MAINTENANCE

To ensure the longevity and appearance of your COBI model, follow these maintenance guidelines:

- **Cleaning:** Dust the model regularly with a soft, dry cloth. Avoid abrasive cleaners or solvents.

- **Storage:** Store the model in a cool, dry place away from direct sunlight to prevent discoloration or material degradation.
- **Handling:** Handle the model carefully to avoid accidental detachment of parts.

TROUBLESHOOTING

If you encounter any issues during assembly or with the model's functionality, consider the following:

- **Missing Parts:** Refer to the parts list in your instruction guide. If a part is genuinely missing, contact COBI customer support.
- **Loose Connections:** Ensure all blocks are pressed firmly together. Some connections may require more pressure.
- **Track Movement Issues:** Check that all track links are correctly assembled and that no debris is obstructing the wheels or tracks.
