#### 4. SETUP AND ASSEMBLY

Follow these steps to assemble your Happy Fries Building Block Set:

1. **Unpack Components:** Carefully open the packaging and remove all building block pieces. It is recommended to sort the pieces by color or shape to facilitate assembly.
2. **Review Instructions:** Refer to the included detailed instruction manual. Each step is illustrated to guide you through the building process.
3. **Assemble Sections:** Follow the step-by-step diagrams to connect the blocks. Pay close attention to the orientation and placement of each piece.
4. **Verify Connections:** Ensure all blocks are firmly connected to create a stable structure.
5. **Final Touches:** Once the main structure is complete, add any decorative elements as shown in the instructions.

If you encounter any difficulties, re-examine the instruction manual or refer to the manufacturer's support

resources.

## 5. OPERATING AND DISPLAY

---

The Happy Fries Building Block Set is designed as a decorative item. Once assembled, it can be displayed in various settings:

- **Desktop Decoration:** Place the model on your desk, shelf, or any flat surface to add a unique and playful touch to your workspace or living area.
- **Collection Piece:** Integrate it into your existing collection of building block models or decorative items.
- **Gift Item:** The assembled model makes an excellent gift for enthusiasts of creative building sets or unique decorations.

No operational functions are associated with this building block set; its primary purpose is aesthetic display.

## 6. MAINTENANCE

---

To keep your Happy Fries Building Block Set in optimal condition:

- **Cleaning:** Gently wipe the model with a soft, dry cloth to remove dust. Avoid using abrasive cleaners or harsh chemicals, as these may damage the plastic.
- **Storage:** If disassembling for storage, keep all pieces in a secure container to prevent loss.
- **Environment:** Avoid prolonged exposure to direct sunlight or extreme temperatures, which can cause discoloration or warping of the plastic.

## 7. TROUBLESHOOTING

---

Should you encounter any issues during assembly or with the product:

- **Missing Pieces:** Double-check the packaging and your workspace. If pieces are genuinely missing, contact GoAssemb customer support.
- **Difficulty Assembling:** Review the instruction manual carefully. Ensure you are using the correct pieces and following the steps in order. Sometimes, a small misplacement can affect subsequent steps.
- **Loose Connections:** Ensure blocks are pressed firmly together until they click into place.
