

Mpayel B8248

Mpayel 52-inch 8-Blade Low Profile Ceiling Fan with Light

MODEL: B8248

Brand: Mpayel

1. Introduction

This manual provides detailed instructions for the safe installation, operation, and maintenance of your Mpayel 52-inch 8-Blade Low Profile Indoor Ceiling Fan with Light. Please read this manual thoroughly before installation and use, and retain it for future reference.

- **Remote and App Control:** Effortlessly adjust fan speed, dim lights, and set a 2-hour timer using either the included remote control or a dedicated smartphone application.
- **Quiet and Powerful DC Motor:** The DC motor ensures silent operation for a comfortable and undisturbed environment, while providing strong airflow.
- **Versatile 8-Blade Design:** Eight blades deliver powerful airflow, suitable for both indoor and outdoor covered spaces like bedrooms and living rooms.
- **Dimmable and Reversible Functionality:** The integrated LED light is dimmable, allowing you to set the perfect ambiance. The reversible motor function enables year-round use, providing cooling in summer and aiding heat distribution in winter.
- **Durable Construction:** Crafted from high-quality iron with a sleek black finish, this fan is built for lasting performance and adds a modern touch to any room.

2. Safety Information

Always follow basic safety precautions when installing and operating electrical appliances to reduce the risk of fire, electric shock, and personal injury.

- Ensure the power is turned off at the circuit breaker before installation or maintenance.
- All wiring must be in accordance with national and local electrical codes.
- Mount the fan to a ceiling outlet box marked "Acceptable for Fan Support of 35 lbs (15.9 kg) or less" and use the mounting screws provided with the outlet box.
- Do not bend the blade holders during installation, balancing, or cleaning.

- Keep children away from the fan when it is operating.

3. Package Contents

Verify that all components are present and undamaged before beginning installation.

- Fan Motor Assembly
- Fan Blades (8 pieces)
- Light Kit Assembly
- Remote Control with Wall Mount
- Mounting Bracket and Hardware
- Instruction Manual

4. Installation

Professional installation is recommended. Ensure all power is disconnected before proceeding.

1. **Mounting Bracket Installation:** Secure the mounting bracket to the ceiling outlet box.
2. **Wiring:** Connect the fan's electrical wires to the household wiring according to the provided wiring diagram.
3. **Fan Assembly:** Attach the fan motor assembly to the mounting bracket.
4. **Blade Attachment:** Securely attach the 8 fan blades to the motor housing. The blades feature a double-sided design (black and deep walnut color) allowing you to choose the desired aesthetic.
5. **Light Kit Installation:** Connect and install the LED light kit to the bottom of the fan motor.

5. Operation

Your Mpayel ceiling fan can be controlled via the included remote or a smartphone application.

5.1 Remote Control

The remote control allows for comprehensive management of your fan's functions.

- **Fan Speed:** Select from 6 different fan speeds (1-6) to adjust airflow intensity.
- **Light Control:** Turn the light on/off, dim the brightness, and adjust the color temperature.
- **Reversible Function (F/R):** Change the direction of the fan blades for summer (downward airflow) or winter (upward airflow) use.
- **Timer:** Set a 2-hour timer for automatic fan shutdown.
- **All Off:** Turns off both the fan and the light simultaneously.

5.2 App Control

Control your fan from your smartphone by downloading the "Fan Lamp Pro" app.

1. Scan the QR code provided in the manual or on the product packaging to download the app.
2. Open the app and select "Add Device."
3. Choose "Light Fan" from the device list.
4. Click "Pair" to connect your fan.

5.3 Light Settings

The integrated LED light offers adjustable brightness and color temperature.

- **Color Temperature:** Choose between Warm White (3000K), Natural White (4500K), and Cool White (6000K).
- **Brightness:** Dimmable from 10% to 100% to suit your needs.

3-LEVEL ADJUSTABLE LED LIGHT

6000K

— Cool white —

Figure 5.4: 3-Level Adjustable LED Light. The fan's light offers three distinct color temperatures to match various preferences and room ambiances.

5.4 Reversible Function

Optimize comfort year-round by utilizing the reversible motor function.

- **Summer Mode:** Blades rotate counter-clockwise to create a downward airflow, providing a cooling effect.
- **Winter Mode:** Blades rotate clockwise to create an upward airflow, circulating warm air trapped near the ceiling.

Figure 5.5: Summer and Winter Modes. The fan's reversible motor helps maintain comfort by optimizing air circulation for both warm and cool seasons.

6. Maintenance

Regular maintenance ensures optimal performance and longevity of your ceiling fan.

- **Cleaning:** Use a soft, damp cloth to clean the fan blades and motor housing. Do not use abrasive cleaners or solvents.
- **Tighten Screws:** Periodically check all screws for tightness. Retighten as necessary.
- **Light Source:** The LED light source is integrated and not user-replaceable. Contact customer support if the light fails.

7. Troubleshooting

If you encounter issues with your fan, refer to the following common solutions:

Problem	Possible Cause	Solution
Fan does not start	No power to the fan; Loose wire connections; Remote control not paired.	Check circuit breaker; Verify all wire connections are secure; Re-pair the remote control (refer to remote control section).
Fan makes noise	Loose screws on motor housing or blades; Fan blades are unbalanced.	Tighten all screws; Ensure blades are properly installed and balanced.
Light does not work	Loose wire connection in light kit; Light kit failure.	Check light kit wiring; Contact customer support for assistance.
Remote control not working	Dead batteries; Remote not paired with fan.	Replace batteries (2 AAA required); Re-pair the remote control.

8. Specifications

Feature	Detail
Brand	Mpayel
Model Name	B8248
Size	52 inches (8 blades)
Color	Black-52inch-8blade
Material	Iron
Style	Modern
Light Fixture Form	Ceiling Fan Light
Room Type	Bedroom, Living Room
Indoor/Outdoor Usage	Indoor
Power Source	DC
Special Feature	Remote Controlled
Control Method	App, Remote
Light Source Type	LED
Number of Light Sources	8
Voltage	265 Volts
Light Color	White (Adjustable Color Temperature)
Included Components	Light Kit
Lighting Method	LED
Item Weight	14.45 pounds (6.57 Kilograms)

Feature	Detail
Wattage	28 watts
Bulb Base	E26 (for light kit)
Switch Type	Remote
Mounting Type	Ceiling Mount
Batteries Required	2 AAA batteries (for remote, not included)

9. Warranty and Support

For warranty information or technical support, please contact Mpayel customer service through your purchase platform or the contact details provided in the product packaging. Keep your purchase receipt as proof of purchase.
