# Accurate representation of the details

**Figure 1.2:** A comparison view demonstrating the accurate and detailed representation of the Etihad Stadium in the CaDA C66022W model.

The model is designed with a modular structure, allowing for the disassembly and display of internal details. Key features include:

- Official license from the Manchester City Football Club.
- Modular design for detailed internal viewing and transport.
- Integrated USB-powered lighting system with 8-mode light effects to recreate the stadium atmosphere.
- Assembly into four distinct parts: the main stadium with stands, the 2022-23 Season Honor Roll, the home players' locker room, and the team's honor break area.
- Fully printed patterns for stadium details, club logo, and slogans, ensuring an authentic representation.
- Includes three commemorative Champion Moment cards (Champions League, Premier League, FA Cup).
- Customizable player list in the locker room module.

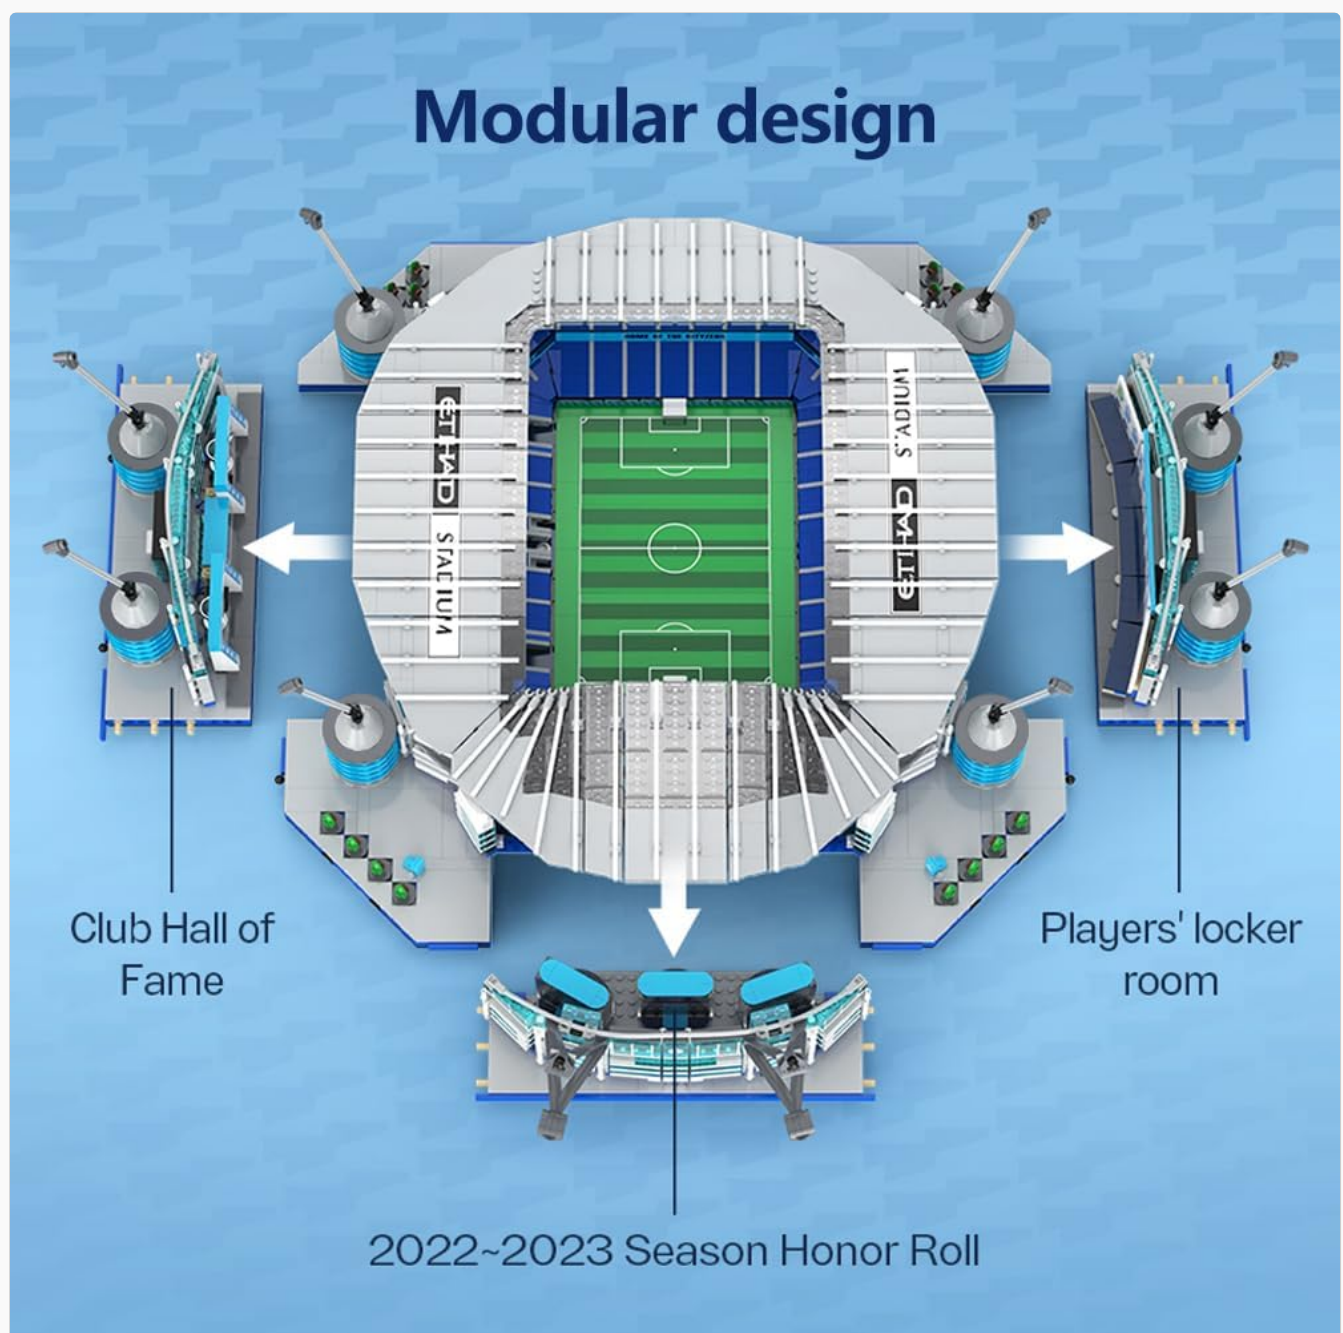

## 2. ASSEMBLY INSTRUCTIONS

The CaDA C66022W stadium model is a complex building kit consisting of 4473 pieces. Detailed step-by-step assembly instructions are provided in the separate printed manual included in your product packaging. Please refer to this manual for all construction steps.

### 2.1 Modular Design

The stadium model features a unique modular design, allowing it to be assembled and disassembled into four main sections for display and to reveal intricate interior details. These modules are:

1. **Main Stadium and Stands:** The core structure of the Etihad Stadium.
2. **2022-2023 Season Honor Roll:** A display featuring three championship cards.
3. **Players' Locker Room:** Detailed replica of the home team's changing room, including 22 player cards, a coach, and a tactical version.
4. **Club Hall of Fame:** An area dedicated to the team's achievements and trophies.

**Figure 2.1:** Illustration of the modular design, showing how the Club Hall of Fame, Players' Locker Room, and 2022-2023 Season

## 2.2 Detailed Modules

### Module 1: 2022-2023 Season Honor Roll

**Figure 2.2:** This module showcases the 2022-2023 season's achievements, including three championship cards and "Five Crown King" printing on the back.

### Module 2: Club Hall of Fame

**Figure 2.3:** The Club Hall of Fame module features historical information, honor exhibitions, and trophies, celebrating the club's legacy.

### Module 3: Players' Locker Room

**Figure 2.4:** This module represents the players' locker room and includes 22 customizable player cards, allowing fans to arrange their preferred starting lineup.

### 3. OPERATING THE LIGHTING SYSTEM

The CaDA C66022W model includes an integrated USB lighting kit to enhance the display of your stadium.

#### 3.1 Connecting the Lights

1. Locate the USB lighting strip and its connection point on the stadium model as indicated in the main assembly manual.
2. Connect the USB plug of the lighting kit to any standard USB power source (e.g., a USB wall adapter, power bank, or computer USB port).

#### 3.2 Light Effects

The lighting system features 8 different light modes, allowing you to create various atmospheric effects for your stadium. Refer to the specific instructions for the lighting kit (usually a small controller or button on the USB cable) to cycle through the modes.

**Figure 3.1:** The CaDA C66022W stadium model illuminated by its integrated USB lighting system, demonstrating the enhanced visual appeal.

## 4. MAINTENANCE

To ensure the longevity and appearance of your CaDA C66022W stadium model, follow these simple maintenance guidelines:

- **Cleaning:** Gently dust the model regularly with a soft, dry cloth or a soft-bristled brush. For more stubborn dirt, a slightly damp cloth can be used, but avoid excessive moisture. Do not use harsh chemicals or abrasive cleaners.
- **Handling:** Always handle the model with care, especially when moving or disassembling modules, to prevent pieces from detaching or breaking.
- **Storage:** Store the model in a cool, dry place away from direct sunlight and extreme temperatures, which can

cause material degradation or discoloration over time.

- **Lighting System:** Ensure the USB cable and light strip are not kinked or strained. Disconnect the USB power when the lighting is not in use for extended periods.

## 5. TROUBLESHOOTING

This section addresses common issues you might encounter with your CaDA C66022W stadium model.

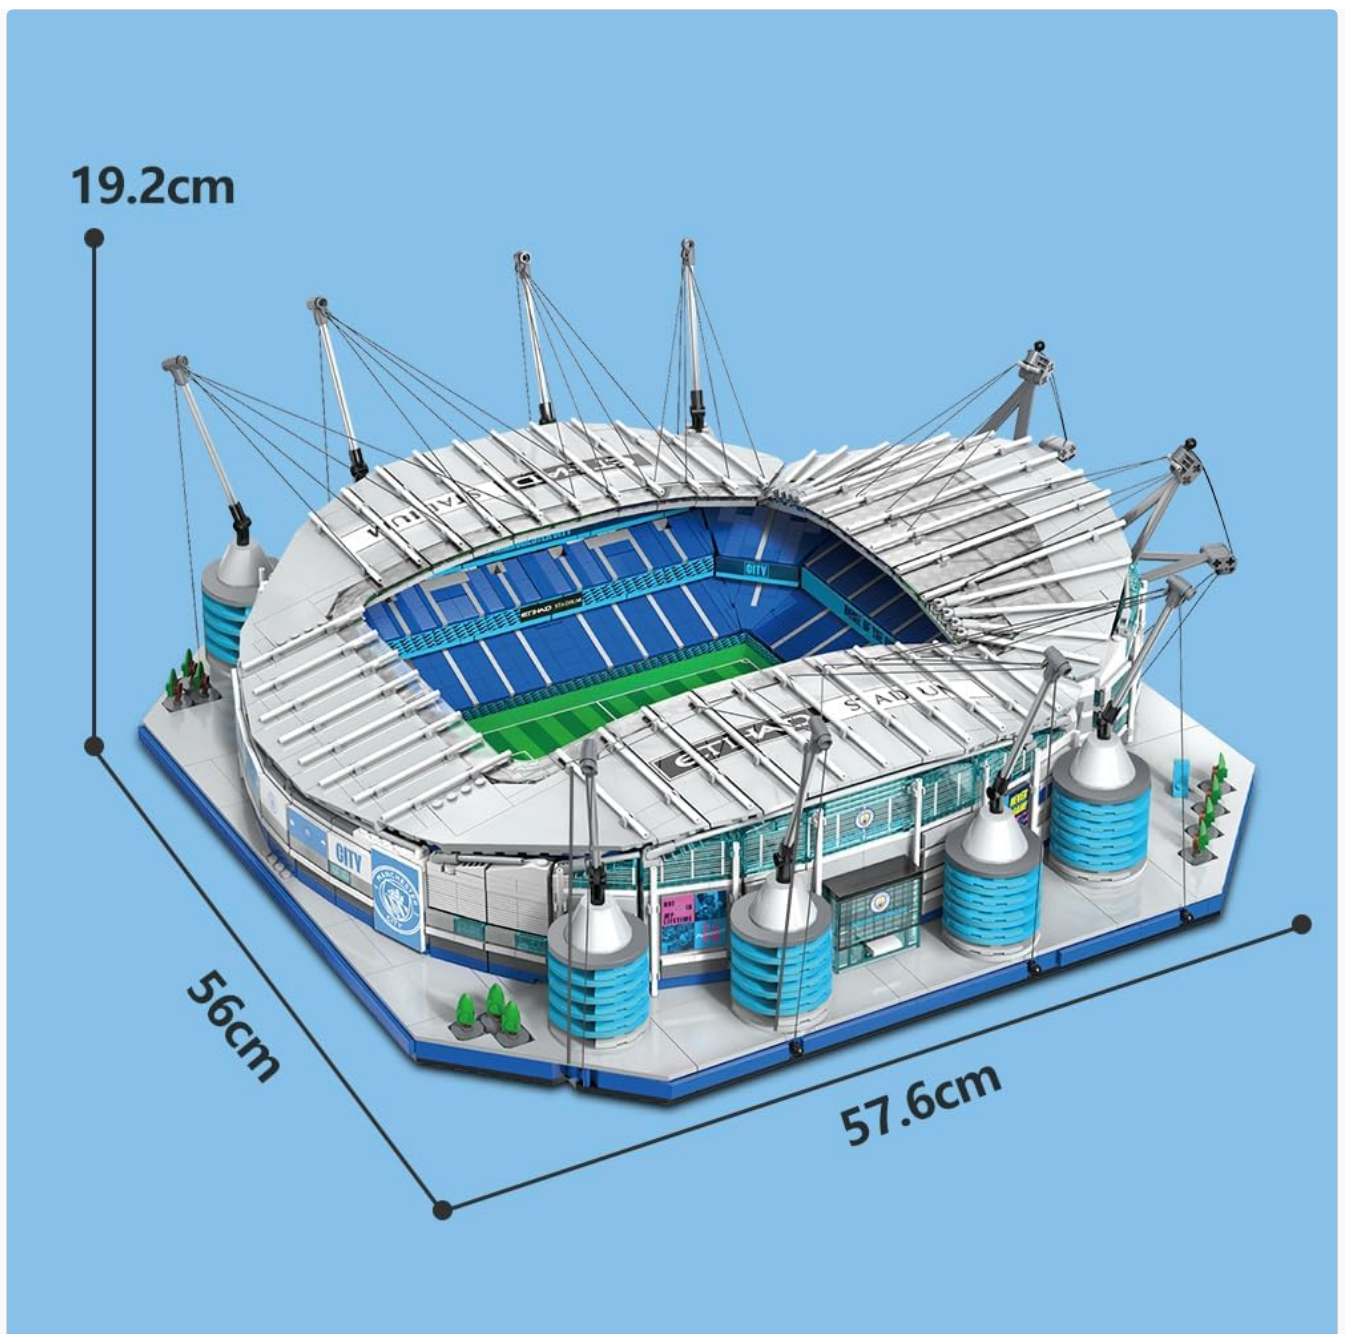

Problem	Possible Cause	Solution
Missing or damaged pieces during assembly.	Manufacturing error or transit damage.	Carefully check the parts list in the main instruction manual. Contact CaDA customer support with details of the missing/damaged parts.
Model sections do not fit together properly.	Incorrect assembly step or misaligned pieces.	Review the relevant steps in the main assembly manual. Ensure pieces are oriented correctly and fully pressed into place. Do not force pieces.
Lighting system does not turn on.	USB power issue, loose connection, or faulty light strip.	<ul style="list-style-type: none"><li>• Ensure the USB cable is securely connected to both the model and a working power source.</li><li>• Try a different USB power source.</li><li>• Check for any visible damage to the light strip or cable.</li></ul>

For issues not covered here, please refer to the comprehensive troubleshooting section in the main assembly manual or contact CaDA customer support.

## 6. PRODUCT SPECIFICATIONS

Specification	Detail
Model Number	C66022W AYI
Brand	CaDA
Product Dimensions (L x W x H)	57.6 x 56 x 19.2 cm (22.7 x 22.0 x 7.6 inches)
Item Weight	7.42 Kilograms (16.36 lbs)
Number of Pieces	4473
Material	Acrylonitrile Butadiene Styrene (ABS)
Recommended Age	14 years and up
Assembly Required	Yes
Batteries Required	No (USB powered lighting)

**Figure 6.1:** Visual representation of the CaDA C66022W stadium model's dimensions: 57.6 cm (length), 56 cm (width), and 19.2 cm (height).

## 7. SAFETY INFORMATION

**WARNING:** Not suitable for children under 3 years due to small parts which may present a choking hazard. Always supervise younger children if they are near the assembled model. Keep all packaging materials away from children.

## 8. WARRANTY AND SUPPORT

For any inquiries regarding missing parts, assembly issues, or product defects, please contact CaDA customer support. Refer to the contact information provided in the original product packaging or visit the official CaDA website for support details.

Please retain your proof of purchase for any warranty claims.
