Tuanzi D9

Tuanzi D9 Smart Watch with Built-in Headphones User Manual

Model: D9

INTRODUCTION

This manual provides comprehensive instructions for the setup, operation, and maintenance of your Tuanzi D9 Smart Watch with Built-in Headphones. Please read this manual thoroughly before using the device to ensure proper functionality and to maximize your user experience.

What's in the Box

- 1 x D9 Smartwatch with Earbuds
- 1 x Silicone Case
- 1 x Charging Cable
- 1 x User Manual (this document)

SETUP

Charging the Device

Before first use, fully charge your D9 Smart Watch. Connect the charging cable to the charging port on the back of the watch and plug the USB end into a compatible power adapter (not included) or a computer's USB port.

- The watch display will indicate charging status.
- A full charge typically takes approximately 2 hours.

Pairing with Your Smartphone

The D9 Smart Watch is compatible with iOS (12 and above), Android (7.0 and above), and HarmonyOS. To unlock full functionality, pair your watch with your smartphone via the dedicated application.

1. **Download the App:** Search for "FaceLink" in your smartphone's app store (Apple App Store for iOS, Google Play Store for Android).
2. **Enable Bluetooth:** Ensure Bluetooth is enabled on your smartphone.
3. **Open the App:** Launch the FaceLink app and follow the on-screen instructions to create an account or log in.
4. **Add Device:** Within the app, navigate to the "Add Device" or "Pair Device" section.
5. **Select D9:** The app will scan for nearby devices. Select "D9" from the list of available devices.
6. **Confirm Pairing:** A pairing request will appear on both your phone and the watch. Confirm the pairing on both devices.

Once successfully paired, the watch will synchronize time, date, and other settings with your phone.

OPERATING INSTRUCTIONS

Basic Navigation

The D9 Smart Watch features a 1.46-inch HD touch screen for intuitive navigation.

- **Swipe Up/Down:** Scroll through menus and notifications.
- **Swipe Left/Right:** Access different widgets or quick settings.
- **Tap:** Select an item or confirm an action.
- **Press Side Button:** Return to the home screen or power on/off the device (long press).

Using the Built-in Headphones

The D9 Smart Watch integrates Bluetooth headphones directly into its design for convenient audio and calls.

1. **Accessing Headphones:** Gently open the watch's side compartment to retrieve the earbuds.
2. **Automatic Pairing:** The earbuds will automatically connect to the watch (and your paired phone) once removed from their compartment.
3. **Wearing:** Insert the earbuds into your ears. Ensure a comfortable and secure fit.
4. **Controls:** The earbuds feature touch controls for various functions.

Health and Fitness Tracking

The D9 Smart Watch offers comprehensive health and fitness monitoring features.

- **Heart Rate Monitoring:** The watch continuously monitors your heart rate. View real-time data on the watch or detailed trends in the app.
- **Sleep Monitoring:** Tracks deep, light, and REM sleep stages to provide insights into your sleep quality.
- **Breathing Exercises:** Guided breathing exercises are available to help reduce stress and improve focus.
- **Activity Tracking:** Records steps, distance, and calorie consumption.
- **Multiple Sports Modes:** Select specific modes for various indoor and outdoor activities for accurate data collection.

Heart rate monitoring

Accurate recording, both at rest and during exercise, keeps you informed of your heart health at all times.

*The measurement results of this product are for reference only and are not intended for any medical purpose or basis. Please follow your doctor's instructions and do not self-diagnose and treat based on these measurement results.

Sleep monitoring

Monitor the deep, light and REM sleep stages to help you understand the quality of your sleep.

Breathing training

Guide you through deep breathing exercises to help reduce stress and improve focus.

MAINTENANCE

Cleaning Your Device

- Wipe the watch screen and body with a soft, lint-free cloth.
- For stubborn spots, slightly dampen the cloth with water. Avoid using harsh chemicals or abrasive materials.
- Clean the charging contacts periodically with a dry cotton swab to ensure good connection.
- For the earbuds, gently wipe them with a dry, soft cloth. Ensure no moisture enters the speaker or microphone openings.

Storage

When not in use for extended periods, store the D9 Smart Watch in a cool, dry place away from direct sunlight and extreme temperatures. Ensure the device is partially charged before storing to preserve battery health.

Battery Care

- Avoid fully discharging the battery frequently.
- Do not expose the device to temperatures below 0°C (32°F) or above 45°C (113°F).
- Use only the provided charging cable.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Watch does not turn on.	Low battery.	Charge the watch for at least 30 minutes.
Cannot pair with smartphone.	Bluetooth is off; App not running; Watch not in pairing mode; Interference.	Ensure Bluetooth is on. Restart the app and watch. Try pairing again. Move away from other Bluetooth devices.
Earbuds not connecting.	Earbuds not properly seated in watch; Low earbud battery.	Ensure earbuds are fully inserted into their compartment for charging. Re-insert and try again.
Inaccurate health data.	Watch not worn correctly; Sensor dirty.	Ensure the watch is snug on your wrist. Clean the heart rate sensor on the back of the watch.
Notifications not received.	App permissions not granted; Notifications disabled in app/phone settings.	Check app permissions for notifications. Ensure notifications are enabled in both the FaceLink app and your phone's system settings.
