2. Safety Information

WARNING: CHOKING HAZARD - Small Parts.

This product contains small parts and is not suitable for children under 3 years of age. Adult supervision is recommended during assembly and play to prevent accidental ingestion of small components.

- Ensure all small parts are kept away from young children.
- Do not put blocks in mouth or nose.
- Inspect blocks regularly for any damage or wear that could create sharp edges or small pieces.

3. What's in the Box

Each HOGOKIDS 24 Pack Large Building Set includes:

- Approximately 1000 mini building blocks.
- 24 individually packaged sets, each containing parts for one animal figure.
- 24 separate instruction manuals, one for each animal figure.

4. Setup and Assembly

Follow these steps to assemble your HOGOKIDS animal figures:

1. **Choose an Animal:** Select one of the 24 individually packaged sets. Each package contains the necessary blocks and a dedicated instruction manual for one animal.
2. **Open Package:** Carefully open the chosen package and empty the blocks onto a clean, flat surface.
3. **Review Instructions:** Refer to the specific instruction manual included with the package. Each manual provides step-by-step visual guides for assembly.
4. **Assemble:** Follow the numbered steps in the instruction manual to connect the blocks. Pay close attention to the orientation and placement of each piece.
5. **Verify:** Once assembled, compare your creation with the image in the manual to ensure all parts are correctly placed.

5. Operating Instructions

The HOGOKIDS building blocks are designed for intuitive assembly. Each animal figure comes with its own detailed instruction sheet to guide the building process.

Understanding the Instructions:

- Each instruction manual features clear, step-by-step diagrams.
- Numbers indicate the sequence of steps.
- Arrows show where pieces connect.
- A list of included pieces and their quantities is provided for each animal.

6. Maintenance

Proper care and maintenance will ensure the longevity of your HOGOKIDS building blocks.

Cleaning:

- Wipe blocks with a soft, damp cloth.
- Use mild soap if necessary, but avoid harsh chemicals or abrasive cleaners.
- Rinse thoroughly with clean water if soap is used.
- Air dry completely before storing to prevent mold or mildew.

Storage:

- Store blocks in a cool, dry place away from direct sunlight.
- Keep blocks in their original packaging or a designated storage container to prevent loss of small pieces.
- Avoid storing blocks in extreme temperatures, as this may affect the plastic material.

7. Troubleshooting

If you encounter any issues during assembly or play, consider the following common solutions:

Missing Pieces:

- Double-check the packaging and surrounding area for any small pieces that may have been overlooked.
- Verify the piece count against the instruction manual for the specific animal.
- If a piece is genuinely missing, contact HOGOKIDS customer support for assistance.

Difficulty Assembling:

- Ensure you are following the instruction manual step-by-step, paying close attention to the orientation of the blocks.
- Sometimes, a firm push is required to fully connect pieces.
- If a step seems unclear, try re-examining the previous steps or looking ahead to see the final structure.

Blocks Not Staying Together:

- Confirm that all pieces are fully pressed together. A click sound often indicates a secure connection.
- Ensure no foreign objects (like dust or debris) are preventing a proper connection between studs and tubes.
- Verify that the correct pieces are being used for each step as per the instructions.
