JAMFLY U-Shaped Modular Sectional Sofa with Chaise

Model: B0DZNNTZ9T

Instruction Manual

1. Introduction

Thank you for choosing the JAMFLY U-Shaped Modular Sectional Sofa with Chaise. This manual provides essential information for the proper assembly, safe operation, and maintenance of your new furniture. Please read these instructions carefully before beginning assembly and retain them for future reference.

2. Safety Information

- Keep the sofa away from open flames or high heat sources to prevent fire hazards.
- Do not place objects on the sofa that exceed the maximum weight capacity of 880 pounds. Overloading can cause damage or injury.
- Supervise children and pets when they are near the sofa, especially when handling removable covers, to avoid risks of entrapment or injury.
- Ensure all components are securely fastened during assembly and periodically check for tightness.

3. Package Contents

Your JAMFLY U-Shaped Modular Sectional Sofa is delivered in three separate boxes. Please ensure all three boxes are received before beginning assembly.
Upon opening, you will find:

- Sofa sections (modular components)
- Seat cushions (vacuum-packed)
- Back cushions
- Armrests
- Legs
- Assembly hardware and instructions

Important: The seat cushions are vacuum-packed. After opening their packaging, allow approximately 48

hours for them to fully expand and return to their original shape and firmness for optimal comfort.

4. Setup and Assembly

Assembly of the JAMFLY Sectional Sofa is designed to be straightforward. While clear instructions are provided, please note that assembly tools are not included. Ensure you have the necessary tools before starting.

Assembly Steps:

1. **Unpack Components:** Carefully remove all parts from the three boxes. Lay them out on a clean, soft surface to prevent scratches.
2. **Attach Legs:** Securely attach the furniture legs to the bottom of each sofa section. Ensure they are tightened firmly.
3. **Connect Sections:** Position the modular sofa sections as desired to form the U-shape. Use the built-in component connectors to link the sections together. Ensure each connection is secure.

4. **Place Cushions:** Once the frame is assembled, unwrap the vacuum-packed seat cushions and allow them to expand for 48 hours. Place the seat and back cushions onto the sofa.
5. **Attach Armrests:** Position the detachable armrests as shown in the assembly guide.

Figure 4.1: Detachable Armrest Dimensions. The image highlights the dimensions of the soft, wide armrest (27.6" long, 10" wide, 5.1" thick).

5. Operating and Usage

The JAMFLY Sectional Sofa is designed for comfortable seating and relaxation in living room environments. It features a robust solid wood frame and high-density sponge filling for durability and support.

- **Seating Capacity:** This sofa is designed to comfortably seat up to 4 individuals.
- **Weight Limit:** The maximum weight capacity for the entire sofa is 880 pounds. Distribute weight evenly across

the seating areas.

- **Comfort Features:** Enjoy the high-density sponge cushions and soft, detachable armrests for enhanced comfort.

6. Maintenance

Proper care and maintenance will extend the life and appearance of your JAMFLY Sectional Sofa.

- **Cleaning Covers:** The sofa features fully removable and washable covers. Refer to the care label on the covers for specific washing instructions. Generally, machine wash cold on a gentle cycle and air dry to prevent shrinking or damage.
- **Spot Cleaning:** For minor spills, blot immediately with a clean, dry cloth. Avoid rubbing, which can spread the stain. Use a mild fabric cleaner if necessary, testing on an inconspicuous area first.

- **Regular Vacuuming:** Vacuum the sofa regularly using an upholstery attachment to remove dust and debris.
- **Fluff Cushions:** Periodically fluff and rotate seat and back cushions to maintain their shape and even out wear.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fabric fading. Position your sofa away from direct sun or use curtains/blinds.

7. Troubleshooting

If you encounter any issues with your JAMFLY Sectional Sofa, please refer to the following common solutions:

Problem	Possible Cause	Solution
Cushions appear flat or misshapen.	Vacuum-packed cushions have not fully expanded.	Allow up to 48 hours for cushions to fully expand after unpacking. Fluff them periodically to aid expansion.
Sofa sections feel loose or unstable.	Component connectors are not fully engaged or tightened.	Ensure all built-in component connectors are properly aligned and securely fastened between sections. Check that legs are tightened.
Fabric appears wrinkled or creased.	Result of packaging or initial use.	Lightly steam the fabric or allow time for wrinkles to naturally relax with use. Ensure cushions are fully expanded.
