BABY born Annabell 43cm Doll Instruction Manual

Model: 838396

Introduction

Thank you for choosing the BABY born Annabell 43cm doll. This manual provides essential information for the safe and enjoyable use of your new doll. Please read these instructions carefully before first use and retain them for future reference. Annabell is an interactive doll designed to provide a realistic and nurturing play experience for children.

Safety Information

Warning: Not suitable for children under 36 months due to small parts that may present a choking hazard.

- Always supervise children during play.
- Keep packaging materials away from children to prevent suffocation.
- Inspect the doll and accessories regularly for any damage. Discontinue use if damaged.
- Use only accessories provided or approved by Baby Born for this doll.

Setup

1. **Unboxing:** Carefully remove the doll and all accessories from the packaging. Dispose of packaging materials responsibly.
2. **Initial Cleaning:** Before first use, gently wipe the doll's surface with a damp cloth. Ensure all accessories are clean.
3. **Dressing the Doll:** Annabell comes dressed in a soft pink romper and matching hat. You may change her outfit with other BABY born doll clothing (sold separately) as desired.
4. **Battery Installation (if applicable):** While specific battery requirements are not detailed, if your Annabell doll has electronic functions, locate the battery compartment (usually on the back or stomach) and insert the required

batteries (e.g., AA or AAA, not included) following the polarity indicators. Secure the compartment cover.

Operating Instructions

The BABY born Annabell doll offers various interactive features for engaging play:

- **Interactive Play:** Annabell is designed for cuddling and imaginative role-play. Children can interact with her as they would with a real baby.

- **Feeding:** Fill the included bottle with water (do not use other liquids). Place the bottle in Annabell's mouth. She may make realistic 'gurgle slurp' sounds as she drinks.

- **Sound Functions:** Annabell is equipped with various sound functions, such as gurgling, sucking, and other baby sounds, to enhance the play experience.
- **Baby Gymnastics:** Gently move Annabell's limbs to simulate baby gymnastics, promoting interactive and caring play.

Maintenance

- **Cleaning the Doll:** Surface wash only. Use a damp cloth with mild soap to clean the doll. Do not immerse the doll in water, especially if it contains electronic components.
- **Cleaning Accessories:** Wash the bottle and pacifier with warm, soapy water and rinse thoroughly. Allow to air dry completely.
- **Clothing Care:** The doll's clothing can be hand-washed or machine-washed on a gentle cycle with cold water. Air dry.
- **Storage:** Store the doll and accessories in a clean, dry place away from direct sunlight and extreme temperatures when not in use.

Troubleshooting

- **Doll Not Making Sounds:** Ensure batteries (if applicable) are correctly installed and not depleted. Replace batteries if necessary.
- **Water Leakage:** Ensure the bottle is properly inserted and the doll is held upright during feeding. If leakage persists, check for damage to the bottle or doll's mouth mechanism.
- **General Malfunction:** If the doll is not functioning as expected, try removing and reinserting batteries (if applicable) to reset. If issues persist, contact customer support.
