Aroepurt Phone Case and Screen Protector User Manual

For ZTE Nubia A75 Z6255

INTRODUCTION

Thank you for choosing the Aroepurt Phone Case and Tempered Glass Screen Protector for your ZTE Nubia A75 Z6255. This product is designed to provide comprehensive protection and enhanced functionality for your device. The case features a durable PU leather wallet design with card slots and a stand function, while the included tempered glass offers superior screen protection.

SETUP

Installing the Phone Case

1. Ensure your ZTE Nubia A75 Z6255 phone is clean and free of dust or debris.
2. Gently align your phone with the TPU silicone fixed case inside the wallet cover.
3. Press the phone firmly into the case, ensuring all corners and edges are securely seated. The precise cutouts will allow access to all ports and buttons.

Applying the Tempered Glass Screen Protector

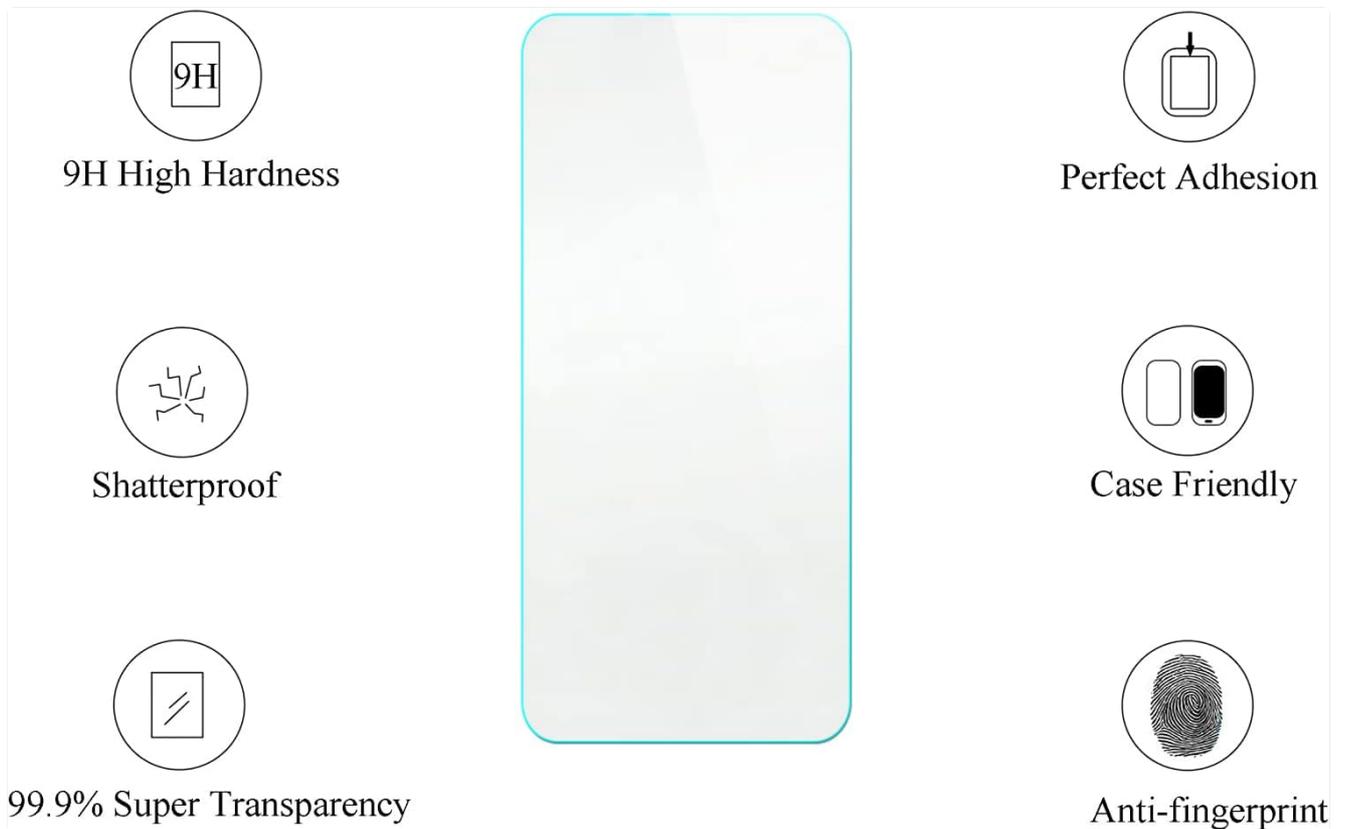

Image: Diagram illustrating key features of the tempered glass screen protector, including 9H High Hardness, Perfect Adhesion, Shatterproof, Case Friendly, 99.9% Super Transparency, and Anti-fingerprint properties.

1. Clean your phone screen thoroughly using the provided alcohol wipe. Remove any dust or smudges.
2. Use the microfiber cloth to dry the screen completely. Ensure no lint or dust particles remain.
3. Carefully peel off the protective film from the adhesive side of the tempered glass.
4. Align the screen protector precisely with your phone's screen, paying attention to the cutouts for the speaker and camera.
5. Gently lower the screen protector onto the screen. It will adhere automatically.
6. If any bubbles appear, gently push them towards the edges using a soft cloth or a credit card wrapped in cloth.

Scratch Proof

Scratch proof screen effectively avoids sharp objects scratching or abrasion

OPERATING

Using the Flip Stand Feature

The case is designed with a convenient flip stand. To activate, simply fold the back cover of the case to create a triangular stand. This allows for adjustable viewing angles, ideal for watching videos, making video calls, or reading hands-free.

CARD STORAGE

- Carry 3 cards and cash
- Combines a wallet and phone case in one handy unit

Utilizing Card Storage and Wallet Function

The interior of the flip cover includes multiple card slots and a larger pocket for cash. This allows you to carry essential cards and some money directly with your phone, reducing the need for a separate wallet.

- Insert up to three standard-sized cards into the designated card slots.
- Fold banknotes and place them into the larger cash pocket.

MAINTENANCE

Cleaning the PU Leather Case

- Wipe the exterior of the PU leather case with a soft, damp cloth.
- For stubborn stains, use a mild soap solution on the cloth, then wipe with a clean, damp cloth.
- Allow the case to air dry completely. Avoid direct sunlight or heat.

Cleaning the Tempered Glass Screen Protector

- Use a microfiber cloth to gently wipe away fingerprints and smudges.
- For deeper cleaning, lightly dampen the microfiber cloth with water or a screen cleaner solution.
- Avoid harsh chemicals or abrasive materials that could damage the oleophobic coating.

TROUBLESHOOTING

Screen Protector Bubbles

- **Small Bubbles:** Often disappear within 24-48 hours as the adhesive settles.
- **Large Bubbles/Dust:** If a bubble persists and appears to have dust underneath, gently lift the nearest corner of the screen protector with a piece of tape, use another piece of tape to dab the dust particle, then reapply.

Case Fit Issues

- Ensure you have the correct model: This case is specifically designed for the ZTE Nubia A75 Z6255. Verify your phone model.
- Ensure proper installation: Make sure the phone is fully seated within the TPU inner shell.
