses with lukewarm water to remove dust and debris.
- Use a mild soap or lens cleaning solution if necessary.
- Gently dry with a soft, clean microfiber cloth. Avoid using paper towels or rough fabrics, as these can scratch the lenses.

- **Storage:**

- Always store sunglasses in a protective case when not in use.
- Avoid leaving sunglasses in direct sunlight or extreme heat (e.g., on a car dashboard), as this can damage the frame and lens coatings.

- **Handling:**

- Avoid placing sunglasses face down on hard surfaces.
- Do not use abrasive cleaners or solvents on the lenses or frame.

6. TROUBLESHOOTING

Most issues with sunglasses can be resolved with simple care.

| Problem | Solution |
|---|---|
| Lenses appear dirty or smudged. | Clean lenses using lukewarm water and a microfiber cloth as described in the Maintenance section. Avoid wiping dry lenses with abrasive materials. |
| Sunglasses feel loose or uncomfortable. | Ensure the sunglasses are positioned correctly on the nose and ears. If the fit remains an issue, professional adjustment by an optician may be required for minor frame adjustments. |
| Minor scratches on lenses. | While lenses are scratch-resistant, minor scratches can occur. These typically do not affect UV protection. For significant damage, consider replacement. |

7. SPECIFICATIONS

| Feature | Detail |
