WLIVE Nightstand with Charging Station and LED Light - Instruction Manual

Model: B0DZH26K51

1. INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your WLIVE Nightstand with Charging Station and LED Light. This versatile furniture piece is designed to enhance your living space with convenient charging capabilities, customizable lighting, and ample storage.

Key features include:

- **RGB LED Lights:** Adjustable brightness and dynamic lighting effects to suit various moods and settings.
- **Integrated Charging Station:** Equipped with 2 USB ports and 2 AC outlets for convenient device charging, ETL certified for safety.
- **Ample Storage:** Features four spacious fabric drawers and two open wooden shelves for organized storage.
- **Sturdy Construction:** Built with a durable metal frame, non-woven fabric drawers, and FSC-Certified wood boards, ensuring stability and longevity.

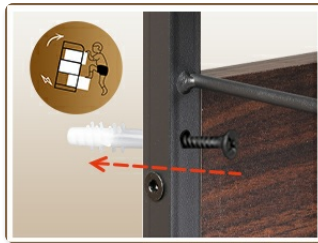

The WLIVE Nightstand seamlessly integrates into various bedroom decors.

2. SAFETY INFORMATION

Please read and understand all safety warnings before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- **Weight Limits:** Do not overload the top or shelves. The top and open shelf can support up to 22 lbs (10 kg). Each fabric drawer holds up to 5.5 lbs (2.5 kg).
- **Anti-Tip Device:** An anti-tip device is included for enhanced safety. Always install this device, especially in households with children or pets, to prevent accidental tipping.
- **Electrical Safety:** The charging station is ETL certified. Do not attempt to modify or disassemble the charging unit. Ensure the power cord is not pinched or damaged during assembly or use.
- **Assembly:** Assemble the unit on a soft, clean surface to prevent scratches. Ensure all screws and fasteners are securely tightened before use.

Always install the anti-tip device for stability and safety.

6. MAINTENANCE

To ensure the longevity and appearance of your nightstand, follow these simple maintenance guidelines:

- **Cleaning Surfaces:** Wipe wooden and metal surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Cleaning Fabric Drawers:** The fabric drawers are breathable and easy to maintain. Spot clean with a mild detergent and a damp cloth. Allow to air dry completely. Do not machine wash.
- **Dusting:** Regularly dust all surfaces with a dry, soft cloth.
- **Inspection:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten if necessary.

The wooden surfaces are designed for easy cleaning.

8. TROUBLESHOOTING

If you encounter any issues with your WLIVE Nightstand, please refer to the following common solutions:

- **LED Lights Not Working:**

- Ensure the nightstand's main power cord is securely plugged into a working wall outlet.
- Check that the LED strip's power connector is firmly attached.
- Verify that the inline switch or remote control is functioning correctly and the batteries (if applicable) are not depleted.

- **Charging Station Not Providing Power:**

- Confirm the nightstand is plugged into a live power outlet.
- Test the outlet with another device to ensure it is working.
- Ensure your device's charging cable is properly connected to the USB port or AC outlet.

- **Unit Feels Unstable:**

- Check that all assembly screws are securely tightened.
- Adjust the leveling feet on the bottom of the nightstand to compensate for uneven floors.
- Ensure the anti-tip device is correctly installed and anchored to the wall.
