## TIRTIR TIR-012WP

# TIRTIR Waterproof Setting Spray (Model TIR-012WP) Instruction Manual

Brand: TIRTIR | Model: TIR-012WP

## PRODUCT OVERVIEW

The TIRTIR Waterproof Setting Spray is designed to keep makeup intact for up to 24 hours, even under challenging conditions such as sweat, water, and outdoor activities. Its non-sticky, ethanol-free formula provides a breathable, semi-matte finish suitable for all skin types, including sensitive skin. This product is clinically tested to resist smudging and transfer, ensuring a fresh and flawless look throughout the day.

**#longlasting #waterproof #hardset**

**ENJOY 24-HOUR  
PERFECT HOLD WITH  
4 MULTI-PROOF**

**Waterproof / Sweat-proof  
Transfer-proof / Pool chlorine-proof**

Its lightweight formula instantly forms a protective layer between your skin and makeup, **ensuring your makeup stays 24-hour**

Image: The TIRTIR Waterproof Setting Spray's key features, including its 24-hour hold and multi-proof capabilities against water, sweat, transfer, and pool chlorine.

## SETUP AND USAGE

### Directions for Use:

1. Use before or after applying makeup.

2. Gently shake the container up and down.
3. Evenly spray on the face from a distance of 20-30cm (approximately 8-12 inches) while keeping eyes closed.
4. Wait until the setting spray is completely dry.

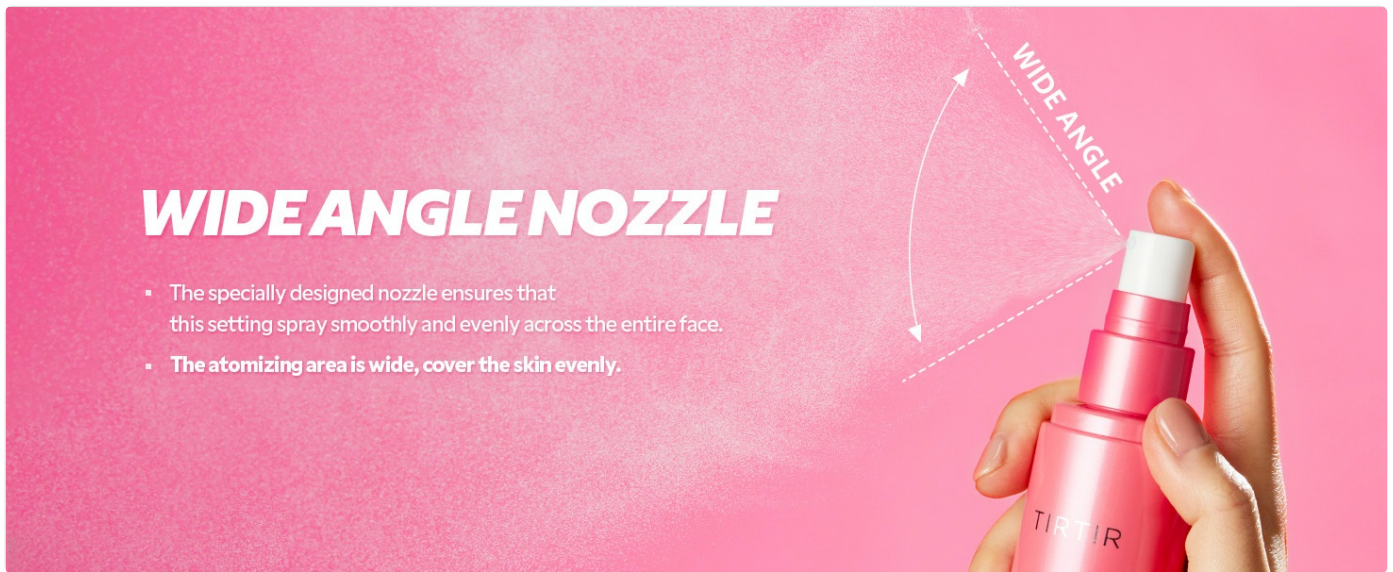

Image: A visual guide demonstrating the application process of the TIRTIR setting spray, along with tips for using it with base makeup and point makeup.

### Application Tips:

- **For Base Makeup:** For a more flawless finish, spray the fixer onto a sponge or brush before applying foundation.
- **For Point Makeup:** To boost eye makeup adhesion, spray the fixer on your brush before applying eyeshadow or glitter.

### MAINTENANCE

After each use, wipe the nozzle area clean before storing the product to prevent clogging and ensure optimal spray performance.

### SAFETY INFORMATION

For external use only. Keep out of reach of children. Discontinue use if signs of irritation or rashes appear.

### INGREDIENTS
