# MEIEST Flower Peacock Building Blocks Set 8801 Instruction Manual

## 1. INTRODUCTION

---

Thank you for choosing the MEIEST Flower Peacock Building Blocks Set, Model 8801. This set allows you to construct a beautiful peacock model with colorful tail feathers and floral accents. Designed for both educational engagement and decorative display, this manual provides essential information for assembly, operation, maintenance, and safety to ensure a rewarding experience.

## 2. SAFETY INFORMATION

---

**WARNING: CHOKING HAZARD - Small Parts. Not for children under 3 years.**

This product contains small building block pieces that may pose a choking hazard. Adult supervision is required during assembly, especially for younger users. Keep all packaging materials away from children. Always ensure a clean and organized workspace to prevent loss of small parts.

## 3. PACKAGE CONTENTS

---

Before beginning assembly, please verify that all components are present. The box should contain:

- Approximately 800+ building block pieces
- 1 x Instruction Manual (this document)

If any parts are missing or damaged, please contact customer support.

## 4. SETUP AND ASSEMBLY

---

The MEIEST Flower Peacock Building Blocks Set is designed for intuitive assembly. Follow the step-by-step visual instructions provided in the included manual to construct your model.

1. **Preparation:** Unpack all building blocks and organize them by color or shape as suggested in the assembly guide. Ensure you have a clear, flat surface to work on.

2. **Follow Instructions:** Refer to the detailed diagrams in the physical instruction manual. Each step will guide you on which pieces to use and where to connect them.
3. **Connecting Pieces:** Gently press pieces together until they fit securely. Avoid excessive force to prevent damage.
4. **Building the Base:** Start with the base structure of the peacock, ensuring it is stable before proceeding to the more intricate tail and body sections.
5. **Adding Details:** Carefully attach the colorful tail feathers and floral elements as indicated. Pay attention to the orientation of each piece for the intended aesthetic.
6. **Final Check:** Once assembly is complete, review your model to ensure all pieces are correctly placed and securely fastened.

## 5. OPERATING THE MODEL

---

Once assembled, your MEIEST Flower Peacock Building Blocks Set serves as a decorative item. This model also features internal lighting for enhanced display.

- **Display:** Place the assembled peacock on a stable, flat surface such as a desk, shelf, or display cabinet.
- **Activating Lights:** The model is equipped with hidden lights. Locate the power switch or battery compartment (if applicable, refer to the physical instruction manual for exact location) and activate the lights to illuminate the peacock's tail and body, creating a night light effect.

## 6. MAINTENANCE

---

Proper care will help maintain the appearance and integrity of your building block model.

- **Cleaning:** Use a soft, dry cloth or a small brush to gently remove dust from the model. For stubborn dirt, a slightly damp cloth can be used, but avoid excessive moisture.
- **Storage:** If disassembling for storage, keep all pieces in a sealed container to prevent loss. Store in a cool, dry place away from direct sunlight to prevent color fading.
- **Handling:** Handle the assembled model with care to avoid accidental detachment of pieces.

## 7. TROUBLESHOOTING

---

Here are solutions to common issues you might encounter:

- **Missing Pieces:** Double-check your workspace and packaging. If a piece is genuinely missing, contact

MEIEST customer support with details of the missing part (refer to the physical instruction manual for part identification).

- **Pieces Not Connecting:** Ensure you are using the correct pieces for the step. Apply gentle, even pressure. If a piece is warped or damaged, contact customer support.
- **Model Instability:** Review previous assembly steps to ensure all connections are secure and pieces are correctly oriented, especially the base structure.
- **Lights Not Working:** If your model includes lights, check the battery compartment for proper battery insertion and charge. Ensure the power switch is in the 'ON' position.
