NOVAMAISON SH0006YE

NOVAMAISON Rustic Brown 2-Drawer Shoe Cabinet Instruction Manual

Model: SH0006YE

1. INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your NOVAMAISON Rustic Brown 2-Drawer Shoe Cabinet. This cabinet is designed to offer efficient shoe storage with a compact footprint, suitable for entryways, hallways, or living rooms. It features two flip drawers, adjustable internal shelving, and an open bottom space for additional storage.

2. INCLUDED COMPONENTS

Before beginning assembly, please verify that all components listed below are present and undamaged.

- Shoe cabinet panels (engineered wood)
- Hardware kit (screws, dowels, cam locks, etc.)
- Assembly instructions manual
- Metal handles
- Solid wood legs
- Anti-tipping hardware

3. SETUP AND ASSEMBLY

Assembly is required for this shoe cabinet. Please follow the included assembly instructions carefully. It is recommended to assemble the unit on a soft, clean surface to prevent scratches.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out. Verify against the parts list in the separate instruction manual.
2. **Assemble Frame:** Connect the side panels to the top and bottom panels using the provided hardware. Ensure all connections are secure.
3. **Install Drawer Mechanisms:** Attach the flip drawer mechanisms to the cabinet frame according to the diagrams.
4. **Assemble Drawers:** Construct the two flip drawers and attach them to their respective mechanisms.
5. **Attach Legs:** Secure the solid wood legs to the base of the cabinet.
6. **Install Handles:** Attach the metal handles to the front of the flip drawers.
7. **Adjust Shelves:** The internal shelves within each flip drawer are adjustable. Position them to accommodate your

footwear.

- Secure Anti-Tipping Device:** For safety, it is crucial to secure the cabinet to a wall using the provided anti-tipping hardware. This prevents accidental tipping, especially in households with children or pets.

Image 3.1: Illustration of the anti-tipping mechanism installation, essential for stability and safety.

4. OPERATION

4.1 Using the Flip Drawers

The cabinet features two flip drawers for concealed shoe storage. To access your shoes, gently pull the metal handle on the front of the drawer. The drawer will tilt forward, revealing the internal shelves. Push the drawer back into place to close it securely.

4.2 Adjustable Shelving

Each flip drawer contains two layers of storage with an adjustable and removable panel. This allows you to customize the

space to fit various shoe types, from flats and sneakers to mid-boots and heels. To adjust a shelf, carefully lift it from its current position and place it into the desired slot.

Image 4.1: The adjustable internal shelves can be configured to store various shoe sizes and styles.

4.3 Open Bottom Storage

The bottom section of the cabinet provides open storage space, ideal for slippers or for accommodating a sweeping robot.

5. MAINTENANCE AND CARE

- **Cleaning:** Wipe the cabinet surfaces with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, which can damage the finish.
- **Dusting:** Regularly dust the cabinet to maintain its appearance.
- **Spills:** Immediately wipe up any spills to prevent staining or damage to the engineered wood.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading or discoloration.
- **Check Hardware:** Periodically check all screws and connections to ensure they remain tight. Tighten if necessary.

6. SAFETY INFORMATION

To ensure safe use of your shoe cabinet, please adhere to the following guidelines:

- **Anti-Tipping Device:** Always install and properly secure the provided anti-tipping hardware to a wall. This is critical to prevent the cabinet from falling over, which can cause serious injury.
- **Weight Distribution:** Distribute the weight of shoes evenly across the shelves. Avoid placing excessively heavy items on the top surface or in a single drawer.
- **Top Fence:** The top fence is designed to prevent small items from falling off. Do not overload the top surface.
- **Children and Pets:** Keep children and pets away from the cabinet during assembly. Ensure all small parts and hardware are out of their reach.
- **Stable Surface:** Place the cabinet on a flat, stable surface.

7. PRODUCT SPECIFICATIONS

Feature	Detail
Brand	NOVAMAISON
Model Number	SH0006YE
Color	Rustic Brown
Product Dimensions	29.5"W x 9.4"D x 45.2"H
Material	Engineered Wood, Wood
Item Weight	39 Pounds
Number of Drawers	2 (Flip Drawers)
Special Features	Adjustable Shelf, Anti-Tipping, Scratch Resistant

Image 7.1: Detailed dimensions of the shoe cabinet.

8. TROUBLESHOOTING

Problem	Possible Cause	Solution
Drawers do not close smoothly or are misaligned.	Incorrect assembly of drawer mechanisms or loose hardware.	Review the assembly instructions for the drawer mechanisms. Ensure all screws are tightened and components are correctly aligned.
Cabinet feels unstable or wobbly.	Uneven floor surface or anti-tipping device not installed.	Ensure the cabinet is on a level surface. Install the anti-tipping hardware to secure the cabinet to the wall. Check that all leg connections are tight.
Missing parts or damaged components.	Manufacturing error or shipping damage.	Contact NOVAMAISON customer support with your purchase details and a description of the missing/damaged parts.

9. WARRANTY AND CUSTOMER SUPPORT

NOVAMAISON is committed to providing quality products. For any questions, concerns, or assistance with your product, please contact NOVAMAISON customer support. Please have your model number (SH0006YE) and purchase information ready when contacting support.

Refer to your purchase documentation for specific warranty details.
