DWVO Folding Sewing and Craft Table with Charging Station

Model: MADWVhmiIM

Brand: DWVO

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your DWVO Folding Sewing and Craft Table. Please read this manual thoroughly before assembly and use to ensure safe and efficient operation.

IMPORTANT SAFETY INSTRUCTIONS

- Always follow assembly instructions carefully.
- Ensure all screws and fasteners are securely tightened before use.
- Do not overload the table or shelves. Refer to specifications for weight limits.
- Keep children and pets away during assembly.
- Use the charging station only with compatible devices and within specified voltage/current limits (2 AC outlets [120V/12A], 2 USB ports [5V/2A]).
- Unplug the power cord from the wall outlet when not in use or during cleaning.
- Engage the lockable casters when the table is in a fixed position to prevent accidental movement.

PARTS LIST

Before beginning assembly, verify that all components are present and undamaged. Refer to the included hardware pack and assembly diagram for specific part identification.

- Main Tabletop Sections (Foldable)
- Side Storage Units
- Internal Shelves (Adjustable)
- Magnetic Doors
- Casters (6 total, 3 lockable)
- Charging Station (2 AC outlets, 2 USB ports, 6.5-foot cord)
- Assembly Hardware (screws, dowels, hinges, fixed lock, etc.)

SETUP AND ASSEMBLY

Assembly requires careful attention to detail. It is recommended to have a second person assist with certain steps. An electric screwdriver may expedite the process.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches. Verify all parts against the parts list.
2. **Attach Casters:** Secure the six casters to the designated points on the bottom of the table's base units. Ensure the three lockable casters are positioned as indicated in the assembly diagram for optimal stability.
3. **Assemble Side Storage Units:** Follow the diagram to construct the side storage units, including the internal shelves and magnetic doors. Pay close attention to hinge orientation for proper door alignment.
4. **Connect Tabletop Sections:** Attach the foldable tabletop sections to the main central unit using the provided hinges. Ensure smooth folding action.

5. **Install Charging Station:** Integrate the charging station into its designated slot. Connect the power cord securely.
6. **Final Checks:** Once assembled, gently test the folding mechanism and ensure all doors open and close smoothly. Tighten all screws.

OPERATING INSTRUCTIONS

Folding and Unfolding the Table

The table features a compact design for space-saving storage and versatile use.

1. **To Unfold:** Release any engaged caster locks. Gently pull the foldable tabletop sections outwards until they are fully extended and aligned with the central unit. Engage the fixed lock if present for added stability. Lock the casters to secure the table in place.
2. **To Fold:** Unlock the casters. Disengage any fixed locks. Gently push the foldable tabletop sections inwards until they are flush with the central unit. Lock the casters for storage.

Using the Charging Station

The integrated charging station provides convenient power access for your electronic devices.

- Plug the table's power cord into a standard wall outlet.
- Connect your devices to the 2 AC outlets (120V/12A) or the 2 USB ports (5V/2A).
- Always ensure devices are compatible with the provided power specifications.

Utilizing Storage Features

The table offers various storage options to keep your workspace organized.

- **Side Shelves:** Use the three side shelves for small items like threads, notions, or stationery.
- **Open Storage Layer:** The central open shelf is suitable for larger items or baskets.
- **Adjustable Shelves:** The cabinet behind the magnetic doors contains adjustable shelves for flexible storage configurations.

MAINTENANCE AND CARE

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Hardware Check:** Periodically check all screws and fasteners to ensure they remain tight. Retighten as necessary.
- **Caster Care:** Keep casters free of debris to ensure smooth movement.
- **Avoid Moisture:** Protect the table from excessive moisture and direct sunlight to prevent warping or discoloration.

TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Table feels wobbly after assembly.	Loose fasteners; uneven floor.	Ensure all screws are fully tightened. Adjust table position on an even surface. Engage lockable casters.
Folding mechanism is stiff.	Hinges require lubrication; debris in mechanism.	Apply a small amount of silicone lubricant to hinges. Clear any obstructions.
Charging station not working.	Power cord not plugged in; wall outlet issue; device incompatibility.	Check if the table's power cord is securely plugged into a working wall outlet. Test the outlet with another device. Ensure your device is compatible with the charging station's specifications.
Magnetic doors do not close properly.	Misaligned hinges; obstruction.	Check hinge alignment and adjust if necessary. Ensure nothing is blocking the door's path or the magnetic latch.
