Vicco Wicko Changing Table Top Instruction Manual

Model: 54278 | Dimensions: 80 x 76 cm | Color: White

1. INTRODUCTION

This manual provides essential instructions for the safe assembly, use, and maintenance of your Vicco Wicko Changing Table Top. Please read this manual thoroughly before assembly and retain it for future reference.

1.1 Product Overview

The Vicco Wicko Changing Table Top is designed to provide a secure and convenient surface for changing your baby. It features practical storage possibilities to keep baby care essentials within reach. This changing table top is compatible with many dressers, including popular IKEA models like Malm and Hemnes.

2. IMPORTANT SAFETY WARNINGS

Failure to follow these warnings and instructions could result in serious injury or death.

- **Never leave your child unattended** on the changing table. Always keep your child within arm's reach.
- To prevent serious injuries from furniture tipping over, this changing table top **must be securely fastened to the wall**. Use appropriate wall fixings suitable for your home's walls.
- All mounting hardware must be sufficiently tightened and checked regularly for security.
- Carefully follow each step of the assembly instructions.
- Ensure that the changing mat used is appropriate for the changing table top's dimensions and provides sufficient protective edges.
- Do not use the item if any defect is present.
- The changing table top is designed to support a maximum weight of **11 kg (approximately 2 years of age)**.

- Avoid open flames and other strong heat sources (e.g., electric heaters, gas ovens) in the immediate vicinity of the changing area.
- Replacement parts should only be purchased from the manufacturer or supplier.

3. PACKAGE CONTENTS

Please verify that all components listed below are present before beginning assembly.

- Vicco Wicko Changing Table Top components
- Assembly instructions
- Mounting hardware (decoration and dresser not included)

4. SETUP AND ASSEMBLY

Follow the included assembly instructions carefully. Ensure you have adequate space and the necessary tools for assembly.

4.1 Assembly Steps

1. Unpack all components and verify against the package contents list.
2. Assemble the main frame of the changing table top according to the diagrams in the separate assembly guide.
3. Attach the side dividers to create the storage compartments.
4. Position the assembled changing table top onto a suitable dresser. The unit is designed to fit many dressers, including IKEA Malm and Hemnes models.
5. **Secure the changing table top to the dresser and the wall using the provided anti-tip device and anti-slip metal piece.** This is crucial for stability and safety.
6. Ensure the depth is adjusted correctly for a snug fit on your dresser.

5. OPERATING INSTRUCTIONS

5.1 Using the Changing Table Top

- Place a suitable changing mat within the designated area of the changing table top. Ensure the mat fits snugly and has raised edges for added safety.
- Organize baby care essentials such as diapers, wipes, creams, and clothing in the side compartments for easy access.
- Always place your baby gently on the changing mat.
- **Maintain constant supervision of your child while they are on the changing table. Never turn your back or leave them unattended, even for a moment.**
- Keep all necessary items within your reach, but out of the baby's reach, to avoid having to step away.

6. CARE AND MAINTENANCE

- To clean the changing table top, wipe surfaces with a soft, damp cloth.
- Use a mild, non-abrasive cleaning agent if necessary. Avoid harsh chemicals or abrasive materials, as these can damage the melamine resin coating.
- Dry thoroughly after cleaning to prevent moisture damage.
- Regularly inspect all screws and fittings to ensure they remain tight and secure. Tighten if necessary.
- Check for any signs of wear or damage. If any defects are found, discontinue use and contact the manufacturer for replacement parts or advice.

7. TROUBLESHOOTING

- **Instability after assembly:** Ensure all screws are fully tightened. Verify that the anti-tip device is correctly installed and secured to the wall, and the anti-slip metal piece is properly engaged with the dresser. Check that the dresser itself is stable and level.
- **Parts missing or damaged:** Refer to the package contents list. If parts are missing or damaged upon arrival, contact the retailer or manufacturer immediately for assistance.
- **Changing mat does not fit:** Ensure the changing mat dimensions are compatible with the changing table top's internal dimensions (approximately 62.5 cm length for the main changing area, with a total width of 80 cm).

8. PRODUCT SPECIFICATIONS

Brand	Vicco
Model Number	54278
