Umbro Classico 13 (USMF182145U)

Umbro Men's Classico 13 Indoor Soccer Shoe Instruction Manual

Model: Classico 13 (USMF182145U)

Introduction

This manual provides essential information for the proper use, care, and maintenance of your Umbro Men's Classico 13 Indoor Soccer Shoe. Designed for indoor soccer, this footwear offers control and performance on appropriate surfaces.

Product Features

- **Upper:** Soft quilted synthetic material for durability.
- **Outsole:** Performance rubber indoor outsole designed for optimal grip.
- **Lace System:** Traditional lace closure for a secure and adjustable fit.

Components Overview

The Umbro Classico 13 Indoor Soccer Shoe is constructed with specific materials and design elements to enhance performance and comfort.

- **Upper Material:** Polyurethane (PU) for a soft yet durable exterior.
- **Sole Material:** Synthetic Rubber, engineered for non-marking indoor surfaces.
- **Closure Type:** Lace-Up, allowing for personalized fit adjustment.

Setup and First Use

Lacing Instructions

The Classico 13 features a traditional lace-up system for a secure fit. Follow these steps for optimal comfort and support:

1. Insert your foot into the shoe, ensuring your heel is comfortably seated at the back.
2. Begin lacing from the bottom eyelets, pulling the laces evenly to remove slack.
3. Continue lacing upwards, ensuring consistent tension across the foot.
4. Tie the laces securely at the top, creating a snug fit without excessive tightness that could restrict circulation.

Initial Fit Check

After lacing, stand up and walk a few steps. The shoe should feel snug but not restrictive. Your toes should have a small amount of space at the front, and your heel should not slip excessively.

Usage Guidelines

The Umbro Classico 13 is specifically designed for indoor soccer. Its non-marking synthetic rubber outsole provides optimal traction on indoor court surfaces such as gymnasium floors or artificial turf designed for indoor play. Using these shoes on outdoor surfaces, especially abrasive ones like concrete or asphalt, may lead to premature wear of the outsole and upper materials, and may not provide the intended grip.

Maintenance and Care

Cleaning

- **Upper:** Wipe the synthetic upper with a damp cloth and mild soap. Avoid harsh chemicals or abrasive cleaners.
- **Outsole:** Brush off any dirt or debris from the sole using a soft brush. A damp cloth can be used for stubborn marks.
- **Drying:** Allow shoes to air dry naturally at room temperature. Do not expose to direct heat sources (e.g., radiators, direct sunlight) as this can damage materials.

Storage

Store your shoes in a cool, dry place away from direct sunlight when not in use. Proper storage helps maintain the shoe's shape and material integrity.

Troubleshooting

Common Issues and Solutions

- **Uncomfortable Fit:** Ensure laces are tied correctly, providing even pressure. Refer to the sizing information section to confirm you have the appropriate size.
- **Reduced Grip:** Check the outsole for excessive dirt or wear. Clean the sole thoroughly. If wear is significant, the shoe's performance may be compromised.
- **Material Wear:** Premature wear can occur if the shoes are used on inappropriate surfaces (e.g., rough outdoor terrain). Ensure usage is restricted to indoor soccer environments.

Specifications

Feature	Detail
---------	--------

Model Number	USMF182145U
Brand	Umbro
Upper Material	Polyurethane (PU)
Sole Material	Synthetic Rubber
Closure Type	Lace-Up
