CUBIMANA SC8805

CUBIMANA Aquarium Building Block Set with LED Light

Model: SC8805
Brand: CUBIMANA

Introduction

The CUBIMANA Aquarium Building Block Set (Model SC8805) allows you to construct a vibrant underwater world with 697 pieces. This set features various marine creatures like jellyfish, fish, and crabs, along with colorful coral elements. It includes interactive movable elements and LED lighting to enhance the display.
This manual provides essential information for assembling, operating, and maintaining your CUBIMANA Aquarium Building Block Set. Please read it carefully before beginning assembly.

Safety Information

- **Small Parts Warning:** This set contains small parts and is not suitable for children under 3 years due to choking hazards. Recommended for ages 8 and up.
- **Material:** Made from safe ABS plastic.
- **LED Lights:** Ensure proper battery installation for LED lights. Do not expose LED components to water.
- **Adult Supervision:** Adult supervision is recommended during assembly, especially for younger children.

Package Contents

Please verify that all components are present before starting assembly.

- 697 Building Block Pieces
- 2 LED Light Units
- 1 Removable Background Cardboard
- 1 Instruction Manual (separate detailed assembly guide)

Setup and Assembly

The CUBIMANA Aquarium Building Block Set requires assembly. A detailed, step-by-step instruction manual is included in your package to guide you through the construction process.

1. **Unpack:** Carefully unpack all components and verify against the package contents list.
2. **Follow Instructions:** Refer to the separate printed instruction manual for detailed assembly steps. Each step illustrates the required pieces and their placement.
3. **Connect Pieces:** Ensure pieces are firmly connected. If a piece is difficult to connect, check its orientation and apply steady, firm pressure.
4. **Install Background:** Once the main structure is built, slide the removable background cardboard into the designated slot at the back of the aquarium.
5. **Install LED Lights:** Attach the two LED light units to the top frame of the aquarium as indicated in the assembly

manual. Ensure batteries are correctly inserted into the LED units (batteries not included).

Operating Instructions

Your CUBIMANA Aquarium Building Block Set features interactive elements and LED lighting.

- **Activating LED Lights:** Each LED light unit has an ON/OFF switch. Press the switch to turn the lights on or off. Ensure batteries are installed correctly for operation.
- **Operating Movable Elements:** Locate the control knob on the side of the aquarium base. Rotate this knob to make the jellyfish, crabs, and fish move, simulating an underwater environment.

Maintenance

To ensure the longevity and appearance of your CUBIMANA Aquarium Building Block Set, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the assembled set with a soft, dry cloth. For stubborn dirt, a slightly damp cloth can be used, but avoid excessive moisture, especially near LED components.
- **Dust Removal:** Use a soft brush or compressed air to remove dust from intricate areas.
- **Storage:** Store the set in a cool, dry place away from direct sunlight to prevent discoloration or material degradation.
- **Battery Replacement:** Replace LED light batteries as needed. Dispose of old batteries responsibly.

Troubleshooting

Problem	Possible Cause	Solution
LED lights do not turn on.	◦ Batteries are not installed. ◦ Batteries are installed incorrectly. ◦ Batteries are depleted. ◦ Switch is off.	◦ Install required batteries. ◦ Check battery polarity and reinsert correctly. ◦ Replace with new batteries. ◦ Ensure the ON/OFF switch is in the 'ON' position.
Pieces do not fit together or fall apart easily.	◦ Incorrect piece orientation. ◦ Insufficient pressure during assembly.	◦ Refer to the instruction manual to ensure correct piece orientation. ◦ Apply firm, steady pressure to connect pieces securely.
Missing parts.	◦ Packaging error.	◦ Carefully check all packaging materials. If parts are genuinely missing, contact CUBIMANA customer support.

Specifications

Feature	Detail
Brand	CUBIMANA
Model Name	SC8805
