

Pixi On-the-Glow Base

Pixi Beauty On-the-Glow Base Tinted Moisturizer Foundation Stick User Manual

Model: On-the-Glow Base (Beige)

INTRODUCTION

Welcome to the user manual for your Pixi Beauty On-the-Glow Base Tinted Moisturizer Foundation Stick. This product is designed to provide a hydrating, buildable tint that blurs imperfections and evens out skin tone, resulting in a fresh-faced glow. This manual will guide you through the proper use and care of your On-the-Glow Base stick.

PRODUCT OVERVIEW

The Pixi On-the-Glow Base is a multi-tasking stick formulation that combines the benefits of a tinted moisturizer and a foundation. It is enriched with skin-loving ingredients to nourish and protect your skin.

- **Hydrating Formula:** Contains Ceramide NP to lock in hydration.
- **Antioxidant Protection:** Infused with Super Food Berries.
- **Smooth Finish:** Fruit Oils contribute to a flawless and conditioned skin appearance.
- **Shade Range:** Available in 18 shades to match various skin tones. The current product is in the Beige shade, which is a medium, neutral tone.

PREPARATION FOR USE

For optimal application and results, ensure your skin is properly prepared.

1. **Cleanse Skin:** Begin with a clean face.
2. **Moisturize or Prime:** Apply your preferred moisturizer or primer to your skin. This step helps create a smooth canvas for the On-the-Glow Base.

APPLICATION INSTRUCTIONS

Follow these steps for effective application of your Pixi On-the-Glow Base:

1. **Dispense Product:** Twist the base of the stick to wind the product up or down as needed.
2. **Apply to Skin:** Gently swipe the stick directly onto your skin in areas where you desire coverage or an even tone.
3. **Blend:** Blend the product out using your fingertips, a makeup sponge, or a brush. Ensure even distribution for a seamless finish.

Shade Selection Guidance:

- **Even Complexion:** Choose a shade that closely matches your natural skin tone.
- **Brightening/Highlighting:** Select a lighter shade to apply to areas you wish to brighten, such as under the eyes or the high points of the face.
- **Contouring/Adding Warmth:** Use a deeper shade to contour or add warmth to your complexion, applying it to areas like the hollows of your cheeks or temples.

Image: A visual guide displaying arm swatches of multiple Pixi On-the-Glow Base shades across a range of skin tones, aiding in shade selection.

CARE AND STORAGE

- **External Use Only:** This product is intended for external cosmetic use only.
- **Secure Cap:** Always replace the cap securely after each use to prevent the product from drying out or becoming contaminated.
- **Storage:** Store the stick in a cool, dry place away from direct sunlight and extreme temperatures to maintain product integrity.

UNDERSTANDING PRODUCT CHARACTERISTICS

The Pixi On-the-Glow Base is formulated as a tinted balm, offering specific characteristics:

- **Coverage:** This product provides sheer to light, buildable coverage. It is designed to blur imperfections and even out skin tone rather than offer full concealment. For higher coverage needs, additional concealer or foundation may be required.
- **Texture:** As a balm, it has a moisturizing and dewy finish. Some users may perceive this as a slightly sticky or tacky feel, which is characteristic of its hydrating, balm-like formulation.

- **Finish:** The intended finish is natural and dewy, contributing to a radiant look.

SPECIFICATIONS

Feature	Detail
Product Dimensions	1.93 x 0.84 x 3.78 inches; 2.08 ounces
UPC	885190343102
