DAMINY FJ1039A-5X52-B1-BL

DAMINY 52-inch Black Ceiling Fan with Lights (Model FJ1039A-5X52-B1-BL) User Manual

Comprehensive instructions for installation, operation, and maintenance.

IMPORTANT SAFETY INSTRUCTIONS

Please read and understand all instructions before beginning installation. Failure to follow these instructions may result in electric shock, fire, or personal injury.

- Ensure power is disconnected at the circuit breaker before installation or servicing.
- All wiring must be in accordance with national and local electrical codes.
- Consult a qualified electrician if you are unsure about wiring procedures.
- Mounting structure must be capable of supporting the fan's weight (12.23 pounds).
- Do not operate the fan with damaged blades.
- Keep hands and objects clear of rotating fan blades.
- This fan is suitable for indoor and outdoor use, but not in environments exposed to direct rain.

PRODUCT OVERVIEW

The Daminy 52-inch Black Ceiling Fan with Lights (Model FJ1039A-5X52-B1-BL) is designed to provide efficient air circulation and adjustable lighting for various indoor and outdoor spaces. It features a quiet DC motor, reversible airflow, 5 double-sided plywood blades, and smart control options via remote and mobile app.

Efficient and Quiet Operation

78% Higher ↑
Energy efficiency

≤ 30 dB ↓
Low noise

*Reduces electricity costs by 78% compared to conventional AC motors.

PACKAGE CONTENTS

Verify that all components are present before beginning installation:

- Fan Motor Assembly
- 5 Plywood Blades (double-sided: black and wood grain)
- Downrod Assembly
- Canopy and Decorative Cover
- Light Kit (LED panel and lampshade)
- Remote Control with Wall Mount
- Receiver
- Hardware Pack (screws, wire nuts, etc.)
- User Manual
- Quick Start Guide

SETUP AND INSTALLATION

Installation typically takes around 20-30 minutes. Detailed steps are provided in the Quick Start Guide. For visual assistance, refer to the installation video below.

1. **Prepare for Installation:** Ensure power is off at the circuit breaker. Remove existing fixture.
2. **Install Mounting Bracket:** Secure the mounting bracket to the ceiling junction box.
3. **Assemble Fan Blades:** Attach the fan blades to the motor assembly using the provided screws. Ensure blades are installed with the desired color facing down.
4. **Attach Downrod:** Thread electrical wires through the downrod. Secure the downrod to the motor assembly with the bolt and clip.
5. **Hang Fan:** Carefully lift the fan assembly and hang it on the mounting bracket hook.
6. **Wire Connections:** Connect the fan's electrical wires to the household wiring (Black to L, White to N, Green to G) using wire nuts. Refer to the wiring diagram.

7. **Secure Canopy:** Slide the canopy and decorative cover up and secure them to the mounting bracket.
8. **Install Light Kit:** Connect the light kit wires, then rotate and install the LED panel and lampshade.
9. **Restore Power:** Turn on power at the circuit breaker.

OPERATING INSTRUCTIONS

The Daminy ceiling fan can be controlled using the included remote control or a mobile application.

Remote Control Functions:

- **Power On/Off:** Turns the fan and light on or off.
- **Fan Speed:** Adjusts between 6 fan speeds.
- **Light On/Off:** Controls the LED light independently.
- **Color Temperature (CCT):** Cycles through 6 color temperatures (2700K-6000K).
- **Dimming:** Adjusts light brightness from 10% to 100%.
- **Night Light Mode:** Activates a low-brightness setting for nighttime use.
- **Timer:** Sets the fan to turn off after 1, 2, 4, or 6 hours.
- **Forward/Reverse:** Changes the direction of blade rotation for summer (downward airflow) or winter (upward airflow) modes.
- **Nature Mode:** Simulates natural breeze by varying fan speed.

Figure 3: Remote control and mobile app interface for the Daminy ceiling fan, illustrating various control options.

Figure 4: Illustration of the 6 color temperature options (2700K-6000K) and 10%-100% dimming capability.

Figure 5: Depiction of the 6 adjustable fan speeds, ranging from low comfortable wind to high cooling wind.

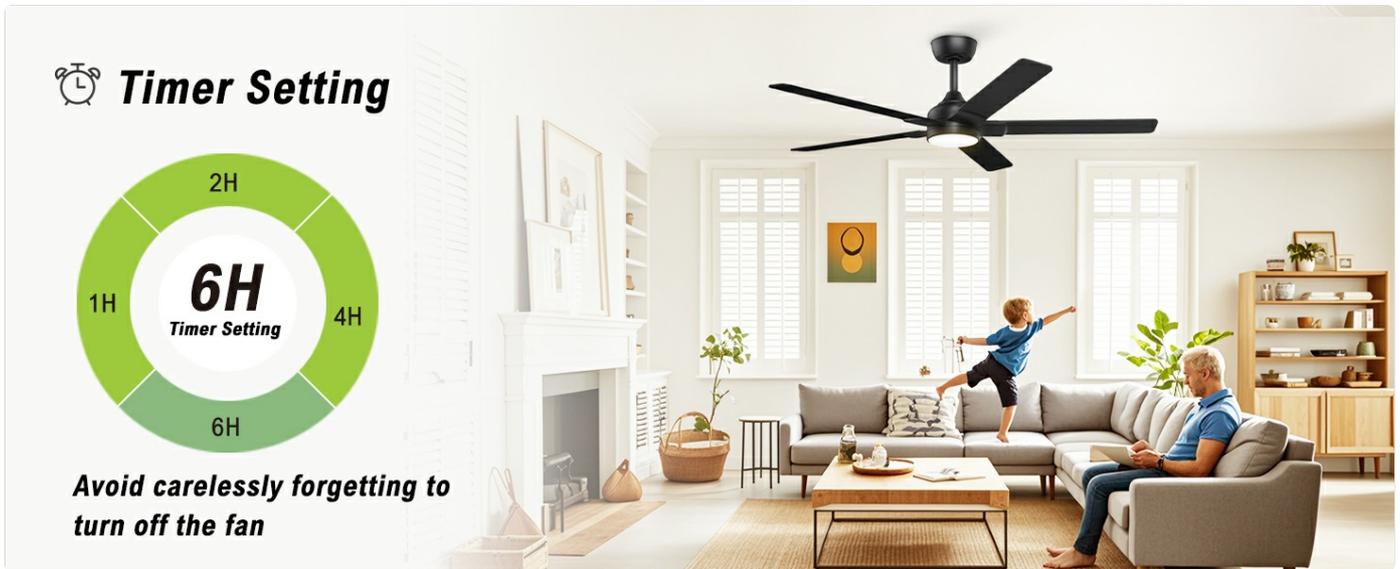

Figure 6: Explanation of the reversible airflow feature, allowing for downward airflow in summer and upward airflow in winter.

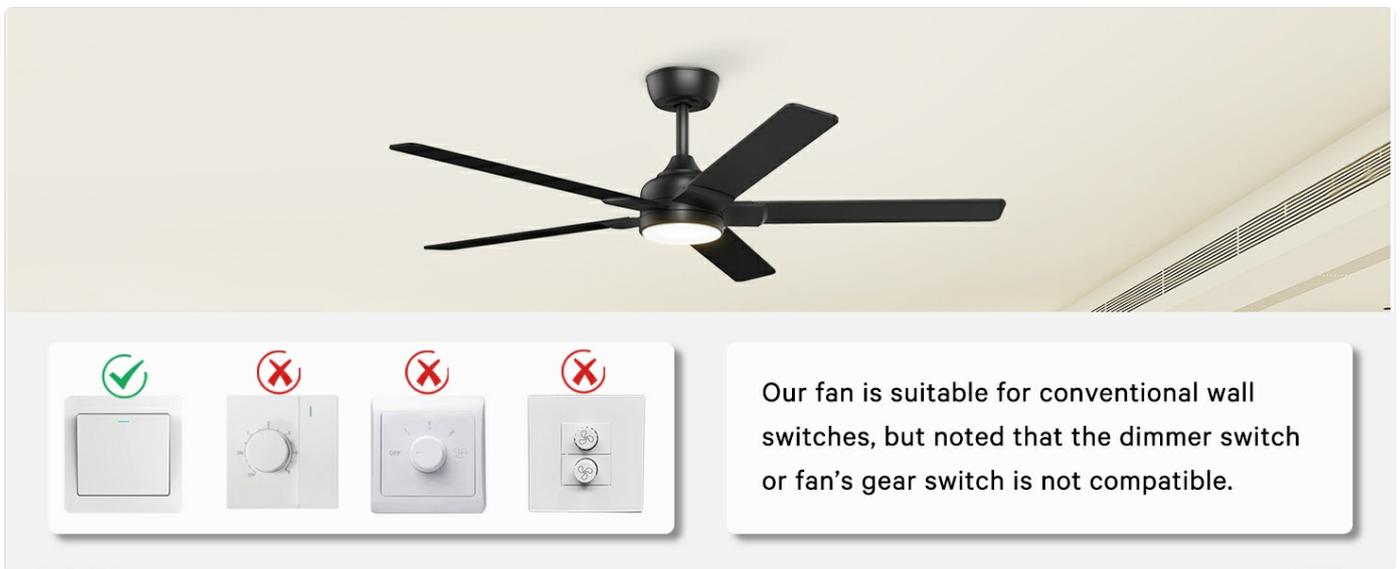

Figure 7: Details on the night light mode and the fan's super quiet operation, with noise levels as low as 35dB.

Mobile App Control:

The fan supports control via a mobile application (Bluetooth required). Scan the QR code in the Quick Start Guide to download the app. The app provides similar functionalities to the remote control, including fan speed, light settings, timer, and reverse mode.

MAINTENANCE

- **Cleaning:** To clean the fan, wipe with a soft, damp cloth. Do not use abrasive cleaners or solvents.
- **Blade Care:** Periodically check blade screws for tightness. Loose blades can cause wobbling and noise.
- **Light Source:** The LED light source is integrated and not user-replaceable.
- **General Inspection:** Regularly inspect the fan for any signs of damage or wear.

TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Fan does not start	No power to the fan; loose wiring; remote control battery low.	Check circuit breaker; ensure all wire connections are secure; replace remote control battery.
Light does not work	Loose light kit wiring; LED panel failure.	Check light kit connections; contact support if LED panel is faulty.
Fan wobbles	Loose blade screws; improper mounting; unbalanced blades.	Tighten all blade screws; ensure mounting bracket is secure; use balancing kit if necessary.
Remote control not working	Battery low/dead; remote not paired; obstruction.	Replace battery; re-pair remote (refer to Quick Start Guide); ensure clear line of sight.

SPECIFICATIONS

Feature	Detail
Brand	DAMINY
Model Number	FJ1039A-5X52-B1-BL
Size	52 inches
Color	Black
Blades	5, Double-sided Plywood (Black/Wood Grain)
Motor Type	DC Motor
Wattage	18 watts
Control Method	Remote Control, Mobile App (Bluetooth)
Light Features	6 CCT (2700K-6000K), 10%-100% Dimmable, Night Light Mode
Fan Speeds	6
Airflow	Up to 4500 CFM
Indoor/Outdoor Use	Yes (not exposed to direct rain)
Product Dimensions	52 x 52 x 14.4 inches
Item Weight	12.23 pounds

WARRANTY AND SUPPORT

The Daminy 52-inch Black Ceiling Fan comes with a **2-year warranty**. If you encounter any issues or have questions regarding your product, please contact Daminy customer service. Support is typically available within 12 hours. For further assistance, refer to the contact information provided in your Quick Start Guide or visit the official Daminy website.
