## ALFORDSON Ramiro Series

# ALFORDSON Ramiro Series Adjustable Height Swivel Bar Stools

## INSTRUCTION MANUAL

Model: Ramiro Series (Set of 2) | ASIN: B0DZWTHMN6

### 1. Introduction

---

Thank you for choosing the ALFORDSON Ramiro Series Adjustable Height Swivel Bar Stools. This manual provides essential information for the safe assembly, operation, and maintenance of your new bar stools. Please read these instructions carefully before use and retain them for future reference.

These bar stools feature a classic design with a bentwood back and PU leather upholstery, offering both style and comfort. Key features include 360° swivel functionality and adjustable height to suit various counter and bar heights.

### 2. Safety Information

---

- Keep the floor dry to prevent slipping, especially when moving the stools.
- Do not exceed the maximum weight limit of **330 pounds (150 kg)** per stool.
- Ensure all screws and bolts are securely tightened before use and periodically check for looseness.
- Avoid standing on the stool or using it as a ladder.
- Keep children away from the assembly area and ensure they do not play with the stool.

### 3. Package Contents

---

Please verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- 2 x ALFORDSON Ramiro Series Bar Stools (disassembled)
- 1 x Assembly Instructions Manual
- 1 x Hardware Pack (containing all necessary screws, washers, and tools)

## 4. Setup and Assembly

---

Assembly is required for these bar stools. Please follow the detailed step-by-step instructions provided in the separate Assembly Instructions Manual included in your package. Ensure you have adequate space and the necessary tools (usually included in the hardware pack) before starting.

### General Assembly Tips:

- Lay out all parts on a soft, clean surface to prevent scratches.
- Do not fully tighten all screws until the entire unit is assembled. This allows for minor adjustments.
- Once fully assembled, tighten all screws firmly.

## Adjustable height stools

Image 1: Detailed dimensions of the ALFORDSON Ramiro Series Bar Stools, illustrating the adjustable height range and other measurements.

## 5. Operating Instructions

---

### 5.1. Height Adjustment

The bar stools feature a gas lift mechanism for easy height adjustment. To adjust the seat height:

1. **To raise the seat:** While standing, pull the delicate gas lift lever upwards. The seat will automatically rise. Release the lever at the desired height.
2. **To lower the seat:** While seated, pull the delicate gas lift lever upwards. The seat will lower under your weight. Release the lever at the desired height.

The seat height can be adjusted between approximately 24 inches (61 cm) and 32 inches (86 cm), accommodating counter heights ranging from 34 inches to 43 inches.

Image 2: Illustration of the adjustable height feature, showing the stool at both bar height (32.3 inches) and counter height (24 inches).

### 5.2. 360° Swivel Function

The seat of the bar stool is designed to swivel 360 degrees, allowing for smooth communication and easy movement without needing to reposition the entire stool. Simply rotate the seat in any direction.

Image 3: The 360° swivel seat feature, demonstrating its functionality for easy communication and movement.

### 5.3. Footrest

The curved footrest provides comfortable support for your feet, enhancing the overall seating experience, especially during extended periods of use.

## 6. Maintenance

---

### 6.1. Cleaning

The PU leather upholstery is designed for effortless cleaning. To clean the seat and backrest:

- Wipe spills immediately with a soft, damp cloth.
- For general cleaning, use a mild soap solution and a soft cloth. Avoid abrasive cleaners or harsh chemicals.
- Dry thoroughly with a clean, dry cloth after cleaning.

# Engineered for endurance

Supportive and ergonomic

Premium PU leather

Comfy high-resilience foam

Solid plywood

Non-woven fabric

Effortless cleaning

Image 4: The durable material construction of the seat and an example of effortless cleaning for the PU leather surface.

## 6.2. General Care

- Periodically check all connections and tighten any loose screws to ensure stability and safety.
- The base includes an anti-slip rubber ring to protect your floors from scratches and reduce noise. Ensure this ring remains intact and in place.
- Avoid prolonged exposure to direct sunlight or extreme temperatures, which can damage the materials.

Image 5: Key structural components including the gas lift lever, curved footrest, wide base, and rubber floor protector.

## 7. Troubleshooting

---

If you encounter any issues with your ALFORDSON Ramiro Series Bar Stools, please consider the following:

- **Stool feels wobbly:** Check all assembly screws and ensure they are securely tightened. Ensure the stool is on a flat, even surface.
- **Height adjustment not working:** Ensure the gas lift lever is fully engaged or disengaged as required. Check for any obstructions around the gas lift cylinder.
- **Unusual noises:** Verify all connections are tight. Lubricate moving parts if necessary, using a silicone-based lubricant.

For further assistance, please refer to the detailed assembly instructions or contact ALFORDSON customer support.

## 8. Specifications

---
