# Den.te91 Anti-Stain Charcoal Toothpaste User Manual

Model: CO002

## PRODUCT OVERVIEW

---

The Den.te91 Anti-Stain Charcoal Toothpaste is a scientifically formulated oral care product designed for comprehensive dental hygiene. It aims to provide protection for teeth and gums, assist in stain removal, and contribute to overall oral health.

This toothpaste incorporates charcoal for stain removal, Nano Hydroxyapatite for enamel strengthening and sensitivity relief, and Lactoferrin for antimicrobial benefits.

## INGREDIENTS

---

## USAGE INSTRUCTIONS

---

Follow these steps for effective use of Den.te91 Anti-Stain Charcoal Toothpaste:

1. Apply a pea-sized amount of Den.te91 Anti-Stain Charcoal Toothpaste onto your regular toothbrush.
2. Brush your teeth thoroughly for at least two minutes.
3. Ensure the toothbrush is held at the correct angle to effectively remove plaque and avoid gum irritation.
4. Brush at least twice a day, preferably in the morning and before bedtime.

## PRODUCT BENEFITS

---

This toothpaste offers several benefits for oral health:

- **Stain Removal & Whitening:** The charcoal and SHMP formula effectively tackles stubborn discoloration and improves whitening, removing surface stains for a brighter smile.
- **Enamel Strengthening & Sensitivity Relief:** Enriched with Nano Hydroxyapatite, it fortifies enamel, alleviates sensitivity, and helps repair cavities.
- **Antimicrobial Properties:** Lactoferrin provides antimicrobial action, eliminating bacteria and fungi, combating bad breath, and addressing gum disease.
- **Cavity & Plaque Protection:** Helps prevent tooth decay and plaque buildup.
- **Gentle Formulation:** Free from SLS, Fluoride, and Parabens, making it suitable for daily use and safe for enamel.

# NANO HYDROXYAPATITE

STRENGTHENS  
ENAMEL

REDUCES  
HYPERSENSITIVITY

REPAIRS  
CAVITIES

## STORAGE AND CARE

To maintain the product's efficacy and safety:

- Store the toothpaste below 30°C (86°F).
- Keep in a dry place, away from direct sunlight and moisture.
- Ensure the cap is tightly closed after each use.

## TROUBLESHOOTING

If you do not observe immediate results:

- It may take up to 4 weeks of consistent use to experience the full benefits of the toothpaste, particularly for stain removal and enamel strengthening.

- Ensure you are following the usage instructions correctly, brushing twice daily for two minutes.
- If concerns persist, consult a dental professional.

## SPECIFICATIONS
