LISEN 2E441

LISEN Retractable USB-C Car Charger 2E441 User Manual

Model: 2E441 | Brand: LISEN

INTRODUCTION

Thank you for choosing the LISEN Retractable USB-C Car Charger. This manual provides essential information for the safe and efficient use of your new car charger. Please read it thoroughly before use and keep it for future reference.

PRODUCT OVERVIEW

The LISEN Retractable USB-C Car Charger is designed for convenient and fast charging of multiple devices in your vehicle. It features a compact design, a retractable USB-C cable, and additional USB-A and USB-C ports for versatile charging options.

SAFETY INFORMATION

To ensure safe operation and prevent damage, please observe the following:

- Ensure the car charger is installed securely in the cigarette lighter socket.
- Do not expose the charger to extreme temperatures, direct sunlight, or moisture.
- Do not attempt to disassemble or modify the charger.
- Keep out of reach of children.
- The built-in 30W USB-C cable is designed for iPhone 15/16/17 series, Samsung series, iPad series, and other Android products. It is not compatible with iPhone models below 15.
- The car charger does not support CarPlay functionality.

SETUP

1. **Clean the Socket:** Ensure the car's cigarette lighter socket is clean and free of dust or debris.
2. **Insert the Charger:** Plug the LISEN car charger firmly into the cigarette lighter socket.
3. **Verify Power:** The charger's LED indicator will light up (typically blue) to confirm it is receiving power.

OPERATING INSTRUCTIONS

Using the Retractable Cable

- **To Extend:** Gently pull the USB-C cable from its port. It will extend up to 31.5 inches (80 cm). The cable will lock at various lengths.
- **To Retract:** Pull the cable out approximately 1 cm further, then release it. The cable will automatically retract back into the charger.

Charging Multiple Devices

The charger features multiple ports:

- **Built-in Retractable USB-C Cable:** For fast charging compatible USB-C devices (iPhone 15/16/17 series, Samsung, iPad, Android).
- **USB-C Port (PD 30W):** For additional USB-C devices.
- **USB-A Port (2.4A):** For standard USB-A devices.

You can charge up to three devices simultaneously.

Adjustable Design

The charger's head can be adjusted 180° to fit various car console layouts and prevent interference with other controls like the gear shift lever.

MAINTENANCE

- Keep the charger clean and dry. Use a soft, dry cloth to wipe the surface.
- Avoid pulling the retractable cable forcefully or at extreme angles to prevent damage to the retraction mechanism.
- Regularly check the cigarette lighter socket for debris that might affect connection.

TROUBLESHOOTING

No Charge / No Light

- Confirm the car's power is on (engine running or accessory mode).
- Clean the cigarette lighter socket and check its fuse.
- Reinsert the charger fully and firmly into the socket.

Intermittent Charging

- Ensure the charger is pushed in tightly.
- Clean the cigarette lighter socket.
- Avoid overstretching the retractable cable.

Cable Won't Lock / Springs Back

- Pull the cable by the connector slowly to extend it, then release. If it doesn't lock, try extending it fully and retracting it gently.
