OLIGHT O-SPHERE-C-300000

OLIGHT Sphere C Smart Night Light User Manual

Model: O-SPHERE-C-300000 | Brand: OLIGHT

INTRODUCTION

The OLIGHT Sphere C is a versatile and portable smart night light designed to enhance your living spaces with customizable ambient lighting. Featuring USB-C recharging, stepless dimming, and smart app control, it's suitable for various uses including night light, bedside lamp, nursery light, and table lamp. Its magnetic base allows for convenient placement on metal surfaces.

WHAT'S IN THE BOX

Upon unboxing your OLIGHT Sphere C, please ensure all the following components are present:

- Sphere C x 2
- User Manual

Note: A USB-C charging cable is not included in the package.

SETUP

Charging the Sphere C

The Sphere C is equipped with a USB-C charging port for universal compatibility. To charge, simply connect a standard USB-C cable (not included) to the port on the device and a power source. The light will indicate its charging status.

Sphere C **Universal USB-C Charging**

Charge it with your USB-C cables.

Note: The USB-C charging cable is not included in the package.

Initial App Pairing (Optional)

For full control and customization features, download the official OLIGHT app from your device's app store. Follow the in-app instructions to pair your Sphere C lights. Ensure your device's Bluetooth is enabled.

Navigate Remotely with App Control

Check your battery level percentage, achieve stepless dimming, or select any desired mode with a quick tap.

OPERATING INSTRUCTIONS

Manual Control

The Sphere C can be operated directly using the button located on its base:

- **Single Press:** Turns the light ON.
- **Double Press:** Turns the light OFF.
- **Press and Hold:** Activates stepless dimming to adjust brightness.
- **Press to Cycle:** Cycles through 7 lighting modes, including white light, red light, red flash, and four customizable colorful modes.

Image: The OLIGHT Sphere C in hand, highlighting the button for manual operation.

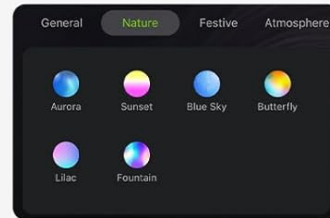

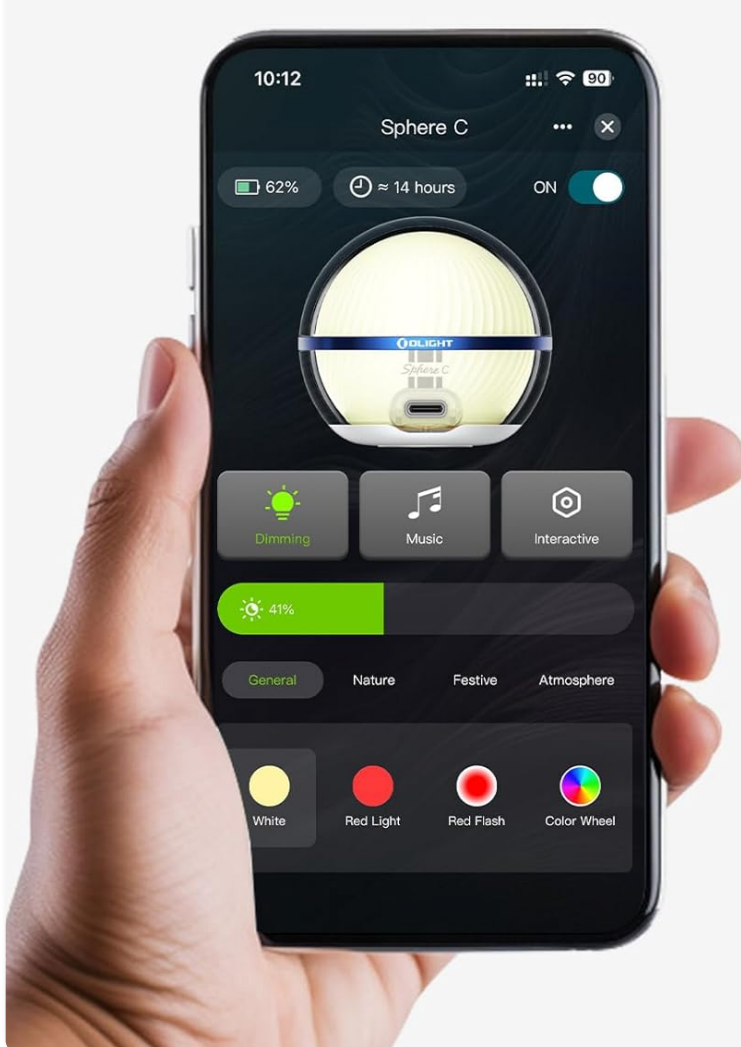

App Control Features

The OLIGHT app provides extensive control over your Sphere C lights:

- **Brightness Adjustment:** Fine-tune the light intensity.
- **Multiple Lighting Modes:** Access over 20 distinct lighting effects across various categories (General, Nature, Festive, Atmosphere).
- **Power Monitoring:** Check battery levels.
- **Interactive Features:** Utilize group control for multiple lights, music rhythm synchronization, and countdown timers.
- **Auto-Off Timers:** Set timers for the light to automatically turn off.

20+ Lighting Modes

Pick a distinct lighting effect from the four available categories to match your vibe perfectly.

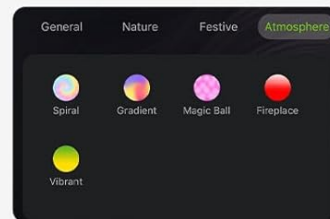

Nature

Reconnect with nature right from your home.

Festive

Rekindle your childhood's jubilant festivals.

Atmosphere

Lighten up your moments the way you want.

Magnetic Placement

The Sphere C features a strong magnetic base, allowing it to be securely attached to various metal surfaces for hands-free illumination. This magnetic adhesion also ensures stable charging when placed on compatible magnetic charging pads (if applicable, though USB-C is primary).

Stronger Magnetic Attraction

MAINTENANCE

To ensure the longevity and optimal performance of your OLIGHT Sphere C, follow these maintenance guidelines:

- **Cleaning:** Wipe the surface of the light with a soft, damp cloth. Avoid using abrasive cleaners or solvents.
- **Water and Dust Resistance:** The Sphere C is rated IP56, meaning it is protected against dust ingress and high-pressure water jets from any direction. While resistant, avoid prolonged submersion.
- **Impact Resistance:** The device is designed to be impact-resistant up to 1.5 meters. However, avoid dropping it from significant heights to prevent damage.
- **Storage:** Store the light in a cool, dry place when not in use for extended periods.

TROUBLESHOOTING

If you encounter issues with your OLIGHT Sphere C, please refer to the following common solutions:

| Problem | Possible Cause / Solution |
|------------------------------|---|
| Light does not turn on. | Battery may be depleted. Charge the device using a USB-C cable. Ensure the button is pressed correctly. |
| App control not working. | Ensure Bluetooth is enabled on your device. The Sphere C is not compatible with Olink. For multiple Spheres, keep them within 5 inches of each other for optimal app control. Try re-pairing the device in the app. |
| Light not charging. | Check the USB-C cable and power adapter. Ensure the cable is fully inserted into the port. Try a different cable or power source. |
| Inconsistent lighting modes. | Ensure the device is fully charged. If using app control, check for app updates. |

SPECIFICATIONS

| Feature | Detail |
|--------------------|--|
| Product Dimensions | 2.26"D x 2.26"W x 2.64"H |
| Item Weight | 0.2 Pounds (3.2 ounces) |
| Lamp Type | Night Light |
| Shade Material | Polycarbonate |
| Brightness | 75 Lumens (Max) |
| Power Source | Battery Powered (1 Lithium Polymer battery included) |
| Control Method | App, Touch |

| Feature | Detail |
