advwin Salon Station User Manual

MODEL: B0DZX43J6S

1. Introduction

This manual provides detailed instructions for the assembly, operation, and maintenance of your advwin Salon Station. Designed for hairstylists, this versatile workstation features heat-resistant tool holders, ample storage, and a modern design suitable for various professional and home environments. Please read this manual thoroughly before assembly and use to ensure proper function and safety.

2. Important Safety Information

Always follow assembly instructions carefully. Use caution when handling sharp edges and heavy components. Ensure the unit is properly secured to the wall to prevent tipping. Do not overload the unit with heavy items.

3. Package Contents

Verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- Engineered Wood Panels (various sizes for desktop, shelves, cabinet, drawers)
- 3 Heat-Resistant Alloy Tool Holders
- Alloy Handles for drawers and cabinet doors
- Drawer Slides
- Cabinet Door Hinges
- Lockable Drawer Mechanism with Key

- Wooden Support Leg
- Anti-Tipping Device
- Assembly Hardware (screws, dowels, etc.)
- Detailed Assembly Instructions

4. Setup and Assembly

Self-assembly is required. Please follow the included detailed instructions and diagrams carefully. It is recommended to have two people for assembly due to the size and weight of some components.

Video: Step-by-step assembly guide for the advwin Salon Station.

Key Assembly Steps:

1. **Unpack and Identify Parts:** Lay out all components and hardware. Match them against the parts list in your instruction manual.
2. **Assemble Base Units:** Construct the side cabinet and the main desk frame according to the diagrams.
3. **Install Drawer Slides:** Secure the drawer slides to the designated panels.
4. **Assemble Drawers:** Construct the four drawers, ensuring smooth operation. One drawer includes a locking mechanism.
5. **Attach Cabinet Doors:** Install hinges and attach the cabinet doors. The glass cabinet door should be handled with care.
6. **Integrate Hot Tool Holders:** The hair dryer holder can be installed on either the left or right side of the table as per your preference.
7. **Secure Anti-Tipping Device:** For enhanced stability and safety, attach the anti-tipping device to the wall.

Specifications

Main Material: Wood

Item Color: Black

Product Weight: 79.4 lbs / 36 kg

Product Dimensions:
56.3×13×69.7 in / 143×33×177cm

Assembly Required: Yes

5. Operating Instructions

Your advwin Salon Station is designed for efficient organization and ease of use.

- **Tool Holders:** Utilize the three heat-resistant alloy rings to safely store your hair dryer, curling irons, and straighteners while in use or cooling down.
- **Drawers:** The four smooth-gliding drawers provide convenient storage for smaller tools, accessories, and personal items. The top drawer is lockable for securing valuables.
- **Cabinets:** The two large-capacity cabinets offer ample space for larger items, towels, or product inventory. The tempered glass door allows for display.
- **Open Shelves:** The spacious desktop and two open shelves are perfect for frequently accessed items or decorative elements.

6. Maintenance

To ensure the longevity and appearance of your salon station, follow these maintenance guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth and mild detergent. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Spills:** Clean up spills immediately to prevent staining or damage to the engineered wood.
- **Hardware:** Periodically check all screws and fasteners to ensure they are tight. Retighten if necessary.
- **Heat Protection:** Always place hot styling tools in the designated heat-resistant holders. Avoid placing hot items directly on the desktop surface.

7. Troubleshooting

If you encounter issues with your salon station, refer to the following common solutions:

- **Assembly Difficulty:** If instructions are unclear, re-examine the diagrams and ensure all parts are correctly oriented. Contact customer support for further assistance if needed.
- **Instability/Wobbling:** Ensure all fasteners are securely tightened. Verify that the anti-tipping device is properly installed and anchored to the wall. Distribute weight evenly across surfaces.
- **Drawers Not Sliding Smoothly:** Check that drawer slides are correctly installed and free from obstructions. Apply a silicone-based lubricant if necessary.
- **Cabinet Doors Not Closing Properly:** Inspect hinges for proper alignment and tightness. Adjust as needed.
