SAFETY INFORMATION

Caution: Contains small parts which may be ingested and cause choking in children under 3 years of age. Adult supervision is recommended during play, especially with younger children.

PACKAGE CONTENTS

Before you begin, please ensure all components are present:

- 1 Basta Histeria Game Unit (with integrated spinner and timer button)
- Category Cards (approximately 100 categories)

SETUP

1. Place the Basta Histeria game unit on a flat, stable surface accessible to all players.
2. Shuffle the category cards thoroughly and place them face down in a stack next to the game unit.
3. Each player should have a clear space in front of them to collect their winning cards.

OPERATING INSTRUCTIONS: HOW TO PLAY

The objective of Basta Histeria is to be the first player to collect 10 category cards by quickly naming items that fit specific criteria. The pressure builds as a 5-second timer counts down!

Game Flow:

1. **Player's Turn:** The current player draws a category card and reads it aloud.
2. **Spin the Wheel:** The player then spins the letter wheel and the number wheel on the game unit. The letter wheel determines the starting letter for the answers, and the number wheel indicates how many items must be named.
3. **Start the Timer:** Once the letter and number are determined, the player presses the red button on the game unit to start the 5-second timer.
4. **Respond Quickly:** The player must quickly name the specified number of items that fit the category and start with the chosen letter before the 5-second timer runs out.
5. **Winning a Card:** If the player successfully names all items within 5 seconds, they keep the category card. If they fail, the card is returned to the bottom of the deck.
6. **Next Turn:** Play passes to the next player in a clockwise direction.

Winning the Game:

The first player to collect 10 category cards wins the game!

Game Variations:

The game offers different difficulty levels. Players can choose to play the 'Easy' or 'Difficult' version, which may involve different categories or response requirements. Consult the category cards for specific instructions on difficulty variations.

MAINTENANCE

To ensure the longevity of your Basta Histeria board game:

- Store the game in its original box in a cool, dry place away from direct sunlight.
- Keep the game unit and cards clean by wiping them with a soft, dry cloth. Avoid using abrasive cleaners or solvents.

- Handle cards with care to prevent bending or tearing.
- Do not immerse the game unit in water or any other liquid.

TROUBLESHOOTING

Game Unit Not Functioning:

- Ensure the button is pressed firmly. The timer is mechanical and does not require batteries.
- Check for any obstructions around the spinner or button mechanism.

Missing Components:

- If any components are missing upon opening the box, please contact Novelty customer support.

Unclear Rules:

- Refer to the 'How to Play' section of this manual for detailed instructions.
- For further clarification, visit the official Novelty website or contact customer support.
