GOJOOASIS GJ-SJMJL46

GOJOOASIS GJ-SJMJL46 Wooden Chicken Coop and Rabbit Hutch Instruction Manual

Model: GJ-SJMJL46 | Brand: GOJOOASIS

1. Introduction

This manual provides essential information for the assembly, operation, and maintenance of your GOJOOASIS GJ-SJMJL46 Wooden Chicken Coop and Rabbit Hutch. This versatile habitat is designed to provide a safe and comfortable environment for small animals such as chickens, rabbits, guinea pigs, quails, and hamsters. Please read these instructions thoroughly before assembly and use to ensure proper setup and longevity of the product.

2. Safety Information

- Ensure all parts are securely fastened during assembly to prevent instability.
- Regularly inspect the coop for any damage, loose parts, or wear and tear that could compromise animal safety.
- Position the coop on a level surface to prevent tipping.

- While designed for protection, monitor your pets and the coop's security against potential predators, especially at night.
- This product is intended for small animals. Do not overcrowd the coop.

3. Assembly Instructions

Follow the steps below and refer to the provided video for visual guidance during assembly. A basic screwdriver is typically required.

1. Unpack all components and verify against the parts list (if provided with your product).
2. Begin by assembling the base frame of the coop.
3. Attach the side panels and the A-frame structure, ensuring all screws are tightened.
4. Install the wire mesh panels for the outdoor run.
5. Secure the roof panels and any access doors or latches.
6. Insert the slide-out tray into its designated slot.

4. Product Features

- **Premium Materials:** Crafted from sturdy wood for durability and a safe environment.
- **Distinctive Triangular Design:** Features an A-frame structure with an outdoor run and an enclosed sleeping space.
- **Good Ventilation:** Designed with adequate airflow to maintain a comfortable and healthy environment for pets.
- **Multi-functional Uses:** Suitable for chickens, rabbits, guinea pigs, quails, hamsters, and other small animals.
- **Easy to Clean:** Includes an enclosed sleeping area with multiple entrances and a convenient slide-out tray for waste removal.
- **Secure Wire Doors:** Wire doors allow for air circulation while protecting pets from predators.

Figure 3: Secure wire mesh and door latches for enhanced safety.

5. Operating Instructions

The GOJOOASIS GJ-SJMJL46 is designed for ease of use and pet comfort.

- **Access Doors:** The coop features multiple doors for easy access to both the enclosed sleeping area and the outdoor run. Use the secure latches to open and close them.
- **Nesting Area:** The enclosed section provides a private space for nesting or resting.
- **Outdoor Run:** Allow your pets to access the outdoor run for exercise and fresh air during appropriate weather conditions.

Video 2: Demonstration of chickens utilizing a similar small chicken coop, showcasing the functionality of the doors and internal access.

6. Maintenance

- **Cleaning:** The slide-out tray allows for convenient and simple cleaning of waste. Regularly remove the tray, empty it, and clean with pet-safe disinfectants.
- **Wood Care:** The wooden structure should be inspected periodically for signs of weathering or damage. Apply a pet-safe wood sealant annually to prolong its lifespan, especially if exposed to outdoor elements.
- **Wire Mesh:** Check the wire mesh for any signs of damage or rust. Repair or replace as needed to maintain security.
- **General Inspection:** Routinely check all latches, hinges, and structural components to ensure they are secure and functioning correctly.

Figure 4: Product dimensions and recommended animal types.

7. Troubleshooting

- **Predator Protection:** If you observe signs of attempted entry by predators, reinforce vulnerable areas with additional wire mesh or secure the coop within a larger, predator-proof enclosure.
- **Weather Protection:** In extreme weather conditions (heavy rain, snow, strong winds), consider moving the coop to a more sheltered location or adding extra weatherproofing measures.
- **Ventilation Issues:** Ensure the coop is not placed in an area with stagnant air. If pets appear overheated, provide additional shade or improve air circulation.

8. Specifications

Feature	Detail
Brand	GOJOOASIS
Model Name	chicken coop

Feature	Detail
Item Model Number	GJ-SJMJL46
Color	Grey
Material	Wood
Product Dimensions (L x W x H)	47"L x 18"W x 19.5"H
Item Weight	15.57 pounds
Breed Recommendation	Chickens, Rabbits
Included Components	Nesting Box
Specific Uses for Product	Outdoor
Special Feature	Durable

9. Warranty and Support

This product comes with a 30-day warranty. For any questions, concerns, or warranty claims, please contact GOJOOASIS customer support through the retailer where the product was purchased. Ensure you have your purchase details and model number (GJ-SJMJL46) ready for faster assistance.
