## JCLOUD AP353

# JCLOUD AP353 Plug-in Waterless Essential Oil Diffuser

User Instruction Manual

## INTRODUCTION

Thank you for choosing the JCLOUD AP353 Plug-in Waterless Essential Oil Diffuser. This device utilizes advanced cold-air diffusion technology to disperse pure essential oils into microparticles, providing a consistent and clean fragrance experience without the need for water or heat. Its compact design and versatile features make it ideal for enhancing the atmosphere in various spaces.

## IMPORTANT SAFETY INFORMATION

- Avoid direct skin contact with undiluted essential oils.
- Keep out of reach of children and pets.
- Ensure proper ventilation during use.
- Always follow essential oil safety guidelines provided by the essential oil manufacturer.
- Do not place the diffuser near heat sources or in direct sunlight.
- Use only high-quality essential oils intended for cold-air or waterless diffusers. JCLOUD recommends JCLOUD Essential Oils for the best experience.

## PACKAGE CONTENTS

- JCLOUD AP353 Plug-in Waterless Essential Oil Diffuser (Black)
- User Manual
- Oil Bottle (160ML capacity, pre-installed)

## SPECIFICATIONS

<b>Brand</b>	JCLOUD
<b>Model Name</b>	AP353
<b>Color</b>	Black
<b>Material</b>	Plastic
<b>Capacity</b>	160 Milliliters
<b>Floor Area Coverage</b>	Up to 500 Square Feet
<b>Product Dimensions</b>	3.56" L x 2.81" W x 7.15" H
<b>Wattage</b>	1.6 watts
<b>Auto Shutoff</b>	Yes
<b>Special Feature</b>	No water, no heat, clean effective diffusion, plug and play, automatic shut-off at dark in smart mode, kid & pet friendly, luxury scent experience.

## SETUP

- Unscrew the bottom:** Gently twist the bottom reservoir counter-clockwise to detach it from the main unit.
- Fill with essential oil:** Carefully pour your preferred JCLOUD essential oil into the reservoir. The 160ML capacity allows for long-lasting use.  
*Note: Essential oils are not included and must be purchased separately.*
- Reattach the reservoir:** Screw the reservoir back onto the main unit by twisting clockwise until secure.
- Plug into an outlet:** Insert the diffuser into any standard wall outlet. The rotatable plug allows for flexible placement in vertical or horizontal outlets.

# Waterless, Mess-Free Diffusion

Schedule Working Hours

No Heat

Scent Intensity Control

No Residue

Coverage:  
up to 500 Sq. Ft.

No Water

## OPERATING MODES

The diffuser features two main control buttons: **Grade** (for intensity) and **Mode** (for timing).

### 1. Adjusting Fragrance Intensity (Grade Button)

Press the **Grade** button to cycle through four intensity levels. Each level sprays for 15 seconds, but varies the pause time between sprays, influencing the aroma concentration.

- **Grade 1:** Spray 15s, Pause 295s (Lowest intensity, longest oil life)
- **Grade 2:** Spray 15s, Pause 135s (Medium intensity)
- **Grade 3:** Spray 15s, Pause 85s (High intensity)
- **Grade 4:** Spray 15s, Pause 60s (Highest intensity, shortest oil life)

### 2. Selecting Operation Mode (Mode Button)

Press the **Mode** button to choose how long the diffuser stays on. Long press the Mode button for 3

seconds to turn the diffuser on/off without unplugging it.

- **12h Mode:** Runs for 12 hours, then repeats after 12 hours off. Ideal for daytime use (e.g., 7 AM to 7 PM).
- **24h Mode:** Runs continuously around the clock. Ideal for constant aroma diffusion.
- **Smart Mode:** Operates only in daylight or with sufficient artificial light. It automatically shuts off when it gets dark and resumes when light is detected.

## Plug, Fill, and Enjoy

No complicated apps or settings- just plug it in, fill it with your favorite essential oils, and choose your preferred mode and intensity. It's that simple to enjoy a fresh, inviting atmosphere at home or work.

## MAINTENANCE

The JCLOUD waterless diffuser is designed for minimal maintenance. Since it does not use water, there is no need for regular cleaning of a water tank.

- **Refilling:** When the visible oil level is low, simply unscrew the reservoir and refill with your preferred essential oil.
- **Cleaning (as needed):** If you notice any residue buildup around the nozzle, gently wipe it with a soft, dry cloth. Do not use harsh chemicals or abrasive materials.

## TROUBLESHOOTING

- **Why can't I smell the fragrance when the machine is working?**
  - Ensure the diffuser is placed in a well-ventilated area. Avoid placing it near air vents, as this can direct the fragrance away.
  - Adjust to a higher intensity grade.
- **What is the maximum coverage area for the diffuser?**

- The diffuser typically covers up to 500 sq. ft. This can vary depending on room size and airflow.
- **Can I use the plug in any outlet orientation?**
  - Yes, the plug is designed to rotate for flexibility. Ensure the diffuser remains upright for optimal performance.
- **Why does the mist stop and start?**
  - The diffuser is designed to release mist in cycles. Depending on your selected intensity, it will spray for a few seconds and pause for the set interval before spraying again.

## WARRANTY AND SUPPORT

---

For warranty information or support, please refer to the contact details provided in your product packaging or visit the JCLOUD official website. We are committed to providing high-quality products and excellent customer service.
