MOASIS B0DZLJJMCM

Moasis Makeup Vanity Set with Mirror, Stool, and Power Station (Model: B0DZLJJMCM) - User Manual

Comprehensive instructions for assembly, operation, and maintenance.

1. INTRODUCTION

Thank you for purchasing the Moasis Makeup Vanity Set. This manual provides essential information for the safe assembly, operation, and maintenance of your new vanity set. Please read these instructions carefully before use and retain them for future reference.

Figure 1: The Moasis Makeup Vanity Set, featuring a vanity desk with an LED mirror, a comfortable stool, and a movable side cabinet with drawers.

2. SAFETY INFORMATION

To ensure safe operation and prevent damage, please observe the following safety precautions:

- Always assemble the vanity set on a clean, flat, and soft surface to prevent scratches.
- Ensure all screws and fasteners are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not overload drawers or shelves. Distribute weight evenly.
- Keep electrical components (LED mirror, power station) away from water or excessive moisture.
- Use only the provided power cord and ensure it is properly plugged into a grounded outlet.
- Do not attempt to modify or repair the electrical components yourself. Contact qualified personnel for service.
- Keep small parts and packaging materials away from children to prevent choking hazards.

3. PACKAGE CONTENTS

Before assembly, verify that all components are present and undamaged. Refer to the included parts list for detailed identification.

- Vanity Desk Top
- Vanity Desk Legs (2)
- LED Mirror
- Stool Seat
- Stool Legs (4)
- Side Cabinet with Drawers
- Power Station Unit
- Assembly Hardware (screws, bolts, Allen wrench, etc.)
- Instruction Manual (this document)

4. SETUP AND ASSEMBLY

Follow these steps carefully for proper assembly. It is recommended to have two people for certain steps.

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a soft, clean surface to prevent scratches.
2. **Assemble Vanity Desk Legs:** Attach the vanity desk legs to the main desk top using the provided hardware. Ensure they are securely fastened.
3. **Install LED Mirror:** Secure the LED mirror to the designated area on the vanity desk top. Connect the mirror's power cable to the vanity's internal wiring or power station as instructed.
4. **Assemble Stool:** Attach the stool legs to the stool seat using the provided hardware.
5. **Position Side Cabinet:** The side cabinet is designed to be flexible. Position it next to the main vanity desk as desired. It can be placed on either side or even underneath the main desk if space allows.

FLEXIBLE CABINET CAN MOVE FREELY IN POSITION

Figure 2: The side cabinet can be moved freely to suit your space and preference, allowing for various configurations.

- 6. Connect Power Station:** Plug the vanity's main power cord into a wall outlet. The integrated power station provides convenient access to AC outlets and USB ports.

Figure 3: The integrated power station includes two 125V/12A AC outlets and two 5V/2A USB ports, with a 4.7-foot power cord for easy access to power.

7. **Final Check:** Ensure all connections are secure and the vanity is stable before use.

5. OPERATING INSTRUCTIONS

5.1 LED Mirror Operation

The LED mirror features adjustable lighting for various makeup application needs.

- **Power On/Off:** Touch the designated sensor button on the mirror surface to turn the LED lights on or off.
- **Adjust Brightness:** Press and hold the sensor button to cycle through brightness levels. Release when the desired brightness is achieved.
- **Change Light Color:** Briefly touch the sensor button to switch between the three available light colors: white light, warm white, and warm light.

5.2 Power Station Usage

The integrated power station provides convenient charging and power access.

- **AC Outlets:** Plug in hair dryers, curling irons, or other small appliances into the 125V/12A AC outlets.
- **USB Ports:** Connect your smartphones, tablets, or other USB-powered devices to the 5V/2A USB ports for charging.
- Ensure that the total power consumption of connected devices does not exceed the rated capacity of the power station.

5.3 Drawer Usage

The vanity set includes multiple drawers for organized storage.

- The drawers feature smooth 3-fold slides for easy opening and closing.
- Use the exquisite handles to access the drawers.

SMOOTH 3-FOLD SLIDE

EXQUISITE HANDLE

SLEEK & STURDY PLASTIC PANEL

Figure 4: Detailed view of the drawer construction, highlighting the smooth 3-fold slide mechanism, the elegant handle, and the durable plastic panel design.

- Organize makeup, skincare, jewelry, and other essentials within the spacious drawers.

6. MAINTENANCE

Regular maintenance will help prolong the life and appearance of your vanity set.

- **Cleaning Surfaces:** Wipe all surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Mirror Cleaning:** Use a glass cleaner specifically designed for mirrors. Spray onto a cloth, then wipe the mirror surface. Do not spray directly onto the mirror to avoid liquid seeping into electrical components.
- **Drawer Slides:** Periodically check drawer slides for smooth operation. If they become stiff, a small amount of silicone-based lubricant can be applied.
- **Electrical Components:** Keep the power station and mirror free of dust. Unplug the unit before cleaning electrical components.
- **Hardware Check:** Every few months, check all screws and bolts to ensure they are tight. Re-tighten if necessary to maintain stability.

7. TROUBLESHOOTING

If you encounter issues with your Moasis Makeup Vanity Set, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
LED mirror lights do not turn on.	Not plugged in. Power outlet issue. Loose connection to mirror.	Ensure the vanity is plugged into a working wall outlet. Test the outlet with another device. Check the mirror's power cable connection.
LED mirror lights flicker or are dim.	Brightness setting too low. Power fluctuation.	Adjust brightness using the sensor button. Ensure a stable power supply.
Power station outlets/USB ports not working.	Vanity not plugged in. Overload.	Verify the main power cord is securely plugged in. Unplug some devices to check for overload.
Drawers are stiff or difficult to open/close.	Misalignment. Debris in slides.	Check drawer alignment and re-adjust if possible. Clean drawer slides and apply lubricant if needed.
Vanity feels unstable.	Loose hardware. Uneven floor.	Re-tighten all assembly screws and bolts. Place on a level surface or use shims if necessary.

If the problem persists after attempting these solutions, please contact customer support.

8. SPECIFICATIONS

Feature	Detail
