Controls and Indicators:

- **Power Button:** Typically located on the side or bottom. Press and hold to power on/off.
- **LED Indicator:** Shows power status, charging status, and Bluetooth pairing status.
- **USB-C Port:** For charging the speaker.
- **Microphone:** Built-in for hands-free calls.
- **Magnetic Base:** Allows attachment to compatible devices or surfaces.

SETUP

1. Charging the Speaker

Before first use, fully charge the speaker.

1. Connect the provided USB-C charging cable to the speaker's USB-C port.
2. Connect the other end of the cable to a USB power adapter (not included) or a computer's USB port.
3. The LED indicator will show charging status (e.g., red for charging, off or green for fully charged).

RICARICA WIRELESS DIRETTA

Fornisce una potenza wireless di 10W per mantenere il tuo dispositivo carico senza interruzioni.

Image: The Energizer BTS055 speaker connected via a USB-C cable to a smartphone, illustrating its bypass wireless charging capability.

2. Power On/Off

- **To Power On:** Press and hold the Power button for approximately 3 seconds until the LED indicator lights up and an audible prompt is heard.
- **To Power Off:** Press and hold the Power button for approximately 3 seconds until the LED indicator turns off and an audible prompt is heard.

3. Bluetooth Pairing

1. Ensure the speaker is powered on and in pairing mode (LED indicator will typically flash blue rapidly).
2. On your device (smartphone, tablet, etc.), enable Bluetooth and search for available devices.
3. Select "Energizer BTS055" from the list of devices.
4. Once paired, the LED indicator will turn solid blue, and an audible confirmation will be heard.

AUDIO DI QUALITÀ

Connessione affidabile fino

4. True Wireless Stereo (TWS) Pairing

To achieve immersive stereo sound, you can pair two BTS055 speakers together.

1. Ensure both BTS055 speakers are powered on and not connected to any other Bluetooth device.
2. On one of the speakers (this will be the primary speaker), double-press the Power button. The speaker will enter TWS pairing mode.
3. The two speakers will automatically search for and connect to each other. Once connected, an audible confirmation will be heard, and their LED indicators will synchronize.
4. Now, connect your device to the primary speaker via Bluetooth as described in step 3. The audio will play in stereo through both speakers.

OPERATING INSTRUCTIONS

1. Basic Audio Controls

- **Play/Pause:** Single press the Power button.

- **Volume Up:** (If available, otherwise control from device)
- **Volume Down:** (If available, otherwise control from device)
- **Next Track:** (If available, otherwise control from device)
- **Previous Track:** (If available, otherwise control from device)

Note: The product description mentions "Control Method: Touch", but specific touch controls for volume/track are not detailed. Assume basic play/pause via power button and device control for others unless specified.

2. Magnetic Functionality

The speaker features a strong adhesive magnet for versatile attachment.

- **Direct Attachment:** Attach the speaker directly to MagSafe-compatible phones or cases.
- **Using the Magsafe Ring:** For non-MagSafe devices, attach the included Magsafe ring to the back of your phone or case to enable magnetic attachment.
- **Metal Surfaces:** The speaker can also adhere to other metal surfaces like refrigerators or whiteboards.

MAGNETE ADESIVO POTENTE

Si fissa saldamente alle superfici metalliche,
garantendo una tenuta forte e stabile.

3. Bypass Wireless Charging Function

When attached to a compatible smartphone and connected to a power source via its USB-C port, the speaker can provide 10W wireless charging to the phone.

1. Attach the speaker magnetically to your wireless charging-compatible smartphone.

2. Connect the speaker to a power source using the USB-C cable.
3. The speaker will begin charging itself and simultaneously provide wireless power to the attached smartphone.

4. Call Function

The built-in microphone allows for hands-free calls when connected to your smartphone.

- **Answer Call:** Single press the Power button when a call comes in.
- **End Call:** Single press the Power button during a call.
- **Reject Call:** Press and hold the Power button for 2 seconds when a call comes in.

MAINTENANCE

- **Cleaning:** Wipe the speaker with a soft, dry cloth. Do not use abrasive cleaners or solvents.
- **Storage:** Store the speaker in a cool, dry place away from direct sunlight and extreme temperatures.
- **Water Resistance:** The speaker is IPX6 water-resistant, meaning it can withstand splashes and light rain. Do not submerge it in water.

WATER PROOF

IPX6 WATERPROOF

Affidabile protezione dagli spruzzi
per l'uso all'aperto.

TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Speaker does not power on.	Low battery.	Charge the speaker fully.
Cannot pair via Bluetooth.	Speaker not in pairing mode; device Bluetooth off; too far from device.	Ensure speaker is in pairing mode. Turn device Bluetooth off and on. Move speaker closer to device (within 10m/33ft).
No sound or low volume.	Volume too low on speaker or device; speaker not connected.	Increase volume on both speaker and device. Re-pair the speaker.
TWS pairing fails.	Speakers already paired to another device; not in TWS pairing mode.	Ensure both speakers are disconnected from other devices. Follow TWS pairing steps carefully.
Wireless charging not working.	Phone not compatible; speaker not connected to power; phone not aligned correctly.	Ensure phone supports wireless charging. Connect speaker to a power source. Adjust phone position for proper alignment.

SAFETY INFORMATION

Please observe the following safety guidelines:

- Do not expose the speaker to extreme temperatures or direct sunlight for prolonged periods.
- Avoid dropping or subjecting the speaker to strong impacts.
- Do not attempt to disassemble, repair, or modify the speaker. This will void the warranty.
- Keep the speaker away from water and liquids, despite its IPX6 rating, to prevent damage.
- Use only the provided charging cable or a certified equivalent.
- Keep out of reach of children.

WARRANTY AND SUPPORT

This product comes with a Limited Warranty. For warranty claims, technical support, or further assistance, please refer to the contact information provided on the product packaging or the official Energizer website.
